Pioneers in guided holidays for solo travellers

Rated "Excellent" ★★★★★ ★ Trustpilot

"A fab way to solo travel because you're not alone! Brilliant,
and I look forward to booking my next trip!"

Jacqueline Phillips, Just You Traveller

At Just You,

There's something special about travelling solo. The freedom, the possibility, the adventure.

But the best journeys aren't just about where you go. They're about how you feel when you're there. And often, it's the little things that stay with you: a shared laugh over dinner, a spontaneous conversation on a coach journey, that unexpected sense of belonging in a group that started as strangers.

These are the moments that turn holidays into memories, and strangers into friends.

Just You: Connecting solo travellers for over 25 years

On many of our tours you'll also be joined by a Specialist Local Guide, who will delight in sharing the hidden magic that only a local can know.

Solo Travel Chat

From first timers to seasoned Just You adventurers, the introductions have been flowing and they're a lovely reminder of just how much our solo travel community likes to share.

The Americas

Over on Central and South America, Michelle is in the early stages of planning Chile, Argentina and Brazil for 2027. Jason has already shared his top tips, and the conversation has inspired others to start saving for Chile: The Atacama to Patagonia with Easter Island.

Janet's top tips for solo travel

With three Just You already trips under her belt, we asked Janet for her top tips when travelling solo for the first time...

Take time to pause

It's easy to forget ourselves documenting every single moment on camera, without just putting the phone down to engage our senses and take in the scenes before us. Whether you're on a game drive in South Africa or standing in the middle of Times Square, there's something far more charming about doing nothing more other than engaging your eyes and ears.

So don't feel guilty taking that time out and share your photos with each other because you can bet someone else got the million-dollar shot while you were soaking up the ambience!

Be yourself

On your first solo tour, it's natural to wonder what everyone will be like. What's important to keep in mind is that everyone will simply be themselves, and that's the beauty of it. All sorts of people, with their own different life stories, which they may or may not wish to share.

There will be folks who nearly bottled out but forged ahead and rediscovered forgotten confidence. There are those who perhaps don't love small talk or always want to dine as a big group, and that's great. It's all about choices. As Just You says, it's about holidays that allow you to be just you.

So be yourself, be kind, and allow people the space they need to have a great holiday. Once you've travelled with Just You, it's like gaining a little family, people are there to support, guide and share the experience. Move around the group and you'll be sharing laughs and memories in no time.

Packing tips

Review your itinerary closely before you start packing. Neutral clothing is a clear winner as it makes mixing and matching so much easier. Don't be afraid to re-wear items either; it's a holiday, not a catwalk.

Whatever your destination, always pack a lightweight waterproof, a hat and sunscreen. Some places have more than one season in a day, and if you're heading into the mountains, you'll be glad of that extra layer!

Our tours are carefully crafted to include activities that provide you with meaningful local experiences. As well as gaining a deeper understanding of the cultures and communities we explore, it gives all of us an opportunity to make a positive impact which, in turn, helps us all to change people’s lives through travel.

As part of our incredible **Natural Wonders of Ecuador & the Galapagos** tour, we’ll have lunch at the pioneering Kawsaymi Restaurant in Otavalo.

Founded in 2012 by Claudia and her family, this is a women-led enterprise. Creating jobs and income through its restaurant, embroidery, and seed jewellery it also celebrates traditional Andean cuisine, Kichwa culture, and ancestral knowledge. The team also runs school workshops on healthy eating and local food, supporting community wellbeing and cultural identity.

Women in rural communities often have limited opportunities for employment or personal development. Kawsaymi is a pioneering venture rooted in culinary culture, creating opportunities for other women and children in the community. The enterprise safeguards authentic Andean culinary heritage, which is at risk of being lost to commercialised alternatives, while providing meaningful employment for local youth.

Planeterra provided a grant and strategic support to strengthen Kawsaymi’s farm-to-table experience and business operations. This included targeted training in customer service, financial management, and storytelling, as well as funding to improve the “Old House”.

Together, these investments help Kawsaymi enhance their market presence, business skills, and impact on the community.

The enterprise directly benefits five local people working in the restaurant and seven families producing handicrafts and supplies. They create jobs for local youth and women through the restaurant and handicrafts and combines tourism, local business, and social impact for long-term community benefit.

Kawsaymi is just one of nearly 30 Just You Cares and Planeterra projects we visit on our tours. You can visit projects on three of our new tours, including a Sicilian herb farm, dedicated to preserving rare local herbs. In Karakol, Kyrgyzstan you can visit Issyk-Kul and help support local producers and in Saint John, New Brunswick we’ll hear from an indigenous storyteller on a walking tour of the town.

It's a Wild World

With 18 tours in the Just You solo collection dedicated to, or featuring, unforgettable wildlife experiences, the call of the wild clearly resonates deeply with our travellers. We caught up with solo adventurers and passionate photographers Ian and Dave to hear about their extraordinary journeys through South Africa and Costa Rica.

MY JUST YOU STORY

IAN

Ian's love affair with nature began on his very first solo trip to Kenya, and it hasn't stopped since.

"Our lodge was overlooked by Mount Kilimanjaro, and I'll never forget watching a herd of elephants wandering past one morning. It was just phenomenal."

A self-confessed elephant and big cat devotee, Ian has since explored two of Just You's iconic African safari tours: the Royal Morubisi Safari Adventure at Kaingo Game Reserve, and the South African Safari Adventure at Mabula Game Reserve. While the itineraries share similarities, Ian was struck by how different the two experiences really are.

"It's important to remember you're stepping into two entirely different ecosystems. Wildlife works to its own agenda and no two safari experiences are ever the same. Lion sightings tend to be more frequent at Mabula, while at Kaingo, you might not spot any for a few days. It's all about managing biodiversity there."

A Whole New World

At Mabula, the group witnessed a full pride of lions following a zebra kill: it was raw, real and utterly unforgettable.

"That's nature, and on these game reserves, you're very much stepping into their world. That's the most refreshing part of a safari - that, and the wonderful build-up of excitement about what you might spot next. Our rangers were exceptional, giving us the story behind every sighting. Being able to study an animal's markings, track their movements, those are the moments of pure wonder I live for."

"When you encounter lions, even when they're just resting, you still get that overwhelming feeling of 'I'm actually here, experiencing this'. There are plenty of pinch-me moments on this tour!"

Their final morning at Mabula brought misty skies and a fitting finale: a mother rhino with her young and a mother white rhino - a quietly stunning send-off.

Animal Magic

Travelling as a group of ten for Royal Morubisi Safari Adventure, the group couldn't believe their luck when three different big cat encounters unfolded within just 45 minutes.

"A lioness, a cheetah and then a male lion in quick succession - I absolutely live for moments like that. But beyond the big cats, this tour opens your eyes to so much more. Wild dogs, an extraordinary variety of birds, whatever people were hoping to find on the

flora and fauna front, they left South Africa feeling genuinely fulfilled. I certainly did."

In the Hands of the Experts

For those wondering how a safari tour feels without a Holiday Director on hand, Ian is wonderfully reassuring:

"You couldn't be in safer hands. Our guides – Taps and Russell at Mabula, and then Jo and Sunny at Kaingo – were so knowledgeable that if there was something they didn't know about the local wildlife, it probably wasn't worth knowing! And their eyesight? Something to be truly envied."

At Kaingo there was a fascinating expert talk on how the game reserve is run and how ecological balance is maintained.

"It really puts everything into context. Our group learned how impala numbers are carefully managed, it's a delicate balance, and I was quite surprised by the complexity of it. Taps summed it up brilliantly when he pointed out the rear markings on impalas were not unlike a McDonald's 'M' symbol. Being quite small they don't feed a full pride and were thus more of a snack and became known as 'cheeseburgers'. He had us in stitches."

Wondering which tour Ian would recommend: South African Safari Adventure or Royal Morubisi? Head to [kindred.justyou.com](https://www.kindred.justyou.com) for Ian's full story, including his top safari tips and photography advice.

MY JUST YOU STORY

David

PARADISE FOUND

Costa Rica had been on Dave's wish list for years. In 2025, camera in hand and heart and mind wide open, he finally made it happen.

"I think anyone who's been on the Real Costa Rica tour will tell you that Tortuguero National Park is the undisputed highlight, and I am completely inclined to agree. On foot and by boat, we encountered howler monkeys, spider monkeys, sloths, lizards, toucans... it felt like whatever you could imagine, we saw it."

Flying Starts and Photo Finishes

Even back at the hotel, the wildlife never let up, crocodiles and exotic birdlife made for a spectacular backdrop to evenings spent outdoors.

An early riser by nature, Dave found his perfect morning ritual quickly.

"Getting up before breakfast, sitting outside my lodge with a coffee, tuning into the dawn chorus, it was a truly rewarding way to start each day."

At the Tilajari Resort, hummingbirds were regular visitors thanks to nectar feeders on the grounds.

"Their wings beat between 50 and 80 times per second, so I set myself the challenge of capturing a perfect still, shooting at 120 frames per second. Worth every click!"

Enchanting Outdoors

As part of a group of just 14, Dave found the landscapes every bit as breathtaking as the wildlife.

"I'd strongly recommend adding the Hanging Bridges of Arenal to your trip. Walking across bridges suspended in dense rainforest is surreal and wondrous in equal measure, and with hundreds of bird species around you, I was completely in my element."

The hike through Cahuita National Park and a visit to Puerto Viejo de Limon beach were equally memorable.

"We spotted sea turtles, toucans, iguanas and raccoons in the wild, then had a chance to take a dip in the ocean. The beaches in Costa Rica are absolutely stunning."

A Trip of Togetherness

"By this point in the trip, friendships had formed naturally. People look out for each other; there's a real warmth to the group. Our local guide Diego and Holiday Director Mateo, played a huge part in creating that atmosphere. For an adventurous trip like this, having that combination of professional support and local expertise makes all the difference. You genuinely don't need to worry about a thing."

The tour includes a visit to the indigenous Bribri community, a highlight Dave hadn't anticipated.

"I'll be honest, I'm often sceptical about these kinds of experiences, but I was genuinely moved. Learning first-hand about their history, their heritage and their

deep connection to nature, including the use of plants in traditional medicine, was fascinating.

Even eating from a banana leaf as a makeshift plate was a small but meaningful culture shock. The key is to travel with an open mind. That's the real beauty of going solo, it stretches you in the most wonderful ways."

Back to the Future

Dave books through his local travel agent, who regularly recommends Just You for solo travellers, particularly first-timers.

"A friend has already booked Real Costa Rica for next November, and I can't wait to share all my tips with her. I'd recommend this tour to absolutely anyone. You're safe, well looked after, and you'll be so glad you said yes. It's a rewarding adventure in every sense.

"I'm now eyeing Kerala. The idea of visiting 'God's own country', with its serene coastlines and lush tea plantations, so different from the bustle of Delhi, really speaks to me."

Feeling inspired? Head to [kindred.justyou.com](https://www.kindred.justyou.com) to view Dave's Costa Rica photo book.

MAX
20

Every Just You tour is optimised so that you have the best experience but our Max 20 range takes that one step further. Simply put, a Max 20 tour will never have more than 20 solo travellers on it.

We craft our Max 20 tour itineraries in such a way that they are suited to smaller group experiences to ensure the holiday of a lifetime. You'll find this a much more personal way to travel – with a smaller group there's a perfect balance between social travel and closer connections; connections to both the incredible places we're exploring and to the kindred spirits you'll meet on your tour.

We introduced our Max 20 collection last year and, following really positive feedback from customers, we've been working to increase the number of tours we offer in this travel style and we'll continue to create new Max 20 itineraries.

THE LATEST TOURS ADDED TO THE MAX 20 COLLECTION ...

All of our India tours are now included in our Max 20 range. You can choose to travel through the Golden Triangle on our Invitation To India tour, explore further on our Spirit of India trip, or discover the tranquil backwaters and lush landscapes of Southern India on our Discovering Kerala tour.

Two of our brand new tours - Journey Through Andalucia and Secret Sicily – have been created specifically as Max 20 tours. The new tours will focus on those deeper experiences, crafted with smaller groups in mind, so that travellers can really get to know their chosen destination. The tours balance iconic sights with opportunities to sample local food and wines and offer authentic, unexpected, and completely unforgettable journeys.

DAY 2 PLESSIS-ROBINSON - FREE TIME

Today's optional excursion takes us to the formal gardens of the Château de Versailles. This UNESCO-listed building was once a hunting lodge, a seat of government and a symbol of the power of the French monarchy. The huge honey-coloured palace was built in the 17th century during the reign of Louis XIV, and at the same time the magnificent gardens were created by landscape artist André le Nôtre. As we explore, we'll see three large parterres, more than 200 sculptures, groves nestled among the woods, fountains and a spectacular orangery. With its exceptional architecture and delicious gastronomic delights, Paris is a seductive city. Sit back and enjoy the sights as they are wonderfully illuminated on an optional drive into the French capital this evening, with dinner included. (B)

DAY 3 GIVERNY

It is said that the history of France is written in her gardens, and this is reflected in the many different horticultural styles found across the country.

YOUR HOTEL

PLESSIS GRAND HOTEL, LE PLESSIS-ROBINSON ★★★★★

Your hotel is located in the centre of Plessis-Robinson, just 7km from Paris. Facilities include a bar, fitness room, free wi-fi and lift. Guest rooms have private facilities, air-conditioning, TV, mini-bar, hairdryer and tea/coffee-making facilities.

Particularly delightful are the gardens of the famous French Impressionist Claude Monet in Giverny. He planted and painted here from 1883 until his death in 1926, gaining inspiration from the natural beauty that surrounded him through all the seasons.

Explore the artist's flower garden, Clos Normand, as well as the Japanese-style water garden. These two areas are a beautiful contrast to one another, yet are equally wonderful to explore.

The most famous feature is the lily pond, from which Monet gained so much inspiration, and his series of water-lily paintings is revered throughout the world.

As you stroll through the enchanting gardens don't miss the exquisite wisteria-covered Japanese bridge - it too is depicted in many of Monet's greatest works of art.

In the evening, we will gather as a group to enjoy a farewell drink. (B)

7 DAYS FROM £3,299*

Two of Scandinavia's most captivating capitals, one incredible journey. From Stockholm's island-scattered waterways to Copenhagen's royal streets, this is Scandinavia at its most beautiful, historic and utterly unforgettable.

DAY 1 UK - STOCKHOLM

Today you'll fly to Stockholm. On arrival, we'll transfer to our hotel. The rest of the day is free to relax and unwind or start exploring your new surroundings. Few European capitals feel quite as gracefully situated as Stockholm, built across fourteen islands where Lake Mälaren meets the Baltic Sea. Perhaps take a stroll through Gamla Stan, the city's atmospheric old town, with its narrow-cobbled lanes and ochre-painted facades. Stockholm is endlessly explorable, and this afternoon is yours to discover it at your own pace. We'll gather together this evening for a welcome dinner. (D) CLARION HOTEL AMARANTEN, STOCKHOLM (4 STAR)

DAY 2 STOCKHOLM

A full day in Stockholm today begins with a guided city tour that takes in the city's highlights including Gamla Stan, the Royal Palace, City Hall, where the Nobel Prize banquet is held each December, and the island of Djurgården, which sits at the heart of the city's cultural life. Our first visit is to the Vasa Museum, a maritime museum which displays the only almost fully intact 17th-century ship. The Vasa warship sank on her maiden voyage in 1628, slipping beneath Stockholm harbour before a watching crowd. Remarkably preserved by the cold, dark water, she was raised in 1961 and now sits in her own purpose-built museum, the gilded carvings on her stern still vivid after nearly four centuries. Later we'll experience Stockholm from the water on a cruise that passes under 12 bridges and travels through the lock that connects the Baltic Sea to Lake Mälaren. (B)

CLARION HOTEL AMARANTEN, STOCKHOLM (4 STAR)

DAY 3 STOCKHOLM - JONKOPING

After breakfast, we'll depart the capital and make our way to Mariefred, on the shores of Lake Mälaren where we'll explore Gripsholm Castle. Known as the castle of Gustav Vasa, it was built in 1537 and today, it houses more than 400 years of history, as well as the portrait collection of the Swedish state. We'll then head to Jönköping, in southern Sweden. Swedes often refer to Jönköping as The Pearl of the Lake due to the town's location by the southern tip of Europe's sixth largest lake and the many churches representing numerous denominations and religions. (B,D)

HOME HOTEL VICTORIA, JONKOPING (4 STAR)

DAY 4 JONKOPING - COPENHAGEN

Today, we'll meet "the King of the Forest" at Glasriket Moose Park, where they live in their beautiful natural habitat. We'll stop for a coffee and a waffle before we continue our drive on to the charming city of Lund. Here, we'll visit the Lund Cathedral, Sweden's most visited church before continuing our journey to Copenhagen.

Denmark's royal city is packed with history, culture and iconic landmarks just waiting to be discovered. With its picture-postcard waterfront, world-class museums and streets that have been telling stories for centuries. Whether you're soaking up the harbour atmosphere, admiring the architecture or simply watching the city go by, Copenhagen has a way of making every moment feel special. (B)

SCANDIC FRONT, COPENHAGEN (4 STAR)

Today, Copenhagen really comes to life. We'll join our local guide for an immersive city tour, taking in the Christiansborg Palace, the Royal Theatre, the City Hall, the historic Nyhavn Harbour and striking landmarks including the Little Mermaid that make this city so endlessly fascinating. There's royal history around every corner here and no better way to experience it than with someone who knows it inside out. The highlight? A visit to Rosenborg Castle which is one of Denmark's most treasured historic castles. Here we'll come face to face with the kingdom's crown jewels and royal regalia. It's the kind of experience that brings centuries of history vividly into the present. (B)

DAY 5 CAPPADOCIA

A full day exploration of Cappadocia is in store for you today but not before an optional sunrise excursion to see the famous hot-air balloons set off on their morning trips. After breakfast, the first stop is Devrent Valley, home to Türkiye's most spectacular rock formations. Natural erosion has formed interesting shapes, including camel rock at the front of the valley. The next stop is the Zelve-Pasabag, where the iconic Fairy Chimneys dot the landscape. This is the perfect location for our guide to explain how the landscapes were formed as you can see newly forming fairy chimneys in various stages of erosion - many have caves, chapels or churches located inside. The Pasabag (or Monk's) Valley has a

rich and fascinating history and offers plenty of photo opportunities and fresh air in and around the rock formations. We'll enjoy lunch at a local restaurant offering regional dishes. The next stop is Avanos, resting alongside Türkiye's longest river. This ancient city was the centre of the Hittite pottery-makers and today the same clay from the surrounding hills is used to create the famous pottery. We can watch the artisan potters carrying on the traditions of their forefathers, using the same kick-wheel techniques that have been used for over 4,000 years. Afterwards, we'll visit the UNESCO World Heritage site, Goreme Open Air Museum. As we discover the rock-cut cave churches adorned with intricate paintings from the New Testament, your guide will explain the history and impressive iconography in the murals. We'll head on to the highest village in Cappadocia - the stunning Uchisar rock-castle fortress. With views across the region, this incredible site is one of the most interesting ancient cities and offers the perfect panorama to finish the day. (B,L,D)

PERISSIA HOTEL, CAPPADOCIA (4 STAR)

DAY 6 CAPPADOCIA

Our first destination is Ozkonak, an underground ancient city built into the northern slopes of Mt. Idis. It's a marvel of ancient engineering techniques. Admire the rock-cut stables, wineries, chapels, and housing and appreciate the resourcefulness of the carvers to create fully functioning underground cities, which allowed these villagers to escape from marauders throughout the millennia. We rise above ground and continue on a light hike through the spectacular Red Valley. The well-marked trails wind among the unique rock formations, Roman-style vineyards and orchards. Our walk ends in the ancient Cavusin village with dramatic cliff-side dwellings and churches. We reward our efforts with a traditional Turkish lunch. Afterwards, we continue to the old Greek village of Sinasos - now called Mustafapasa. Prior to the founding of the current Republic of Türkiye, this area was home to many ethnic Greeks. The village retains the ancient Greek architecture and churches. Tonight, we'll enjoy a farewell dinner. (B,L,D)

DAY 5 CHARLOTTETOWN

Today we're heading to Charlottetown on Prince Edward Island. Along the way we will stop in Pictou, nestled along Nova Scotia's Northumberland Shore, it is well known for its maritime charm. Here, we'll visit the Hector Heritage Quay Museum, home to the full size replica of the Ship Hector, the first ship to bring passengers from Scotland to Nova Scotia in 1773. From here we travel the short distance to Caribou, where we take the ferry across the Northumberland Strait to Prince Edward Island. (B) RODD, CHARLOTTETOWN

DAY 6 PRINCE EDWARD ISLAND NATIONAL PARK

This morning we'll head out to explore Prince Edward Island National Park, home to stunning views from coastal coves, leafy woodlands and red sandstone cliff drops. Charlottetown is the charming capital of Prince Edward Island and is known as the 'Birthplace of Confederation' after the 1864 conference that led to Canada's formation. For a small seaside city it is well known for its arts and culture scene, as well as its history and heritage. You may choose to explore independently, with sites including Province House National Historic Site, the Confederation Centre of the Arts and Prince Edward Island National Park some key highlights. Or you could choose to join our optional excursion - a food experience tour showcasing the best local delicacies. (B) RODD, CHARLOTTETOWN

DAY 7 MONCTON

Today we'll visit The Anne of Green Gables Museum, dedicated to the life and works of the author Lucy Maud Montgomery before travelling via Confederation Bridge to New Brunswick. A treat is in store for lunch as we stop at Shediac Bay for a traditional lobster lunch cruise. (B,L) HILTON GARDEN INN DOWNTOWN, MONCTON

DAY 8 FUNDY NATIONAL PARK

Today as we travel we'll take in some of the incredible scenery of Fundy National Park. We stop at Hopewell Rocks - home of the highest tides in the world. The huge outcrops of rock are almost covered by water at high tide but at low tide the ocean floor is exposed. You can take the 99 steps down to reach the sands and take in views upwards of the sandstone formations. Having arrived in Saint John, the only city on the shore of the Bay of Fundy, we will visit the famous reversing falls. Here, the power of the sea is apparent as a daily event occurs, caused by the Bay of Fundy's immense high tide hitting the incoming flow of the mighty Saint John River changing its direction. (B) CROWNE PLAZA HARBOUR VIEW, SAINT JOHN

DAY 9 SAINT JOHN

This morning we'll enjoy a walking tour of uptown St. John and discover the heritage on an indigenous story telling walking tour. Women involved in the project report that all of their children are now able to study at university, and they are the first generation to be completely literate in Spanish. Learn all about weaving and dyeing techniques used to create traditional garments, and afterwards you'll have the opportunity to purchase them. Today you will fly to Johannesburg, arriving on day 2.

DAY 2 JOHANNESBURG - GREATER MABULA GAME RESERVE

On arrival in Johannesburg you will meet your transfer guide for the journey to your luxury safari lodge in the Greater Mabula Game Reserve. Set in the Waterberg Biosphere, amidst the towering Waterberg Mountains of Limpopo Province, this area serves as a water

reservoir for the region. Renowned for its rugged beauty, the landscape is characterised by low-lying mountain ranges and escarpments, as well as a network of streams, rivers and lakes. It is the home of South Africa's first-ever savannah biosphere reserve and is also home to many other nature reserves which provide a protected habitat for an array of wildlife. On arrival you will be introduced to the lodge staff who will then look after you for the duration of your stay. Enjoy a welcome

drink with your travelling companions and, if time permits, there may be the opportunity to take your first afternoon game drive before a welcome dinner this evening. (D)

DAY 3 GREATER MABULA GAME RESERVE

This morning we will rise early and enjoy tea, coffee and South African rusks before departing on our first morning game drive, when the 12,000 hectares Greater Mabula Game Reserve is bathed in glorious morning sunlight. The varied habitats on the reserve provide ideal conditions for an astounding selection of large mammals including the Big Five - lion, leopard, elephant, buffalo and rhino. Other wildlife includes the nocturnal brown hyena, jackal, cheetah and a variety of smaller, less often seen predators. The savannah plains further sustain iconic species such as zebra, wildebeest, impala, red hartebeest, eland, gemsbok, warthog and giraffe. Each game drive is conducted in open luxury Land

Cruisers and provides a unique opportunity to observe wildlife in their natural habitat and learn more about their behaviour, and role in the eco-system. The Waterberg environment is seasonal, and the landscape changes dramatically both after and prior, to rain. The deep green thickets and lush grasslands, replenished by summer rains, dramatically transform the bushveld into the greys, yellows and browns at the onset of autumn and winter. You will return to camp for breakfast and then spend the day relaxing at the lodge. Lunch and high tea will be served daily, before the afternoon game drive. (B,L,D)

DAY 4 GREATER MABULA GAME RESERVE

Today enjoy a morning and afternoon game drive, perhaps observing a large herd of impala and zebra feeding on the plains, or witnessing a herd of elephants, traipsing across the open grasslands or crashing through thick bush to feed off the trees. You may stop along one of the dams to search for hippopotamuses and crocodiles, seemingly floating just below the water surface, or search for one of Africa's most elegant spotted big cats; the cheetah. In the late afternoon, after watching the game, enjoy a delightful sundowner in the bush with your travelling companions as the sun sets. (B,L,D)

DAY 6 GREATER MABULA GAME RESERVE

On one morning during your stay you will enjoy a guided safari walk through the African bush. Few experiences are as thrilling as to meet nature up close by walking through the bush on foot. The intimacy of coming across smaller animals and the fascinating introduction to many plant and tree species provides the perfect opportunity to gain a deeper insight into less familiar animal species. Learn more about the Waterberg's biodiversity and stop to watch and listen to the countless species of birds. Guides are specifically qualified to undertake walking safaris and are well equipped to ensure the safety of our guests. Spend the rest of the day relaxing at your lodge perhaps by the pool or indulging in a treatment at the lodge's spa (payable locally). Later enjoy an afternoon game drive before dinner. (B,L,D)

DAYS 7&8 GREATER MABULA GAME RESERVE

As well as your two daily game drives there are a variety of optional activities available including horseback safaris. Lodge staff can assist you if you wish to try any of these. On one evening during your stay (weather permitting) dinner will be a South African braai served in the open air, around a roaring fire for a truly authentic African experience. Other dinners will be served in the elegant dining room or by the poolside. On another evening with a particularly clear night you will enjoy a session of star-gazing with a local expert under the vast African sky. (B,L,D)

DAY 2 AMMAN

This morning we'll visit Jerash - one of the largest and best-preserved Roman cities that still exists today. Your tour highlights are sure to be the Temples of Artemis and Zeus, Hadrian's Triumphal Arch and a street of columns that stretches for a mile. For lunch today we'll visit Beit Khayrat, a woman-owned cafe in nearby Souf for a traditional Jordanian meal. Later we'll return to Amman for a walking tour, where we'll mingle with the locals as we step inside the King Abdullah Mosque and look around the busy vegetable market. We'll also see the well-preserved Roman amphitheatre, which in its heyday could accommodate 6,000 spectators. We're going to head to a restaurant this evening for dinner. (B,L,D) INTERCONTINENTAL AMMAN, AMMAN (5 STAR)

DAY 3 MADABA - PETRA

A day of exploration lies ahead as we journey south to Petra today. The route we follow, along the King's Highway, gives us the chance to visit some fascinating sites. First is Madaba, where St George's Church is home to the famous Mosaic Map. Dating back to the 6th century, it is the oldest map of Palestine in existence. After you've admired this revered work of art, you've got the chance to make your own as we include a visit to a mosaic school to learn this intricate craft. After a traditional Jordanian lunch, we'll continue our journey to Mount Nebo. This elevated ridge rises 700 metres above sea level and, according to the Hebrew Bible, it's from here that Moses saw the Promised Land. We'll stand here today and take in panoramic views of the Holy Land and the valley of the River Jordan. On arrival in Petra, we'll enjoy dinner at our hotel. We'll be heading to the famous 'lost city' of Petra tomorrow, but if you'd like to start your discoveries right away, come with us on an optional trip tonight. Following a path lit by candles, we'll walk through the Siq to view the incredible Treasury building. This is also subtly illuminated by the glow of many candles spread out before it - a truly awe-inspiring sight. (B,L,D) PETRA PILLARS HOTEL, PETRA (4 STAR)

Shobak Fortress

Roman Amphitheatre, Amman

DAY 4 PETRA

We're going to explore Petra – a 'rose-red' city carved by the Nabateans out of vast cliffs, which we'll reach via a journey along the Siq. The excitement builds as we walk through this long, narrow gorge, which is an experience in itself as the colours and formations of the rocks that tower above us are incredible. After walking 1km, we are rewarded with the sight of the Treasury building, which is almost perfectly preserved and features ornate carvings on its façade.

One of many wonders here, we'll tour the site with a Local Guide, who will tell us about the Nabatean culture and show us highlights including intricately carved tombs and a Roman-style theatre. There's plenty of time to explore at your own pace before we return to the hotel. (B,D)

PETRA PILLARS HOTEL, PETRA (4 STAR)

DAY 5 PETRA - WADI RUM

This morning we'll visit the ancient fortress of Shobak. This is one of the largest and most impregnable of the forts built by the Crusaders and is an impressive example of military architecture. Every stronghold was built to be a day's journey from its neighbour, and at night, beacons were lit to signal to Jerusalem that each was safe. For lunch today we'll visit a Jordanian family and enjoy a home cooked lunch of traditional Jordanian specialties. We'll then head to Wadi Rum, a vast desert whose rocky landscape has been carved by the forces of nature. With sand dunes and sandstone rock formations of all shapes, sizes and colours, this magical landscape is sure to leave a lasting impression. Tonight, we are staying in the heart of Wadi Rum, where our hotel is in the guise of a Bedouin camp and you'll stay in your

Petra

own Bedouin-style tent. Once you've settled in, enjoy an included dinner of traditional dishes and afterwards, maybe join an optional stargazing excursion. As you look up to the clear desert skies, an Expert Guide will tell you about the constellations you will see. (B,L,D)
SUN CITY CAMP, WADI RUM

DAY 6 WADI RUM - DEAD SEA

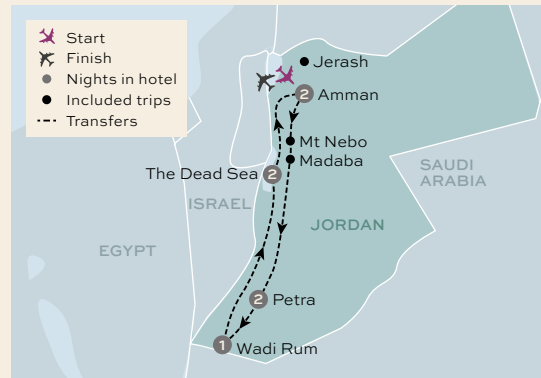

After breakfast, we'll leave the desert behind and make our way to the Dead Sea, where our hotel sits on its shores. This is the lowest spot on earth, and its waters are renowned for their buoyancy and therapeutic qualities. Due to the high salt content as well as 21 other minerals, it's impossible to sink in the Dead Sea, so enjoy relaxing and floating in this natural spa. (B,D)

Ayers Rock

DAY 15 ULURU - ALICE SPRINGS

We will visit Uluru as the sun rises this morning – it's a real pinch-me moment and worth the early start. We will also have the very special opportunity to step into some of the sacred caves at the base of the rock and admire the fascinating Aboriginal art that graces the walls. Holding deep cultural significance to the Anangu people, elders historically used these spaces to teach young boys how to hunt through these drawings which are said to date back to the beginning of time. This experience is not to be missed and it will add more context and significance to this iconic wonder of the world. Later, we'll make our way to Alice Springs and head off on a fascinating tour that introduces you to the Flying Doctor Base and the old Telegraph Station, the original site of the first European settlement in central Australia, which is now a museum. You will also visit the famous School of the Air. This evening we'll enjoy an incredible Aussie bush barbecue. (B,D)

Next, we continue to the Barossa Valley, famous for its wines. At the Jacobs Creek visitor centre we'll stop for a wine tasting and then enjoy lunch, with a menu that features dishes that complement the wines, with produce picked fresh from the kitchen gardens. We'll also taste wines at the award-winning Wolf Blass winery. (B,L)

Your journey to Melbourne takes us along the spectacular Great Ocean Road, it stretches for 150 miles and was built over 13 years by Australian soldiers – it's now recognised as the world's largest war memorial. We'll also see the iconic Twelve Apostles, natural rock formations which rise majestically from the Southern Ocean. It's fascinating to picture just how much they have changed over time through the

power of coastal erosion which has seen them alter from caves, to arches, to stacks. (B)

DAY 20 MELBOURNE

Enjoy a coach tour this morning as we pass by some of Melbourne's top attractions including Federation Square, Melbourne Cricket Ground and the Grand Prix Circuit. Our tour will also call at Flinders Street Station – the busiest suburban rail station in the southern hemisphere and a heritage treasure. Another stop is Fitzroy Gardens, lined with towering elms, colourful floral displays and the Fairies' Tree sculpture. The centuries-old tree stump features fantastical characters including fairies, gnomes, dwarfs and Australian animals which were carefully carved into the trunk of a Red Gum Tree by author, Ola Cohn. A process that took three years, it really is a work of art.

Why not join an optional excursion to Phillip Island to see the penguin parade this afternoon. The island is home to the largest colony of Little Penguins and this closer wildlife viewing experience offers better views, with rangers on hand to offer in-depth knowledge into their lives and environment. WHAT WE LOVE

This tour beautifully encapsulates the true spirit of Australia and will leave you in awe. From the iconic and spiritual wonder that is Uluru, to learning about life in the Outback, we'll leave Down Under with an in-depth understanding of Australian culture and the country's fascinating treasures.

“Very good value for money, you see a whole lot of Australia that even the locals don't get to experience. All the highlights are the best and the tour is comprehensive but gives you time to yourself to explore further. The optional excursions are well worth the money and add to the whole experience of visiting Australia, one to explore and enjoy as it is a once-in-a-lifetime journey and you won't be disappointed on this trip.”

CROWNE PLAZA AUCKLAND (4-STAR)

DAY 5 AUCKLAND - ROTORUA

Today's journey through the Waikato region unveils New Zealand's agricultural backbone, where hundreds of dairy cows graze on emerald pastures. But the real magic awaits at Waitomo Caves, home to millions of glowworms that create an underground galaxy of twinkling lights. These tiny creatures, found nowhere else on Earth, transform limestone caverns into a celestial wonderland that has captivated visitors for over 130 years.

For the adventurous souls in our group, an optional helicopter or floatplane flight over Mount Tarawera Volcano offers a thrilling aerial perspective. The volcano's devastating 1886 eruption buried three villages and created the Pink and White Terraces, once called the eighth wonder of the world. See if you agree with the accolade as you soar over this otherworldly landscape. (B)

MILLENNIUM HOTEL ROTORUA (4-STAR)

DAY 6 ROTORUA

Rotorua assaults your senses in the most wonderful way with the distinctive sulphur aroma that locals call 'the smell of money' with the sight of steam rising from sidewalk cracks, and the thundering roar of mighty geysers. Te Puia Thermal Reserve showcases nature's raw power, where the earth's crust is so thin that super-heated water explodes skyward every few minutes, it really is extraordinary. The Maori have lived with these geothermal features for over 700 years, considering them sacred and using them for cooking, heating, and spiritual ceremonies.

This afternoon, Middle Earth enthusiasts can join an optional excursion stepping into Hobbiton, where Peter Jackson's vision of Tolkien's Shire came to life. The 44 hobbit holes built into rolling green hillsides remain exactly as they appeared on screen, complete

with round doors, vegetable gardens, and the famous Green Dragon Inn. Your guide reveals behind-the-scenes secrets that even die-hard fans haven't heard before. If you have room for more adventure today, our optional Maori cultural evening provides profound insights into New Zealand's indigenous heritage.

We'll dine on a traditional hangi feast, where food has been cooked underground using geothermal steam. The result is the most tender meat and vegetables infused with earthy flavours, it will likely be one of our most memorable meals of the whole holiday! (B)

MILLENNIUM HOTEL ROTORUA (4-STAR)

DAY 7 ROTORUA - NAPIER

The scenic drive to Napier passes through Wairakei Valley and the thundering Huka Falls enroute to Lake Taupo. The freshwater lake, New Zealand's largest, is roughly the size of Singapore. We'll pause here to take in the mesmerising views of the lake, created as a result of a volcanic eruption 27,000 years ago which created this huge crater. Napier is in our sights today and it emerges like a 1930s film set built in Art Deco style.

As well as its architectural credentials, the region is renowned for its wine making. Today's wine tasting introduces you to delicious wines which compete with the world's best. A wonderful evening awaits as we dine on exquisite local cuisine paired with premium wines – an exceptional finish for our rewarding day in Napier. (B,D)

SCENIC HOTEL TE PANIA, NAPIER (4-STAR)

DAY 8 NAPIER - WELLINGTON

Wellington's dramatic harbour setting rivals Sydney or San Francisco, where steep hills plunge directly into Wellington Harbour's sparkling waters – it's a sight to behold. As New Zealand's political and cultural heart, Wellington punches well above its weight, offering world-class museums, thriving coffee culture, and creative energy that's palpable on every street corner. On our orientation tour, we'll soon discover why locals call it "Wellywood" – Peter Jackson's film empire has transformed Wellington into a global movie-making hub. (B)

JAMES COOK HOTEL GRAND CHANCELLOR, WELLINGTON (4-STAR)

DAY 13 MILFORD SOUND

Rudyard Kipling considered Milford Sound the eighth wonder of the world, and today you'll understand why. The journey through Fiordland National Park reveals New Zealand's largest wilderness area, where ancient beech forests have remained unchanged for millions of years. Milford Sound's towering walls rise 1,200 metres directly from dark waters, creating cathedral-like spaces that inspire contemplation. Mitre Peak, the fiord's

iconic summit, reflects perfectly in mirror-calm waters while waterfalls cascade from impossible heights. Weather permitting, a cruise on the Sound is the best way to appreciate the fiord in all its glory, with lunch onboard included. Look out for an array of wildlife on and around the waters, such as fur seals and penguins who call this pristine wilderness home. (B,L)

HOLIDAY INN QUEENSTOWN FRANKTON ROAD (4-STAR)

DAY 14 QUEENSTOWN - FREE TIME

Queenstown earned its 'adventure capital' title through pioneering extreme sports. To get your pulses racing once more, the optional Dart River jet boat experience rockets through shallow braided channels, with 360 degree turns to give you the full experience.

If this sounds a little too extreme, we highly recommend our optional trip, a relaxing steamship cruise on Lake Wakatipu this evening to experience a little New Zealand heritage. In operation since 1912, we will stop off at Walter Peak High Country Farm to enjoy a gourmet dinner in the Colonel's Homestead Restaurant. Overlooking the lake and Queenstown's alpine vistas, a chef will prepare us a feast of salads, vegetables and fresh meats cooked on a wood-fired barbecue. Relax, dine and soak up the views of the elegant colonial architecture and sweeping grounds reminiscent of time gone by, before we reboard our ship for our cruise back to Queenstown. (B)

HOLIDAY INN QUEENSTOWN FRANKTON ROAD (4-STAR)

DAY 15 QUEENSTOWN - OMARAMA

Historic Arrowtown preserves its 1860s gold rush heritage with remarkable authenticity. Miners' huts tell stories of incredible hardship and determination, while the main street's Victorian buildings house galleries and cafés. We continue our journey northwards and New Zealand continues to roll out its trademark scenery of epic proportions as we reach the Mount Cook region, home to New Zealand's highest peak at 3,724 metres. We have the option to book a scenic flight over the mountain, offering that rare glimpse of this

natural wonder as we fly over some of New Zealand's highest mountains and largest glaciers. An incredible experience that will make you ponder the power of nature where ancient ice rivers have carved the dramatic landscapes you see today. (B)

DISTINCTION HERITAGE GATEWAY HOTEL, OMARAMA (3-STAR)

DAY 16 OMARAMA - CHRISTCHURCH

As we continue north across Burke's Pass, we will stop at the most iconic lake of all, Lake Tekapo. The water's extraordinary turquoise shade results from glacial flour – tiny rock particles that create an otherworldly blue that's impossible to capture in photographs. We have more to discover today as all the wonders of the garden city of Christchurch will be revealed to us as part of a fascinating orientation tour of the main sights.

Christchurch exudes English heritage through its Gothic Revival architecture and manicured parks, so much so that it's considered the most English city outside of England! Occasionally we may have to make changes to the running order and inclusions of your holiday itinerary. This could be due to a number of reasons such as public holidays, festivals, weather, traffic conditions or operational reasons and may sometimes be at short notice. Due to changes in river water levels, river cruise itineraries may occasionally be modified. On the rare occasions that this happens we will act in the best interests of our customers to ensure the enjoyment of their holiday is not impaired.

HOTEL ACCOMMODATION

The prices in our brochure/website are

based on sole occupancy of a room with private facilities unless otherwise stated.

Our reference to 'Hotel' covers all accommodation and does not necessarily distinguish between local classifications such as 'Motel' or 'Inn'. It may occasionally be necessary to accommodate you in a different but equal category of hotel to that featured in the brochure/website. If this is known before departure and is a significant change to the confirmed arrangements, we will of course advise you. The confirmed hotel(s) will be advised in your final travel information.

Porterage: One bag per person is included on most of our package holidays as stated in the holiday details.

Voltage/Electrical Items: The type of plug sockets you can use in your destination can be checked by visiting: www.worldstandards.eu/electricity/plug-voltage-by-country/

Swimming Pools: If your hotel/s has a swimming pool, you may wish to take your own pool towel, as some hotels do not provide these. Please familiarise yourself with the depth of the pool and use the steps provided to access and exit the pool. Diving is not recommended.

Additional Charges: Payment for any extras such as drinks, laundry, telephone calls and meals other than those included in your package holiday price are to be made directly to your hotel prior to check out.

On occasion noise from works in the local vicinity of your hotel may occur and these can be unavoidable and unknown to ourselves. We make every effort to ensure your hotel stay is free from disturbance, however this may be out of our control. In addition, unrelated events and local activities may also be taking place. If you do have a complaint at your hotel, or indeed any other service, you must inform your Holiday Director or the hotel direct who will try and resolve the matter as soon as possible.

Air-Conditioning: In some hotels, air-conditioning is operated according to individual hotel policy and/or, in some cases, local laws.

OPTIONAL EXPERIENCES/ EXCURSIONS

We want to give you the opportunity to see as much as possible of the countries you are visiting so there will nearly always be a selection of optional excursions. Any optional excursions will of course operate subject to demand, traffic and weather conditions. Changes to the advertised excursion programmes are rare but the excursion providers reserve the right to change excursions and we reserve the right to amend the advertised prices at any time. We advise against the purchase of excursions from hotels or street vendors as these may not have been safety checked and may not meet required local standards or have adequate insurance cover in place. A list of approved excursions will be sent to you, in some cases these may include hotel excursions which have been checked. If you choose to partake in an excursion/activity which is not arranged by us, we advise you check that your travel insurance covers you for that specific activity.

MAXIMUM GROUP SIZE

Where we display a "Maximum Group Size" icon, the number given will be the maximum expected group size for the tour. Where this may differ is for the 'Discover More' modular tours. We have designed and contracted this holiday

with the maximum number of customers in mind and expect and aim to operate to this level. Under exceptional operational conditions, including force majeure, the expected group size may need to be exceeded. This Maximum Group Size is therefore not a condition of booking, though we will use best endeavours to ensure these stated group sizes are adhered to.

ABOUT OUR FLIGHTS FOR JUST YOU FLIGHT-INCLUSIVE TOURS

The prices for the Flight-Inclusive Tours set out in our brochures/website are based on planned group flights from London. The actual selling price may vary from that published due to numerous factors including but not limited to; additional taxes or fuel surcharges being introduced, the airline only allowing us to hold a limited number of seats at a pre agreed group rate or because alternative flights are being used.

Limited availability seats: Holiday prices are based on limited availability special air fares. Whilst these fares are correct at the time of going to press they may have sold out by the time you make a booking. In this case further seats will usually be available at a supplement. Such supplements, if any, will be confirmed at the time of booking. By booking early you maximise your chances of getting on our group flights which ensures you are getting the benefit of our group costs and also reduces the chance of you ever having to pay any flight related supplements or additional costs.

Baggage Handling and Allowance: The baggage allowance for all our holidays is one piece of luggage/suitcase – with the dimensions of 76cm x 58cm x 25cm (30" x 23" x 10") maximum weight of 44lb (20kg) per person, plus one standard piece of hand luggage. Irrespective of individual airline allowances the above limits apply. They are set taking account of our wider operational requirements including ground transportations, porterage, etc. To avoid any problems with our transportation providers, possible delays and inconvenience to you and your fellow travellers, please ensure these maximum baggage conditions are adhered to. You are responsible for the carriage and care of your luggage throughout your holiday except for such times as it may be in the hands of the airline. In these such circumstances the airline specific terms and conditions relating to the carriage of luggage apply or when porterage at a hotel on arrival and departure is included. We will not be held responsible for any delays and/or additional costs arising from any breach of the above luggage allowances.

Airport Taxes: Any airport taxes and security charges which are payable in advance and therefore form part of the scheduled air ticket have been calculated and included in the price of your holiday. These include the UK Government Airline Passenger Duty and various overseas airport and airline charges where applicable. At some airports there are also passenger charges which are payable locally. Where possible these will be paid by us on your behalf and included on your confirmation invoice. Some taxes have to be paid locally and we will advise you as soon as we are aware of such charges.

Fuel Surcharges/Environmental Taxes: Airlines generally pass on any fuel price increases to customers directly or tour operators when they occur. Occasionally we have no choice but to pass on all or part of these directly

to our customers. You will be informed of any fuel related surcharges or new and additional taxes, airport or security charges in place or other sums payable in addition to the advertised price before you pay in full.

Flight Routings: On some routes we use a number of indirect flights which may require you to change planes en-route. This may be because we cannot obtain a block allocation of seats on a direct flight or it may be the only option. If you are interested in booking a direct flight with a supplement (where available) please ask one of our Holiday Advisors.

Flight Schedule Changes: When you book one of our Flight-Inclusive Tours, your holiday confirmation will contain provisional flight details. We aim to make this as accurate as possible from the start, however, the timings or the flight numbers can change before departure. We will monitor all changes and inform you as soon as possible if there is a change which affects your departure by a considerable time or moves the tour to a different day or significantly affects the tour itinerary. Final timings will be sent about ten days before you travel. If we notify you of a significant change to your holiday and you do not accept the change you must tell us within 7 days of us advising you of the significant change to your holiday. Details of what constitutes a major or minor change is contained within Booking Conditions.

Airlines and Aircraft: All prices in our brochures/on the website are based on air travel in economy class. Passenger travel on scheduled airlines is provided under the conditions of the airline. For a copy of these terms and conditions please go to the appropriate airline's website.

Change of Airline: Due to the ever changing nature of the airline business, airlines selected and used for our tours can change after your booking is made, as can flight schedules and timings. This can be for a number of reasons such as the airline withdrawing the flight or operating with smaller aircraft than first planned. Where this is the case we will endeavour to find an alternative with the same carrier or similar flights with another carrier.

Flight Meals and Medical Equipment Requests: Although meals are provided on most long haul flights you should be aware that most airlines do not provide complimentary food on shorter flights within Europe. We therefore cannot guarantee that meals will be provided on all flights. Please note, we also cannot guarantee that the airline will be able to fulfil your request for a special dietary meal and any such requests are not a condition of booking. If you require a special dietary meal due to an allergy such as a nut allergy, and the airline provides complimentary meals, we will need you to fill in a medical questionnaire to send to the service provider. The airline will not be able to guarantee that their aircraft meals are 100% nut free and will require you to carry any special medication (such as an EpiPen) in your hand luggage. If you need to carry a CPAP machine or oxygen cylinders please let us know at the time of booking so we can ensure this request is sent through to the relevant airline. It can take up to 6 weeks for airlines to confirm whether medical requests can be accommodated.

Seat Requests (Airlines & Trains): We strongly recommend (particularly if you are flying economy class) that you check in early if you have particular seat requests. Just You has no control over

the allocation of seats by the airline. Even if a request has been made to pre-book seats, no guarantee can be made that they will be available on departure. The provision of particular seats does not constitute a term of your contract with us. Please note, suppliers operate older and more modern aircraft within their fleets and we cannot guarantee which type you will travel on as this may be subject to change and general availability. Although some airline/train companies offer the ability to book seats online this may not be the case when booking a holiday through us, as we offer holidays based on special tour operator fares and booking conditions. If this is particularly important to you then please ask about our upgrade options.

Transfers: Where your flight inclusive holiday includes scheduled transfers from the destination/departure airport to/from your hotel, these are all based on group transfers and operate at specified times designed around our brochured flights. These transfer times may be adjusted due to airline flight schedule changes. If for any reason flight times change due to delay or cancellation that cause you to miss the scheduled transfers, alternative arrangements will be made for you.

Flight upgrades are available on many of our holidays. Please call 01858 415 455 for more information.

E-cigarettes: Since their introduction, a number of countries have banned or limited the use of e-cigarettes. We recommend you consult with local government websites for the destinations you will be visiting for further information.

your responsibility to provide accurate and up-to-date information relating to your health. For the enjoyment of the whole group, our Holiday Directors and team cannot provide one-to-one physical support or personal care to individuals. Our holidays visit a variety of destinations and varied itineraries. To ensure our group holidays are suitable and enjoyable experience for you, you should be able to comfortably walk a mile, unaided, at a steady pace, navigating some degree of cobblestone streets or uneven paths, being on your feet for up to 3 hours. If you have concerns regarding the suitability of the holiday due to any health, medical or mobility matters, you should contact us to discuss these concerns.

Customers with Reduced Mobility: We want to ensure you make the correct choice before you book your holiday with us, and we provide suitability advice detailed above. If you have any concerns regarding the suitability of the holiday due to reduced mobility we would encourage you to contact us to discuss these concerns. Our holidays include a comprehensive sightseeing programme, due to the natural terrain of the locations we visit these may be a challenge for anyone with reduced mobility. We also sometimes use different modes of transport to complete our itinerary which includes though not limited to, boats, trains and jeeps these may also pose a challenge for anyone with reduced mobility. For example, when boarding and disembarking boats and ships, this may involve navigating moving or narrow gangplanks. Regrettably motorised scooters are not allowed on our holidays.

Altitude: On certain tours you will travel to places at high altitude. If you suffer from heart or respiratory conditions or have any other concerns please consult your doctor.

Prescribed Medication: Carry all prescribed medication in your hand luggage.

Safety: Although we take every precaution to look after you on tour the responsibility for your personal safety and welfare and the care of your possessions is obviously the same as that which you would exercise whilst at home. It is advisable to avoid carrying your passports/extra cash/ credit cards etc. during day to day activities unless required. Whenever possible leave valuables in your hotel safe. Extra care should be taken when walking around cities, especially at night and we recommend that you stay in well lit, populated areas. It is also wise to avoid carrying valuables or wearing expensive jewellery. Please review the Foreign, Commonwealth & Development Office advice on safety and security for your destination: www.gov.uk/foreign-traveladvice. The Holiday Director/ Guide will be on hand to provide any local notifications. For further information on staying safe overseas, please visit: www.travelhealthpro.org.uk/personal-safety/

ESSENTIAL INFORMATION

possession of a valid passport please make sure you leave plenty of time before your holiday to apply for this document. Our recommendation is that you should apply for one at least three months before your holiday. The UK Passport Service has to confirm your identity before issuing your first passport and will ask you to attend an interview in order to do this. For further information visit www.fco.gov.uk Check the date that your passport expires. When travelling to the EU, the UK Government recommends that you have 6 months left on your passport on the date of your arrival to an EU country. You should also check when your passport was renewed. If you renewed a 10 year adult passport before it expired, extra months may have been added to your passport's expiry date. These extra months over 10 years will not count towards the 6 months that must be remaining. The UK Government has published a website tool to check the validity of your passport under these new rules <https://www.gov.uk/foreign-travel-advice>

Note: In many countries, it is now a legal requirement to show some form of identification if requested by the police or authorities, therefore, it is advisable to carry a photocopy of the data page of your passport when out and about. It is your responsibility to ensure that you understand and adhere to all entry requirements for the countries you're visiting (and what's required upon your return to the UK).

We have partnered with Sherpa, online self service industry experts who can guide you with extensive information around visas and travel restrictions to ensure that you have the correct travel documentation and all the up-to-date travel requirements that will ensure you have the best holiday experience.

Travel requirements per country, can change, Sherpa is the complete service that will ensure you have all the current information so that you are good to go. We recommend that you check the information regularly, along with the Foreign, Commonwealth and Development Office in order to familiarise yourself with any requirements. We're unable to accept any responsibility should you not be able to travel if you have not complied with any passport, entry and immigration requirements.

This comprehensive service will ensure you have a worry free and stress free holiday. You can purchase your visa or check your travel requirements on www.justyou.co.uk/sherpa

EUROPEAN HEALTH INSURANCE CARD

The European Health Insurance Card (EHIC) or Global Health Insurance Card (GHIC) allows any EU Citizen to access state medical care when they are travelling in another EU Country. For most people, the UK GHIC replaces the existing EHIC for new applications. You should make sure, and it is a requirement of booking, that you have appropriate travel insurance.

MEDICAL QUESTIONNAIRE

It is a requirement of the terms and conditions that you complete a medical questionnaire as required to assist Just You to ensure it complies with national and local regulations regarding public health. Failure to complete a questionnaire if required in the stipulated time frames may jeopardise your ability to travel. In these circumstances if you are denied or unable to travel due to non compliance normal cancellation terms and

conditions will apply as contained within these terms and conditions. This does not replace any official documents you are required to complete in order to travel.

PUBLIC HOLIDAYS

Experiencing a public holiday in your chosen destination can really enhance your holiday experience, especially if there are local festivals or celebrations. Virtually all countries have public holidays, religious or otherwise. The festivities may temporarily disrupt your package holiday and some religious holidays such as Ramadan, which is observed in many Muslim countries, may result in a reduction of facilities, services and entertainment. We suggest that you take this into consideration when selecting your departure date. To discover the national holidays in your destination, please visit: www.timeanddate.com/holidays/

WEATHER

World weather is becoming more erratic and unpredictable and we cannot be held responsible for disruption to your package holiday or any other holiday arrangement due to bad or unusual weather conditions.

BROCHURE/WEBSITE DETAILS

We have taken great care to ensure that the details in the brochure/website are correct at the time of their publication. Please bear in mind however that the availability of certain services may vary particularly outside high season periods. This may be for a variety of reasons, for example, lifts need servicing, swimming pools must be cleaned and outdoor amenities such as chair lifts and cable cars can be affected by weather or lack of demand. Some images may have been altered using AI technology.

BOOKING TERMS & CONDITIONS - APPLICABLE FROM DECEMBER 2025

These Booking Terms and Conditions, together with our Privacy Policy and, where your holiday is booked via our website, our website terms and conditions of use, together with any other written information we brought to your attention before we confirmed your booking, form the basis of your contract with G Touring Limited trading as Just You, whose registered office is at Office 202, Harbour Enterprise Centre, Compass Point Business Park, Northampton Road, Market Harborough, LE16 9HW. Company No: 04956006. Please read them carefully as they set out our respective

rights and obligations. In these Booking Conditions references to "you" and "your" include the first named person on the booking and all persons on whose behalf a booking is made or any other person to whom a booking is added or transferred.

By making a booking you agree that: (a) you have read and understood these terms and conditions and have the authority to, and agree to be bound by them;

(b) you are over 18 years of age and where placing an order for services with age restrictions declare that you are of the appropriate age to purchase those services;

(c) you consent to our use of information in accordance with our Privacy Policy (<https://www.justyou.co.uk/information/privacy-policy/>) and you are authorised on behalf of all participants in your party to disclose their personal details to us, including where applicable, special categories of data (such as information on health conditions or disabilities and dietary requirements);

(d) you accept financial responsibility for payment of the booking on behalf of all persons detailed on the booking.

1. BOOKING AND PAYING FOR YOUR ARRANGEMENTS

A booking is made with us when you pay us a deposit (or full payment if you are booking within 84 days of departure) and we issue you with a booking confirmation. We reserve the right to return your payment and decline to issue a confirmation at our absolute discretion. A binding contract will come into existence between you and us as soon as we have issued you with a booking confirmation.

If your confirmed arrangements include a flight, we (or if you booked via an authorised agent of ours, that agent) will also issue you with an ATOL Certificate. Upon receipt, if you believe that any details on the ATOL Certificate or booking confirmation or any other document are wrong you must advise us immediately as changes cannot be made later and it may harm your rights if we are not notified of any inaccuracies in any document within ten days of our sending it out (five days for tickets).

If your confirmed arrangements booked through Just You do not include a flight, we provide financial security for holiday arrangements booked through us by way of a financial failure insurance policy. You will be given full details of the insurer with your confirmation invoice or, alternatively, please go to www.justyou.co.uk/information/financial-protection-insurance/.

The balance of the cost of your arrangements (including any applicable surcharge) is due not less than 84 days prior to scheduled departure (or by such other date as is notified to you at the time of booking). If we do not receive this balance in full and on time, we reserve the right to treat your booking as cancelled by you in which case the cancellation charges set out in clause 8 below will become payable.

Any money paid to an authorised agent of ours in respect of a booking covered by our ATOL is held by that agent on behalf of and for the benefit of the Trustees of the Air Travel Trust at all times, but subject to the agent's obligation to pay it to us for so long as we do not fail financially. If we do fail financially, any money held at that time by the agent or subsequently accepted from the consumer by the agent, is and continues to be held by that agent on behalf of and for the benefit of the Trustees of the Air Travel Trust without

any obligation to pay that money to us. **Special Sales:** If there are services that you request from us in addition to one of our packages (such as a connecting flight, flight upgrade or additional services) these will be put on request by our Sales Team and are subject to availability and confirmation of the price. Our team will advise you of this, take the appropriate deposit (or full payment for a flight upgrade) and send you a holding letter together with an ATOL Certificate. Once the additional service is confirmed we will advise you and if your international flight details have changed, send a revised ATOL Certificate to you.

Please note: Where your booking includes flights or flight upgrades with restrictive ticketing conditions, we may ask you to pay the full airfare or a higher deposit and any associated charges before full payment has been made to minimise any additional cost to you. This is in addition to the normal deposit payable on the holiday. If the flight has restrictive ticketing deadlines it may mean that the ticket has to be issued before you have paid the balance for the holiday and specific cancellation charges may apply which increase the usual cancellation charges. Please refer to 8) If You Cancel Before Departure.

Booking on behalf of others: By booking on behalf of other participants, you are deemed to be the designated contact person for every participant included on that booking. This means that you are responsible for making all payments due in connection with your booking, notifying us or our authorised agent if any changes or cancellations are required and keeping your party informed.

By booking on behalf of another person or persons, you represent and warrant that you have obtained all required consents. You are responsible for verifying that any information you provide on behalf of another participant is complete and accurate and we will under no circumstances be liable for any errors or omissions in the information provided to complete a booking.

2. ACCURACY

We endeavour to ensure that all the information and prices both on our website and in any advertising material that we publish are accurate, however, occasionally changes and errors occur and we reserve the right to correct prices and other details in such circumstances. You must check the current price and all other details relating to the arrangements that you wish to book before your booking is confirmed. On very rare occasions, we may unfortunately make a genuine mistake in the price we quote and subsequently confirm to you for your holiday. This may come to light at any time prior to your holiday. We are not obliged to honour the original price if a mistake has been made when pricing your holiday. We will ask you to meet any additional costs if you wish to go ahead with the holiday. However, should you not wish to meet these additional charges, you may cancel your holiday with a full refund.

3. INSURANCE

We consider adequate travel insurance to be essential. It is therefore a condition of booking that you are adequately insured when travelling abroad. We've partnered with Holiday Extras, please go to: www.justyou.co.uk/information/insurance. We will require you to give us details of your travel insurance company including

BOOKING TERMS & CONDITIONS

the policy number, although we will not check your policy for suitability. If you purchase an alternative policy, you must ensure that it offers cover which is at least as comprehensive as the policy we recommend and, which as a minimum, covers cancellation for the total value of the holiday, delay or curtailment, medical charges and repatriation costs for not less than £5million. Your travel insurance should cover you for any pre-existing medical conditions. You should also ensure you are covered for the curtailment or cancellation of your holiday by us for reasons such as, but not limited to, FCDO advice, government restrictions or local restrictions, you should ensure you are covered up to the full value of your trip and expenses.

We would recommend that your policy should cover you fully for COVID-19 should you need to cancel in advance of travelling, or should you contract it while away. Please read your policy details carefully and take them with you on holiday. It is your responsibility to ensure that the insurance cover you purchase is adequate for your particular needs including cover for any optional excursions/activities that you may have booked. You shall be responsible for indemnifying us in full in respect of any costs that we incur as a result of your failure to have adequate, appropriate and comprehensive travel insurance. We will decline any booking where adequate insurance has not been arranged.

4. PRICING

Once your booking has been confirmed and G Touring has been paid in full (either directly by you or your Travel Agent), we guarantee that no surcharge will be added to the basic price of your holiday irrespective of any subsequent fluctuation in currency exchange rates or increases in international air fares. This price guarantee does not apply to any optional services including, but not limited to, insurance premiums, visa charges and amendment fees and supplements. Before you have confirmed your booking and paid in full, we reserve the right to amend the price of unsold holidays at any time and correct errors in the prices of confirmed holidays.

G Touring also reserves the right to increase the price of confirmed holidays solely to allow for increases which are a direct consequence of changes in:

- The price of the carriage of passengers resulting from the cost of fuel or other power sources;
- The level of taxes or fees applicable to the holiday imposed by third parties not directly involved in the performance of the holiday, including tourist taxes, landing taxes or embarkation or disembarkation fees at ports and airports.

Any refund due will be paid to you less an administrative fee of GBP£75 or EUR€75, based on the currency of your booking. However please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the price of your travel due to contractual and other protection in place. There will be no change made to the price of your confirmed holiday within 20 days of your departure nor will refunds be paid during this period.

5. JURISDICTION AND APPLICABLE LAW

These Booking Terms and Conditions and any agreement to which they apply are governed in all respects by English law. We both agree that any dispute,

claim or other matter which arises between us out of or in connection with your contract or booking will be dealt with by the Courts of England and Wales only.

6. CUTTING YOUR HOLIDAY SHORT

If you are forced to return home early, we cannot refund the cost of any travel arrangements you have not used. If you cut short your holiday and return home early in circumstances where you have no reasonable cause for complaint about the standard of accommodation and services provided, we will not offer you any refund for that part of your holiday not completed, or be liable for any associated costs you may incur. Depending on the circumstances, your travel insurance may offer cover for curtailment and we suggest that any claim is made directly with them.

7. CHANGES BY YOU BEFORE DEPARTURE

If you wish to change any part of your booked arrangements after our confirmation invoice has been issued, you must inform us in writing as soon as possible. Whilst we will do our best to assist, we cannot guarantee that we will be able to meet your requested change.

Request to change more than 75 days before departure: Where we can meet a request, all changes will be subject to payment of an administration fee of £75 per person per change plus any applicable rate changes or extra costs incurred by ourselves or imposed by any of our suppliers. You should be aware that these costs could increase the closer to the departure date that changes are made and you should contact us as soon as possible. Where we are unable to assist you and you do not wish to proceed with the original booking we will treat this as a cancellation by you. A cancellation fee may be payable.

Transfer of booking to someone else:

If you are prevented from travelling it may be possible to transfer your booking to another suitable person provided that written notice is given. An administration fee will be charged, details available upon request.

Transfer of Booking: If you are prevented from travelling, you may transfer your place to someone else (introduced by you and satisfying all the conditions applicable to the arrangements) provided:

- you contact us as soon as possible and provide us with the name of the replacement passenger and who they will be replacing from the original booking. We can only transfer customers up to 75 days before departure, subject to availability;
- you pay an amendment fee of £75 per person transferring, meet all costs and charges incurred by us and/or incurred or imposed by any of our suppliers; and
- the transferee agrees to these Booking Conditions and all other terms of the contract between us.

If there are any payments outstanding for the applicable booking when the transfer is requested these must also be paid before the transfer can be made. Any replacement passengers must show us evidence of their holiday insurance prior to the transfer being completed. You and the transferee remain jointly and severally liable for payment of all sums. If you are unable to find a replacement, cancellation charges as set out herein will apply in order to cover our estimated costs. Otherwise, no refunds will be given for passengers not travelling or for unused services.

Note: Certain arrangements (such as “low cost” flight bookings, flight upgrades, flights with restrictive ticketing deadlines and non-refundable elements of your booking) may not be amended or transferred after they have been confirmed and any alteration could incur a cancellation charge of up to 100% of that part of the arrangements.

Request to change booking within 75 days of departure: Any request to change a booking to a different holiday or departure date will be treated as a cancellation and rebook. Cancellation charges will apply as set out in section 8.

8. IF YOU CANCEL BEFORE DEPARTURE

If you decide to cancel your confirmed booking you must notify us (or your travel agent) in writing, as soon as possible. To notify us please send an email to customercancellations@justyou.co.uk or write to us. Any notification by telephone should be to our Contact Centre by calling 01858 415 100 and must be followed up in writing or by email, within 24 hours by the lead name to confirm the cancellation. Your notice of cancellation will only take effect from the date on which we receive it. If the call to notify us of cancellation is from anyone other than the lead name then the lead name must confirm the cancellation in writing or by email within 3 days of the initial call. If you need to cancel your booking within 24 hours of departure please contact the Service Centre or call the number stated on your final documentation. If verbal notification is within 5 days of departure we reserve the right to cancel the booking after 24 hours. Since we incur costs in cancelling your arrangements, you will have to pay the applicable cancellation charges up to the maximum shown below. The cancellation charge detailed is calculated on the basis of the total cost payable by the person(s) cancelling excluding insurance premiums and amendment charges which are not refundable in the event of the person(s) to whom they apply cancelling:

Number of Days' Notice Before Departure	Cancellation charge (% of holiday price):
More than 75 days before departure	Loss of deposit only
43 - 74 days	50% of tour price
29 - 42 days	75% of tour price
15 - 28 days	90% of tour price
Day of Departure - 14 days	100% of tour price

Please note the amendment fees charged due. Please note that insurance premiums and amendments charges are not refundable in any circumstances.

Note: Certain arrangements (such as “low cost” flight bookings, flight upgrades, flights with restrictive ticketing deadlines and non-refundable elements of your booking) may not be amended or transferred after they have been confirmed and any alteration could incur a cancellation charge of up to 100% of that part of the arrangements.

Where any cancellation reduces the number of full paying party members below the number which the price and/or any concessions agreed for your booking were based, we will recalculate these items and re-invoice you accordingly. If the reason for your

cancellation is covered under the terms of your insurance policy, you may be able to reclaim these charges. We will deduct the cancellation charge(s) from any monies you have already paid to us. The cancellation charges above have been calculated as a genuine estimate of the losses we would incur in the event you cancelled your holiday within the stipulated time period, taking into account the charges we will incur from our suppliers (some of which will be up to 100%) and the expected cost savings and income from alternative deployment of the travel services (if possible) calculated as an average charge over a period of time.

Cancellation by you due to unavoidable & extraordinary circumstances:

You have the right to cancel your confirmed holiday before departure without paying a cancellation charge in the event of “unavoidable and extraordinary circumstances” occurring at your holiday destination or its immediate vicinity and significantly affecting the performance of the holiday or significantly affecting the transport arrangements to the destination. In these circumstances, we shall provide you with a full refund of the monies you have paid but will not be liable to pay you any additional compensation. Please note that your right to cancel in these circumstances will only apply where the Foreign, Commonwealth & Development Office (FCDO) has changed its advice to warn against travel to your destination or its immediate vicinity after the date of your booking. For the purposes of this clause, “unavoidable and extraordinary circumstances” means warfare, acts of terrorism, significant risks to human health such as the outbreak of serious disease at the travel destination or natural disasters such as floods, earthquakes or weather conditions which make it impossible to travel safely to the travel destination.

9. IF WE CHANGE OR CANCEL

As we plan your holiday arrangements many months in advance we may occasionally have to make changes or cancel your booking and we reserve the right to do so at any time.

Changes: If we make an insignificant change to your holiday, we will make reasonable efforts to inform you or your travel agent as soon as reasonably possible if there is time before your departure but we will have no liability to you for failing to inform you or your travel agent. Examples of insignificant changes include:

- alteration of your outward/return flights by less than 12 hours
- changes to aircraft type
- change of accommodation to another of the same or higher standard
- changes of carriers

Please note that carriers such as airlines used in our advertising material may be subject to change.

Occasionally we may have to make a significant change to your confirmed arrangements. Examples of “significant changes” include the following, when made before departure:

- a change of accommodation area for the whole or a significant part of your time away, provided that the new area is more than 15 miles away from the original;
- a change of cabin accommodation to a significantly lesser grade;
- where you are taking a tour, a significant change to the itinerary. i.e. when the itinerary has to be changed by more than 50% and may have to exclude an iconic highlight;

ESSENTIAL INFORMATION

- a change of accommodation to that of a lower standard or classification for the whole or a significant part of your time away.
- a change of outward departure time or overall length of your arrangements of twelve or more hours;
- a significant change to your itinerary, missing out one or more destinations entirely;
- a change of UK airport from the one you were due to fly to or from, except where the change is between London airports (Heathrow, Gatwick, Stansted, London City or Luton) or where the new airport is within 50 miles of the original airport.

Please note: We do not classify a change of air or sea port as a significant change where coach transfers between a UK town and the relevant air/sea port are included in the holiday. A change of flight from direct to indirect is not classified as a significant change.

Cancellation: We will not cancel your travel arrangements less than 75 days before your departure date, except for reasons of force majeure or failure by you to pay the final balance. We may cancel your holiday before this date. For example, in the case of Force Majeure, or if the numbers booked do not reach the required amount to deliver a particular travel arrangement or group experience. If we have to make a major change or cancel, we will tell you as soon as possible and if there is time to do so before departure, we will offer you the choice of:

- (for significant changes) accepting the changed arrangements;
 - accepting an offer of alternative travel arrangements of equivalent value;
 - accepting an offer of alternative travel arrangements of a superior value (at no additional cost to you);
 - if available, accepting an offer of alternative travel arrangements of a lower or comparable standard from us (we will refund any price difference between the original arrangements and the alternative arrangements if the alternative arrangements are of a lower value), or
 - having a refund of all monies paid for the cancelled holiday;
- You must notify us of your choice within 7 days of our offer. If we do not hear from you within 7 days, we will contact you again to request notification of your choice. If you fail to respond again within 3 days we will assume that you have chosen to accept the change or alternative booking arrangements. Once a tour has departed, itinerary changes may be necessary as a result of unforeseen circumstances, operational concerns, or concerns for your health, safety, enjoyment or comfort. Any changes are at our discretion.

You acknowledge that you must have reasonable financial resources to cover incidental expenses during all travel with us, whether or not such expenses arise from a change of itinerary, and we are not liable for your failure to prepare adequately for travel and unforeseen circumstances which may arise during travel.

We will not be liable for any indirect and/or consequential losses associated with any changes to a booking or itinerary or cancellation. Including visas, vaccinations, non-refundable flights or rail, non-refundable car parking or other fees, loss of earnings, or loss of enjoyment.

We may also cancel your holiday booking if we consider it is not

suitable for you for mobility reasons or otherwise, but will endeavour to discuss this with you prior to doing so.

Compensation: If we cancel your booking or make a significant change less than 75 days before departure, in addition to a full refund of all monies paid by you, we will pay you reasonable compensation as detailed above.

Period before departure when a significant change or cancellation is notified to you	Compensation payable per person (excluding infants)
More than 75 days before departure	NIL
29-74 days	£10
15-28 days	£20
8-14 days	£30
7 days or less	£40

IMPORTANT NOTE: We will not pay you compensation in the following circumstances:

- where we make an insignificant change;
- where we make a significant change or cancel your arrangements more than 75 days before departure;
- where we make a significant change and you accept those changed arrangements or you accept an offer of alternative travel arrangements;
- where we have to cancel your arrangements as a result of your failure to make full payment on time;
- where the change or cancellation by us arises out of alterations to the confirmed booking requested by you;
- where we are forced to cancel or change your arrangements due to Force Majeure (see clause 10). If we become unable to provide a significant proportion of the arrangement that you have booked with us after you have departed, we will, if possible, make alternative arrangement for you at no extra charge and where those alternative arrangements are of a lower standard, provide you with an appropriate price reduction.

Please note: where accommodation with a higher price than the original accommodation is offered by us and accepted by you, the difference in price will be deducted from any compensation payable. In no case will we pay compensation if accommodation is offered by us and accepted by you with a higher price than that originally booked in the same location where no additional payment is made by you. If we become unable to provide a significant proportion of the services that you have booked with us after you have departed, we will make alternative arrangements for you at no extra charge and, if appropriate in all the circumstances, will pay you reasonable compensation.

Please note: should it become impossible to make alternative arrangements in the circumstances mentioned above, our legal obligation is to return you to the point of departure, where you commenced your booked arrangements with us, only. It will be your responsibility to arrange any onward transport from the point at which you commenced your booked arrangements with us and your home.

10. FORCE MAJEURE

Force Majeure including where we have had to curtail your holiday except where otherwise expressly stated in these Terms, we will not be liable or pay you compensation if its contractual obligations to you are affected by

“unavoidable and extraordinary circumstances” meaning any event beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken. Examples include warfare and acts of terrorism (and threat thereof), civil strife, labour difficulties, interference by authorities, political disturbance, significant risks to human health such as the outbreak of serious disease at the travel destination or natural disasters such as floods, earthquakes or weather conditions or changes in travel guidelines by organisations such as Foreign, Commonwealth & Development Office (FCDO), WHO (World Health Organisation (WHO)), local or national governments guidelines or regulations which make it impossible to travel safely to the travel destination or remain at the travel destination, the act of any government or other national or local authority including port or river authorities, industrial dispute, lock closure, natural or nuclear disaster, fire, chemical or biological disaster, unavoidable technical problems with transport, closure of airports, ports or airspace or changes of schedules by airlines and all similar events outside our or the supplier(s) concerned control. If your holiday is curtailed due to (not limited to) FCDO Guidance / WHO advice / local or national government guidance or regulations – due to, but not limited to, a pandemic) the Tour Operator will, in accordance with the Package Travel and Linked Travel Arrangements Regulations 2018 and our own Terms and Conditions, provide the traveller with an appropriate refund. The refund will be based on the number of days of the holiday that was missed (based on the total cost of your holiday less the services used, for example flights that were taken, hotel nights that were used and tour days that took place).

11. SPECIAL REQUESTS

Any special requests must be advised to us at the time of booking. You should then confirm your requests in writing. Whilst every effort will be made by us to try and arrange your reasonable special requests, we cannot guarantee that they will be fulfilled. The fact that a special request has been noted on your confirmation invoice or any other documentation or that it has been passed on to the supplier is not confirmation that the request will be met. Any special requests or requirements do not form part of these Terms or the contract between us and we are not liable for any failure to accommodate or fulfil such requests. We do not accept bookings that are conditional upon any special request being met.

12. DISABILITIES AND MEDICAL PROBLEMS

We believe in trying to make our holidays as accessible to as many people as possible. You must tell us before you book of any special needs you may have as result of any disability or medical condition, whether physical or mental health and we will do all we can to accommodate you. This includes making any reasonable adjustments to the holiday itself and/or to the booking process. You may be asked to complete a medical information form (the “Medical Form”) or produce a Doctor’s certificate/letter prior to travel. We will endeavour to respond within 5 working days of receipt of this documentation. If you wish to have this documentation returned please let us know as we

only hold this information for your current holiday. This information will be treated confidentially and will only be used to check that you are likely to be sufficiently fit and able to undertake your chosen holiday, and that any special requirements are passed on to our suppliers. If you, or any member of your party’s situation changes after you have booked (including where any medical condition or disability deteriorates or develops) you must let us know straight away. Travel with us may involve visiting remote or developing regions, where medical care may not be easily accessible and medical facilities may not meet the standards of those found in the UK. We and our suppliers make no representations and give no warranties in relation to the availability or standard of medical facilities in those regions. Whilst we will endeavour to make any reasonable adjustments to the holiday itself, sometimes this may not be possible. Examples of where we may not be able to make a reasonable adjustment include:

- Providing wheelchair access ramps to overseas hotels in remote locations.
- Our staff, or other customers, pushing another customer in a wheelchair throughout the duration of the holiday or other customers on the trip.
- Provision of daily personal care whether for a physical or mental health condition.
- Regrettably we are unable to accommodate motorised scooters. Please note that personal care cannot be provided by any member of our staff. It is your responsibility to tell us before you book whether you have any special requirements, limited mobility or medical conditions either physical or mental health that might affect your ability to take part on our holidays. A reasonable level of fitness is required for all our holidays as some walking will be involved. As a general rule, you should be able to comfortably walk a mile, unaided, at a steady pace, navigating some degree of cobblestone streets or uneven paths, being on your feet for up to 3 hours. If you are in doubt about the suitability of any of our holidays please just ask but, it is vital that you seek confirmation from your own Doctor to establish that you are sufficiently fit both physically and mentally, to travel and to undertake the excursions that may be required to undertake your tour. Where we can we will make any reasonable adjustments but where we cannot make such adjustments we may have to cancel your booking. It is our intention to make our holidays as accessible to as many people as we can, especially those with disabilities. We cannot do this if you don’t tell us of your needs so please mention any relevant information to us before you book. In particular to establish:
 - Any special requirements for air, coach, ferry or cruise ship travel so these are passed on to our suppliers;
 - That we are aware whether your mobility may be limited and therefore whether the holiday is suitable for you or not;
 - Whether you are taking medication and might require medical attention during your holiday;
 - Whether there might be any pre-existing medical conditions, either physical or mental health, that should be disclosed to your insurer (or to the insurer recommended by ourselves) and which could result in your insurance

being invalidated. We can recommend a special travel insurance policy for those with existing medical conditions and would recommend that this or a similar policy be purchased prior to travel. It is your responsibility to check your health and fitness to travel with your own Doctor before travel and we would recommend that you seek this confirmation and send us this information. We will endeavour to assist with any special requirements that might be needed and can also advise against certain tours and excursions that might be challenging for a customer with particular medical issues. We have to rely upon your honesty about your medical condition and cannot advise you properly if we are unaware of this. Please contact our Special Services Team at customer.care@justyou.co.uk and we can arrange to advise you of the pre-travel medical clearance that you should clarify with your Doctor.

We will assume, unless you inform us otherwise, that you are in a good state of health both physically and mentally, to participate in the holiday. If you do not tell us about any disability or medical condition which may affect your holiday arrangements and any resulting special needs, and we find ourselves in the position where you are at your UK departure point or on holiday and are unable to participate fully, then we reserve the right to:

- Organise extra assistance or make any adjustments so you can continue with the holiday and pass on the costs of doing this to you.
- Arrange your return to the UK, or to your home address if you haven't left the UK and pass on the costs of doing this to you.

We very much hope that all our customers will be completely open, honest and upfront with us so the above situation does not occur. However, we do reserve the right to take action in the interests of your health and safety and the health and safety of our staff and other customers should we need to. We can only accept your booking upon the clear understanding that we cannot be liable if you do not inform us of such a condition and an airline or cruise line refuses to accept you as a passenger.

13. COMPLAINTS

We make every effort to ensure that your arrangements run smoothly but if you do have a problem during your holiday, you must inform your Holiday Director or the relevant supplier immediately who will endeavour to put things right. If the problem cannot be resolved and you wish to complain further, you must send formal written notice of your complaint to us at **Just You, Office 202, Harborough Enterprise Centre, Compass Point Business Park, Northampton Road, Market Harborough, LE16 9HW** or by e-mail to customer.care@justyou.co.uk within 28 days of the end of your stay, giving your booking reference and all other relevant information. Any complaints made via our Customer Service Questionnaire will not be responded to unless they have been made formally as outlined above. Please keep your letter / email concise and to the point. This will assist us to quickly identify your concerns and speed up our response to you. Failure to follow the procedure set out in this clause may affect ours and the applicable supplier's ability to investigate your complaint, and this may affect your rights under this contract. Please note that we offer an Alternative Dispute Resolution

service through our ABTA membership. Please see clause 14 for further details. You can also access the European Commission Online Dispute (ODR) Resolution platform at <http://ec.europa.eu/consumers/odr/>. This ODR platform is a means of registering your complaint with us; it will not determine how your complaint should be resolved.

14. ABTA

We are a Member of ABTA, membership number Y6412. We are obliged to maintain a high standard of service to you by ABTA's Code of Conduct. We can also offer you ABTA's scheme for the resolution of disputes which is approved by the Chartered Trading Standards Institute. If we can't resolve your complaint, go to www.abta.com to use ABTA's simple procedure. Further information on the Code and ABTA's assistance in resolving disputes can be found on www.abta.com.

15. OUR RESPONSIBILITIES

We will accept responsibility for the arrangements we agreed to provide or arrange for you as an 'organiser' under the Package Travel and Linked Travel Arrangements Regulations 2018, as set out below and as such, we are responsible for the proper provision of all travel services included in your package, as set out in your confirmation invoice. Subject to these Booking Conditions, if we or our suppliers negligently perform or arrange those services and we do not remedy or resolve your complaint within a reasonable period of time, we will pay you reasonable compensation. The level of such compensation will be calculated taking into consideration all relevant factors such as, but not limited to: following the complaints procedure as described in these conditions and the extent to which we or our employees' or suppliers' negligence affected the overall enjoyment of your holiday. Please note that it is your responsibility to show that we or our supplier(s) have been negligent if you wish to make a claim against us.

We will not be responsible or pay you compensation for any injury, illness, death, loss, damage, expense, cost or other claim of any description if it results from:

- the acts and/or omissions of the person affected; or
- the acts and/or omissions of a third party unconnected with the provision of the services contracted for and which were unavoidable and extraordinary; or
- Force Majeure

We limit the amount of compensation we may have to pay you if we are found liable under this clause as follows: **(a) loss of and/or damage to any luggage or personal possessions and money:** the maximum amount we will have to pay you in respect of these claims is an amount equivalent to the excess on your insurance policy which applies to this type of loss per person in total because you are required to have adequate insurance in place to cover any losses of this kind.

(b) Claims not falling under (a) above and which don't involve injury, illness or death: the maximum amount we will have to pay you in respect of these claims is up to three times the price paid by or on behalf of the person(s) affected in total. This maximum amount will only be payable where everything has gone wrong and you or your party has not received any benefit at all from your booking.

(c) Claims in respect of international travel by air, sea and rail, or any stay in a hotel:

(i) The extent of our liability will in all cases be limited as if it's a carrier under the appropriate Conventions, which include The Warsaw/Montreal Convention (international travel by air); The Athens Convention (with respect to sea travel); The Berne/Cotif Convention (with respect to rail travel) and The Paris Convention (with respect to hotel arrangements). You can ask for copies of these Conventions from us. In addition, you agree that the operating carrier or transport company's own 'Conditions of Carriage' will apply to you on that journey. When arranging transportation for you, we rely on the terms and conditions contained within these international conventions and those 'Conditions of Carriage'. You acknowledge that all of the terms and conditions contained in those 'Conditions of Carriage' form part of your contract with us, as well as with the transport company and that those 'Conditions of Carriage' shall be deemed to be included by reference into this contract.

(ii) In any circumstances in which a carrier is liable to you by virtue of the Denied Boarding Regulation 2004, any liability we may have to you under our contract with you, arising out of the same facts, is limited to the remedies provided under the Regulation as if (for this purpose only) we were a carrier.

(iii) When making any payment, we are entitled to deduct any money which you have received or are entitled to receive from the transport provider or hotelier for the complaint or claim in question. It is a condition of our acceptance of liability under this clause that you notify any claim to us and our supplier(s) strictly in accordance with the complaints procedure set out in these Terms.

Where any payment is made, the person(s) receiving it (and their parent or guardian if under 18 years) must also assign to us or our insurers any rights they may have to pursue any third party and must provide us and our insurers with all assistance they may reasonably require.

Please note, we cannot accept any liability for any damage, loss or expense or other sum(s) of any description: (a) which on the basis of the information given to us by you concerning your booking prior to us accepting it, we could not have foreseen you would suffer or incur if we breached our contract with you; or (b) which relate to any business.

We will not accept responsibility for services or facilities which do not form part of its agreement or where they are not advertised in our brochure or on our website. For example any excursion you book whilst away, or any service or facility which your hotel or any other supplier agrees to provide for you.

Where it is impossible for you to return to your departure point as per the agreed return date of your package, due to "unavoidable and extraordinary circumstances", we shall provide you with any necessary accommodation (where possible, of a comparable standard) for a period not exceeding three nights per person. Departure point will be the location where you commenced your first travel arrangement booked through Just You as listed on your booking confirmation. Please note that you can also access the European Commission Online Dispute (ODR)

Resolution platform at <http://ec.europa.eu/consumers/odr/>. This ODR platform is a means of registering your complaint with us; it will not determine how your

complaint should be resolved. Please note that the three-night cap does not apply to persons with reduced mobility, pregnant women or unaccompanied minors, nor to persons needing specific medical assistance, provided that we have been notified of these particular needs in advance. For the purposes of this clause, “unavoidable and extraordinary circumstances” mean warfare, acts of terrorism, significant risks to human health such as the outbreak of serious disease at the travel destination or natural disasters such as floods, earthquakes or weather conditions which make it impossible to travel safely back to your departure point.

16. YOUR BEHAVIOUR & ACCEPTANCE OF REASONABLE RISKS

You acknowledge that travel and the products and services offered by us may involve risk to your health and safety. By travelling with us you acknowledge that you have considered any potential risks to health and safety. To the extent permitted by law, you hereby assume responsibility for all such risk and release us from all claims and causes of action arising from any losses, damages or injuries or death resulting from risks inherent in travel, including visiting foreign destinations, and participating in adventurous activities such as those included in Tour itineraries or otherwise offered by us. You acknowledge that the degree and nature of personal risk involved depends on the products or services booked and the location(s) in which a product or service operates. There may be an increased degree of risk participating in physical activities, travel to remote locations, carriage by watercraft, or other high-risk activities, or travel to countries with developing infrastructure.

You agree that we are not responsible for providing information or guidance with respect of local customs, weather conditions, physical challenges or laws in effect in any locations where a tour, product or service is operated. You acknowledge you have considered the potential risks, dangers and challenges and your own personal capabilities and needs, and you expressly assume the risks associated with travel under such conditions. You must at all times strictly comply with all applicable laws and regulations of all countries and regions. Should you fail to comply with the above, or commit any illegal act when on tour, or in our opinion, (acting reasonably) from the time of booking to returning from your trip your behaviour is causing or is likely to cause danger, distress, or material annoyance to others including our staff, suppliers and any other customers, we may terminate your travel arrangements or any product or service immediately at your expense and without any liability on our part. You will not be entitled to any refund for unused or missed services or costs incurred as a result of termination of our travel arrangements, including, without limitation, return travel, accommodations, meals, and incidentals.

You are responsible for any costs (including repair, replacement and cleaning fees) incurred by us or our suppliers for property damage, destruction or theft caused by you while on a tour. You agree to immediately report any pre-existing damage to one of our representatives or staff of the accommodation, transportation service, or facility as soon as possible upon discovery. You agree to take all

prudent measures in relation to your own safety while on tour including, but not limited to, the proper use of safety devices (including seatbelts, harnesses, flotation devices and helmets) and obeying all posted signs and oral or written warnings regarding health and safety. Neither we nor our third party suppliers are liable for loss or damages caused by your failure to comply with safety instructions or warnings.

17. EXCURSIONS AND LOCAL ACTIVITIES

Included Excursions: For all excursions that form part of the advertised arrangements that you have booked, your contract for the excursion will be with ourselves and we will take responsibility for that excursion in accordance with the remainder of these Booking Terms and Conditions.

Optional Excursions: Aside from included excursions, optional excursions and activities may be available for you to purchase either before you depart the UK or during your holiday. Occasionally, these are offered for sale by our Holiday Advisors in the UK or our Holiday Directors or representatives overseas. However, we have no involvement in any such excursions or activities which are not run, supervised or controlled in any way by us. Full responsibility for providing and operating the excursion or activity rests with the local operator/provider. Optional excursions or other activities that you may choose to book or pay for whilst you are taking part in your trip are not part of your contracted arrangements with us. Where you make a booking of an optional excursion via us or our Holiday Director, we act solely as a booking agent for the local operator/provider of all such optional excursions and activities with whom you will have a contract. The local operator's terms and conditions will apply. We are not responsible for the provision of any optional excursions or activities or for anything that happens during the course of its provision by the local operator. We cannot accept any liability on any basis in relation to any optional excursions or activities which do not form part of your contracted arrangements with us. We do not however exclude liability for the negligence of ourselves or our employees resulting in your death or personal injury.

A minimum number of people are needed for an optional excursion to operate. If that number is not achieved, the local operator may have to cancel it. If this happens, you will be offered a full refund of the money that you have paid. If the local operator has to cancel, the refund will be processed by our head office in the UK, to the payee, within 14 working days of your return date to the UK, on behalf of the local operator. If you want to cancel an optional excursion that you have booked, we on behalf of the local operator, are unable to refund the cost of the excursion once it has been paid for. Our Holiday Directors are happy to suggest local places of interest to you. However, these are suggestions only and are not recommendations or endorsements and no liability is accepted for any issues that may arise.

18. FINANCIAL SECURITY

We provide financial security for flight inclusive Packages and ATOL protected flights. Your money is 100% protected. This is a legal requirement of our ATOL license and is monitored regularly by ATOL. This lists what is

financially protected, where you can get information on what this means for you and who to contact if things go wrong. For further information, visit the ATOL website at www.atol.org.uk.

The price of our flight inclusive arrangements includes the amount of £2.50 per person as part of the ATOL Protection Contribution (APC) we pay to the CAA. This charge is included in our advertised prices. Not all holiday or travel services offered and sold by us will be protected by the ATOL Scheme. ATOL protection extends primarily to customers who book and pay in the United Kingdom or the first leg of any flight or flights we arrange for you commences in the UK. We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL Scheme (or your credit card issuer where applicable).

If we, or the suppliers identified on your ATOL certificate, are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

We provide financial security for holidays not including flights by way of our ABTA bond. If you book arrangements other than an ATOL protected flight or package from us, your monies will not be financially protected. Please ask us for further details. For more information about financial protection and the ATOL Certificate go to: www.atol.org or contact Civil Aviation Authority of Aviation House, Beehive Ring Road, Crawley, West Sussex, RH6 0YR. Refunds: If you are eligible for a refund(s) or all or part of your booking, this will be made to the lead passenger on the booking and generally refunded to the same payment method that was used to pay us. In the case of card payments, this will be refunded to the relevant card account. Any fees incurred while making the payment will not be refunded. Refunds will be completed as soon as possible and in line with our Terms and Conditions.

19. PASSPORT, VISA AND IMMIGRATION REQUIREMENTS AND HEALTH FORMALITIES

We will provide you with standard information about the passport, visa, health and immigration requirements applicable to your itinerary, but it is

your responsibility to confirm that this information is relevant to your individual circumstances. You must check requirements for your own specific circumstances with the relevant Embassies and/or Consulates and your own Doctor as applicable, and you are responsible for ensuring that you meet the entry requirements for the destinations listed on your itinerary. We are unable to accept any responsibility if you are unable to travel because you are not granted a visa and relevant cancellation charges will apply. It is your responsibility to ensure that you understand and adhere to all entry requirements for the countries you're visiting (and what's required upon your return to the UK).

We have partnered with Sherpa, an industry expert who can guide you with extensive information to ensure that you have right travel visa documentation and easy access to the all up-to-date travel requirements that will ensure you have the best holiday experience.

Travel requirements per country can change. Sherpa is the complete service that will ensure you have all the current information so that you are good to go. We recommend that you check the information regularly, along with the Foreign, Commonwealth and Development Office in order to familiarise yourself with any requirements. We're unable to accept any responsibility should you not be able to travel if you have not complied with any passport, entry and immigration requirements.

This comprehensive service will ensure you have a worry free and stress free holiday. All your Travel Requirements can be accessed via www.justyou.co.uk/sherpa. Requirements do change, and you must check the up to date position in good time before departure so that you have the correct documentation and are adequately vaccinated. Information on health is available from your GP surgery and from the National Travel Health Network and Centre www.travelhealthpro.org.uk

Most countries now require passports to be valid for at least 6 months after your return date.

When travelling to the EU, the UK Government recommends that you have 6 months left on your passport on the date of your arrival to an EU country. If your passport is in its final year, you should check with the Embassy of the country you are visiting. You should also check when your passport was renewed. If you renewed a 10 year adult passport before it expired, extra months may have been added to your passport's expiry date. These extra months over 10 years will not count towards the 6 months that must be remaining.

The UK Government has published a web site tool to check the validity of your passport under these rules. For further information contact the Passport Office on 0300 222 0000 or visit <https://www.gov.uk/browse/abroad/passports>. The European Health Insurance Card (EHIC) or the Global Health Insurance Card allows you to access state medical care when you are travelling in another EU Country. Requirements do change and you must check the up-to-date position in good time before departure so that you have the correct documentation and are adequately vaccinated. Information on health is available from your GP surgery and from the National Travel Health Network and Centre www.travelhealthpro.org.uk

We do not wish to mar the prospective enjoyment of your holiday. It is your responsibility to ensure you are aware of up-to-date travel information and advice for your chosen destination; please review the Foreign Office website for detailed information www.gov.uk/foreign-travel-advice. Up-to-date travel advice can also be obtained from the Foreign and Commonwealth Office, visit www.gov.uk/travelaware.

Non British passport holders, including other EU nationals, should obtain up-to-date advice on passport and visa requirements from the Embassy, High Commission or Consulate of your destination or country/countries through which you are travelling. We do not accept any responsibility if you cannot travel or incur any other loss because you have not complied with any passport, visa, immigration requirements or health formalities. You agree to reimburse us in relation to any fines or other losses which we incur as a result of your failure to comply with any passport, visa, immigration requirements or health formalities.

20. CRUISES

River and Ocean Cruise vessels enforce the highest standards of cleaning and sanitation in order to prevent the spread of viruses and illness. If you experience any gastrointestinal symptoms whilst on board, you may be confined to your cabin until your symptoms are clear. This action is to protect all passengers on board and contain the spread of any virus.

In most cases, prior to boarding, you will be asked by the cruise operator/carrier to complete a medical form confirming you are not ill or have not been ill prior to boarding the vessel. You must answer these questions truthfully. If you have experienced any gastrointestinal symptoms prior to boarding your vessel, we on behalf of the cruise operator/carrier reserve the right to ask passengers to produce medical evidence of fitness to travel this may include the submission of any required medical certificates. In the interests of passenger safety we reserve the right to refuse boarding at our discretion. In such circumstances passengers will not be entitled to claim compensation or a refund.

In some ports, it may be necessary for the river or cruise vessel to anchor offshore rather than alongside. When this is the case, the cruise line will use a tender to take passengers ashore. A tender is a small vessel and may not be suitable for persons with disabilities or reduced mobility or balance problems. It is important that passengers are able to use the tender safely. Passengers may be required to descend to a platform or pontoon and into the tender and passengers may need to navigate a gap between the platform and the tender. Depending on weather, tide and sea conditions, there may be some movement and passengers must be fit and mobile enough to access and disembark the tender.

If passengers have impaired mobility, or use a mobility aid such as a stick, then they must carefully consider their ability to embark the tender safely. Wheelchairs and mobility equipment will not be carried by the crew or Holiday Director and all passengers must be independently mobile enough to use the tenders. Ultimately, carriage by tender may be refused by the Captain of the river or cruise vessel or any of his officers if there is any doubt as to the safety of any passengers.

21. CONDITIONS OF SUPPLIERS

Many of the services which make up your holiday are provided by independent suppliers. Those suppliers provide these services in accordance with their own terms and conditions which will form part of your contract with us. Some of these terms and conditions may limit or exclude the supplier's liability to you, usually in accordance with applicable International Conventions. Copies of the relevant parts of these terms and conditions are available on request from ourselves or the supplier concerned.

22. ASSISTANCE IN RESORT

If, whilst you are on holiday, you find yourself in difficulty for any reason, we will offer you such assistance as is appropriate in the circumstances. In particular, we will provide you with appropriate information on health services, local authorities and consular assistance, and assistance with distance communications and finding alternative travel arrangements. Where you require assistance which is not owing to any failure by us, our employees or sub-contractors, we will not be liable for the costs of any alternative travel arrangements or other such assistance you require. Any supplier, airline or other transport supplier may however pay for or provide refreshments and/or appropriate accommodation and you should make a claim directly to them. Subject to the other terms of these Booking Conditions, we will not be liable for any costs, fees or charges you incur in the above circumstances, if you fail to obtain our prior authorisation before making your own travel arrangements. Furthermore, we reserve the right to charge you a fee for its assistance in the event that the difficulty is caused intentionally by you or a member of your party, or otherwise through your or your party's negligence.

23. DELAYS, MISSED TRANSPORT ARRANGEMENTS AND OTHER TRAVEL INFORMATION

If you miss your flight or other transport arrangement, it is cancelled or you are subject to a delay of over 3 hours for any reason, you must contact us and the airline or other transport supplier concerned immediately. Under EU Law, you have rights in some circumstances to refunds and/or compensation from the airline in cases of denied boarding, cancellation or delay to flights with a European airline or flights operating from a European airport. Full details of these rights will be publicised at EU airports and will also be available from airlines. If the airline does not comply with these rules you should complain to the Civil Aviation Authority at www.caa.co.uk/passengers. Reimbursement in such cases is the responsibility of the airline and will not automatically entitle you to a refund of your holiday price from us. If your holiday arrangements include a flight and, for any reason, you do not claim against the airline and make a claim for compensation from us, you must, at the time of payment of any compensation to you, make a complete assignment to us of the rights you have against the airline in relation to the claim that gives rise to that compensation payment. A delay or cancellation to your flight does not automatically entitle you to cancel any other arrangements even where those arrangements have been made in conjunction with your flight inclusive holiday.

We cannot accept liability for any delay which is due to any of the reasons set out in clause 10 of these Booking

Conditions (which includes the behaviour of any passenger(s) on any flight who, for example, fails to check in or board on time).

The carrier(s), flight timings and types of aircraft shown in this brochure or on our website and detailed on your confirmation invoice are for guidance only and are subject to alteration and confirmation. We shall inform you of the identity of the actual carrier(s) as soon as we become aware of it. The latest flight timings will be shown on your final documentation which will be despatched to you approximately two weeks before departure. You should check your tickets very carefully immediately on receipt to ensure you have the correct flight times. If flight times change after tickets have been dispatched we will contact you as soon as we can to let you know.

Please note the existence of a "Community List" (available for inspection at https://transport.ec.europa.eu/transport-themes/eu-air-safety-list_en detailing air carriers that are subject to an operating ban with the EU Community.
