Tie the knot with TUI

Congratulations – with every page you turn in this brochure, you're one step closer to your dream destination wedding. Here are five reasons why you should choose a TUI wedding.

You're in expert hands

TUI has been organising weddings abroad for almost two decades, so you know your wedding is in the hands of experts.

The right price

Our weddings abroad are affordable. Of course, if you want a blow-the-budget big day, we can help with that, too.

Always there

We know you won't be keeping to work-day hours when it comes to daydreaming about your wedding, so you can get in touch with our specialist team seven days a week.

Tailored to you

Every couple is different. That's why we offer ceremonies in more than 170 venues across 15 countries, plus a whole load of extras you can add on, so you can find your perfect-fit wedding day. Just so you know, this brochure only shows a snapshot of what we have to offer.

Peace of mind

All our weddings come with the armour of ATOL protection from a leading tour operator, which means your money's protected.

Your big day your way

We know that when it comes to weddings, one size doesn't fit all. Whatever kind of celebration you have in mind, we've got you covered...

Legal weddings

Lots of our weddings abroad are also legally recognised in the UK – they don't have to take place in a church, you just need a registrar to perform the ceremony.

Religious venues

You can get married in certain churches and chapels. In Cyprus, you can have a symbolic wedding or a legal ceremony in an Anglican Church.

Symbolic weddings

Symbolic ceremonies remove all the paperwork – you can legally marry in the UK before you go and hold your perfect ceremony abroad.

Unique venues

You're not limited to a hotel ceremony. You can pick from other venues, too, like historic buildings, museum grounds, manicured gardens or a luxury yacht.

Renewal of vows

Whether it's your first anniversary or you tied the knot years ago, there's never a bad time to relive your big day.

Renew your vows on a cruise

If you fancy celebrating your vows on the high seas, you can pick between three special packages – Silver, Gold and Platinum – while on one of our Marella Cruises sailings.

Beach weddings

Smudging footprints in the sand and having your veil carried by the sea breeze – the stuff of beach wedding daydreams.

Winter weddings

Winter weddings don't have to be defined by rainy days and nippy nights – lots of our warmer destinations offer weddings throughout winter. You can pick from Cyprus, Greece, Mexico, Jamaica, Tenerife, Egypt and the Dominican Republic.

Same-sex weddings

From beachfront settings in Mexico to hillside restaurants in Ibiza, we've lined up some beautiful venues for same-sex ceremonies and blessings.

Croatia

Legal Symbolic

Make sure your wedding album's a showstopper with UNESCO-ticked backdrops in Croatia.

Tenerife

Symbolic

Swap the aisle for a sandy shore or tie the knot in front of a volcanic landscape with a Tenerife wedding.

Ibiza

Symbolic

Raise a toast to your big day with the White Isle's world-famous sunsets as your backdrop.

Greece

Legal Symbolic

There's plenty of choice when it comes to weddings in Greece – pick from go-slow Halkidiki to wedding photo-ready Rhodes.

Cyprus

Symbolic

As the birthplace of Aphrodite – Greek mythology's goddess of love – Cyprus is a top choice for destination weddings.

Mexico

Legal Symbolic

Mexico is the land of tequila and mariachi bands, so wedding parties here are bound to be big celebrations.

Dominican Republic

Symbolic

Coconut trees provide shade, and the sound of the waves provides the soundtrack to your big day in the Dominican Republic.

NEW Italy

Legal Symbolic

Pick between Sorrento, the Amalfi Coast and Lake Garda.

NEW Mauritius

Symbolic

White sandy aisles with an Indian Ocean backdrop.

Wedding planning timeline

We've put together a handy timeline to help you understand the logistics of getting your day booked, and what happens when...

The ring's on your finger

Starting to think about your dream wedding? You can call our specialist Weddings team on **0203 451 2688***, or book an appointment at your local **TUI Store** for advice and inspiration.

2 years to 18 months to go

We have weddings on sale up to two years in advance. You can make an appointment at your local TUI Store, to see the new season's launch.

If you have your heart set on a wedding in Greece or Cyprus, around this time, you can book your wedding and get instant confirmation. If one of our other destinations takes your fancy, they might not have their wedding seasons finalised yet, so you may need to wait a little longer to confirm a date. You can still start planning though.

18 months to 1 year to go

If you haven't already, now's the time to confirm and book the venue – this should be available across all our destinations now.

All you have to do is get in touch with us and we'll book your holiday for you, then add on the wedding package and run you through your contract. Depending on which destination you choose, we'll either be able to confirm your date instantly, or it can take up to 16 weeks.

Now it's time to let your guests know – send out your save the dates and get your guests to book their holidays with TUI. It's important that their bookings are linked to your wedding booking so we can treat you as one large group – they can call the Weddings team or, if they've booked in a TUI Store, their Travel Advisor can do this for them.

And relax... it's too early to finalise details with your wedding coordinator, so you can wait to hear from them in a few months.

6 months to go

Now it's time to get all the paperwork sorted. If you're having a legal ceremony, you'll get a checklist of documents in your information pack which will talk you through everything you need to do. Photocopies of the documents will need to be sent to the Weddings team at least 12 weeks before your wedding.

3 months to go

Between two to three months before the event, you should hear from your wedding coordinator in destination. They'll want to discuss some of the finer details with you.

1 month to go

It's getting close to the big day, so you can start packing your bags and get ready to go. All brides and grooms on a TUI flight get 25kg of luggage each.

This is also a good time to double-check all your paperwork is complete and to organise hotel day passes for any guests that aren't staying in the same hotel as you.

You've arrived

You're finally there – now's the time to meet with your wedding coordinator and run through all the details of your big day.

The wedding day

All the planning has led to this big day – relax, and enjoy the celebration with all your friends and family, your wedding coordinator will be on hand all day to ensure everything runs smoothly.

Don't forget to book any extras...

Your wedding coordinator will call you a few months before your wedding to arrange any finishing touches like photos and videos, flowers and decor, music, a cake and hair and make-up. If you want wedding favours or any decorations, you'll need to organise and bring these yourself.

Want to make your trip extra special? You can upgrade your flight and toast with a glass of champagne and a box of chocolates. If you're staying for your honeymoon, you might want to upgrade your room, too.

Your questions answered

To help you start planning your big day, we've answered some of the most frequently asked questions about booking a wedding abroad.

Q. How many destinations can I choose from and does this brochure include all of them?

A. The weddings you'll find in this brochure are just a snapshot of what we offer. You can choose between 15 wedding destinations, from Greece and Italy, to Mexico and Barbados.

Q. How does the booking process work?

A. Our expert team will book your holiday for you, and then add on your chosen wedding package. Your guests' bookings can be made separately, but all your party's bookings need to be linked. Your guests can do this by calling the Weddings team, or if they book in a TUI Store their Travel Advisor can do this for them.

Q. How much should I expect to pay when it comes to my wedding package deposit?

A. It really depends on the destination and venue. A deposit can range from anywhere between £150 and 50% of the entire wedding package cost.

Q. What's the latest/earliest we can book a wedding?

A. We recommend booking your wedding at least six months in advance, to give you time to arrange all the legal bits. In destinations like Mexico or Cyprus, you can book as late as three months before. And, for those who like a lot of planning time, you can book right up until October 2026.

Q. How long does it take to get a date confirmed?

A. For the majority of our venues in Greece and Cyprus, we're able to confirm your date at the time of booking. For all other destinations, it can take between eight and 16 weeks to get a date confirmed. Your wedding coordinator will sort this out for you.

Q. What documents do we need?

A. If you've booked a legal wedding, you'll need to send us photocopies of all completed documents at least 12 weeks before your wedding, and you'll need to take the originals with you – don't worry, you'll be given an information pack which will cover everything.

Q. When will I hear from you after I've booked?

A. After you've booked – unless you contact us to ask any questions – you won't hear from us until a few months before your wedding. Your in-resort wedding coordinator will reach out to sort any details, including booking make-up artists, hairstylists and meals in your hotel.

Q. When will I get my marriage certificate?

A. Usually, you'll get your marriage certificate while you're away. Sometimes, it'll be sent to you once you get home.

Q. What will our luggage allowance be?

A. All brides and grooms on a TUI flight get a 25kg luggage allowance each.

Q. Can we travel under our married names?

A. You must travel under the name on your passport. If you're changing your name, you can have your passport amended when you're back home.

Q. Are discounts available for large group bookings?

A. There is a guest discount available when you book in a TUI Store.

Q. Do our guests have to stay in the same hotel as us?

A. It depends on the hotel. Some properties offer day passes for guests who aren't staying at the hotel, while others will ask that a certain number of your wedding guests stay at the same place as you.

Q. Can we stay in one hotel and get married in a different hotel?

A. No – however you can get married at a venue outside of the hotel. Flick through this brochure to see our selection of churches, restaurants and scenic settings.

Royalton

Luxury Resorts

Royalton specialises in happy ever afters

The combination of porcelain beaches and manicured gardens make for picture-perfect ceremonies at the **Royalton Luxury Resorts**. What's more, there are finishing touches to add, including late-night food stations and romantic sunset dinners on the sands. There are hotels sprinkled around the Dominican Republic, Jamaica and Mexico designed for all types of weddings, including small and intimate affairs, big parties, events for the whole family or adults-only celebrations at the Hideaway Royalton hotels.

Royalton Punta Cana, Dominican Republic

You've got the option of not one, but three wedding gazebos when you marry at Royalton Punta Cana. Your big day can unfold within tropical gardens, on an aisle of wedding-dress white sand or at the centre of a beautiful, open-air plaza.

You can follow your vows with gourmet dining and free-flowing bubbly in one of the hotel's restaurants. With a terrace dining set-up, a row of palms will be the only thing separating your party from the ocean.

Royalton Blue Waters & Royalton Negril, Jamaica

If you've got your heart set on a Jamaican wedding, there's the Royalton Blue Waters and the Royalton Negril to choose from.

At Royalton Blue Waters, bamboo canopies and flower-decorated arches set the scene for ceremonies. It's nestled on the shores of Montego Bay, so you can make your first toast with the Caribbean Sea as your backdrop. At Royalton Negril, meanwhile, you can walk down the aisle on a shimmering, seven-mile-long beach.

Royalton Splash Riviera Cancun, Mexico

This hotel comes with a trio of ceremony locations to choose from. You can turn the sand into your aisle with a barefoot beach ceremony, or admire the sea views from above on the Grazier Ocean View Terrace. If you really want to make the most of the panoramic sea views, you can pick the Sky Terrace.

If that's not enough choice, there are three other Royaltons in Mexico dotted along the east coast. The Hideaway at Royalton Riviera Cancun is for adults-only events and the Royalton Riviera Cancun and Royalton Chic Cancun offer beachfront ceremonies.

Make it count in 2025

Did you know that you can make a difference through the love of travel? Every time you book a holiday with us, you have the chance to make your money go the extra mile, while experiencing the gift of giving along the way.

The how is easy – simply donate to the TUI Care Foundation when you reserve your next holiday.

With 50 projects in over 25 countries, this independent Foundation builds on the positive power of tourism to drive change and create lasting impact in holiday destinations around the world.

That means every penny you give helps to look after the environment and improve the lives of people living in global travel destinations.

So how far can your gift of giving go?

When you give, your impact is felt right the way around the world. It makes great work possible in Cape Verde, where organisations in resort are working to protect endangered sea turtles. And in Jamaica, too, where hundreds of students are becoming eco champions as part of the TUI Junior Academy. Wherever you travel to, your support brings positive change.

Working together

The good news is there's more than one way to join forces with the TUI Care Foundation. You can pledge whatever you like at tuicarefoundation.com. Plus, when you're booking a TUI holiday, keep an eye out for the 'Adopt a Tree' and 'Adopt a Turtle' check boxes on the 'Customise your Holiday' page.

Your donation will go directly to projects that help our planet to thrive.

Spain

Weddings in Spain have everything from sangria and tapas to sunset-filled skies and black sandy aisles.

GIVE OUR WEDDINGS TEAM A CALL ON 0203 451 2688*, VISIT US ONLINE AT TUI.CO.UK OR POP INTO YOUR LOCAL TUI STORE.

All ceremonies here are blessings, which means if you'd like to be legally married, you'll need to get married back in Blighty before or after your big day.

STUNNING SETTINGS

Ibiza's well known for its party scene, but there's plenty more to this place than the bars and clubs that have a habit for pulling all-nighters. Looks-wise, there's no clear front runner amongst the Balearic Islands, but when it comes to sunsets, it's clear Ibiza takes the crown. They make for an unbeatable backdrop for your wedding photos, with Champagne toasts and pictures of your party set against a stunning skyline.

HONEYMOON HIGH

Another Spanish island with backdrops of a wedding photographer's dream is Tenerife – the biggest of the Canary Islands. You can swap the aisle for black sand or tie the knot in front of

a volcanic landscape. And, when the weddings over, you can kick-start your adventure-packed honeymoon straight away. You've got national parks galore, where you can hike hand-in-hand, and romantic stargazing tours under some of the clearest skies in the world.

Italy

Terracotta-topped towns, coastal clifftops, or a hotel's flower-filled garden – they're all the cards when it comes to picking the place for you tie the knot in Italy.

GIVE OUR WEDDINGS TEAM A CALL ON 0203 451 2688*, VISIT US ONLINE AT TUI.CO.UK OR POP INTO YOUR LOCAL TUI STORE.

SIGHTSEEING IN SORRENTO

Sorrento's got plenty up its sleeve when it comes to sightseeing, so be sure to plan in a day out for before or after your big day. Start off in the old town, where car-free cobblestone lanes come with cutesy cafés and shops selling souvenirs from local artisans. Nearby Piazza Tasso should be next on your list – the city's bar-and-restaurant-lined square's perfect for people-watching during a pasta lunch. Finish up with a trip to Marina Grande – you can catch a shuttle bus from the square, but the vistas from the stone staircase that lead down to it are well worth the walk.

AMALFI COAST, ITALY

When it comes to your wedding day, the Amalfi Coast has got things more than covered in the looks department. It sweeps its way along Italy's south coast and comes dotted with pint-sized beaches, pastel-coloured buildings and lemon-grove-clad cliffs. Venue-wise, you can choose between cutesy town halls or coastal villas.

A CHOICE OF LOCAL VENUES

Just so you know, we don't hold our Italian weddings in hotels. Instead, you've got your pick of beautiful local venues to tie the knot in, like museums, historic sites and ornate town halls. They're all paired with a separate venue for your wedding reception.

LOVE IN LAKE GARDA

From summer 2026, you'll also be able to marry in Lake Garda. Take your pick from historic local buildings and dramatic castles to tie the knot in. On the northern shores of the lake, you'll be treated to mountainous vistas, hillside villages and harbour towns, while the flatter landscapes of the south tick off vineyards, pebbly beaches and lemon groves.

Cloisters of San Francesco was made for fairytale weddings. A quiet courtyard hidden within the walls of a Medieval monastery, it has an intimate feel. The acoustics are excellent, as well – this place is often used as a venue for classical concerts, so it's ideal if you want to add an element of music to your special day. As for the setting, it's framed by Gothic arches and stone pillars, with trailing vines and fragrant plants along every wall. You'll say your vows beneath the open sky, with the Sorrento sun shining down on you. Then, your guests can throw rose petals as you walk under the arches and out into the public gardens. You can also say your vows in the gardens, where you'll have hundred-year-old trees and colourful flowers as your backdrop. After the ceremony, head to the cliff-top terrace for photos. It comes with knockout views of the sea, the quaint harbour and the mighty Mount Vesuvius in the distance.

Later, move to the surrounding parkland to pose for the camera and complete your wedding album under the shade of the trees. If you're after an authentic soundtrack for your big day, you can add a traditional mandolin or guitar performance. If you want to arrive at Villa Fondi in style, meanwhile, you can choose between pulling up in a vintage car or a horse-drawn carriage. Torri del Benaco Castle

- Historic castle setting
- Choice of ceremony locations
- Lemon grove photos

Dating back to the 13th century, this medieval castle is the ultimate in fairytale venues. Battlement walls, exposed stonework and a sky-high tower make up the exteriors, and you can choose from three spots to make your promises. Firstly, there's the ceremony room. It's really rustic, with stone walls, white linen and candlelight setting the scene. Alternatively, you can opt to say your vows among lemon groves in the Italian sunshine, or up in the castle tower, looking out over the lake and surrounding mountains. If you want to add a musical element to your special day, the violin is a popular choice, as it's in keeping with the traditional vibe of the castle. When it comes to photos, meanwhile, not only have you got romantic spots all around the castle to capture, but the surroundings are incredible – this place puts the lake and the mountains to one side of you, and olive groves and vineyards to the other.

Malcesine Captain's Palace, Lake Garda

Melcesine Captain's Palace

- Castle setting

You can't get a more regal wedding venue than a palace. A winding cobbled street leads you up to the entrance, and there's a lake right in front of it as well as a small garden. Weddings are held in the upstairs hall – it's a large frescoed room with windows looking out over the water. For your wedding photos, head out onto the small balcony, where you'll have the lake as your backdrop.

Croatia

If you want your wedding album to run rings around everyone else's, marry in Croatia.

GIVE OUR WEDDINGS TEAM A CALL ON 0203 451 2688*, VISIT US ONLINE AT TUI.CO.UK OR POP INTO YOUR LOCAL TUI STORE.

Weddings in Croatia are a little less ordinary. The country is only just starting to surface as a place to tie the knot. As such, wedding albums made here can be as individual as a signature.

HISTORIC SETTINGS

When you make your promises in Porec, UNESCO-certified sights squeeze into your wedding scenes. Meanwhile, over in Rovinj, your wedding day backdrop can take the shape of a pretty harbour where fishing boats bob.

TRADITIONAL TOUCHES

Our Croatian weddings take place in historic town halls, each one paired with a different reception venue. Plus, you can customise your wedding with Croatian traditions, like taking your first dance to the sound of traditional tamburica folk music, played on strings. Or, lift a glass of plummy rakija brandy to make your toasts.

BACK TO NATURE

Croatia and honeymoons go hand in hand as well. The thousand-plus islands that pepper the country's coastline were made for escaping. And you can also drop off the grid in Croatia's national parks. In places like Krka National Park, fir trees and waterfalls will be the only company you'll keep outside of one another.

Town Hall, Pula, Croatia

Porec Town Hall

- Historical setting
- Plenty of photo opportunities
- Harbourfront restaurants nearby

The Istrian Riviera is making a name for itself as the new Tuscany. And Porec is right in the centre of it. The town hall itself is in the heart of the old town, less than a minute's walk from the UNESCO World Heritage Euphrasian Basilica. The 16th-century bell tower and spire of this building make a memorable backdrop for wedding photographs, as does the harbour, which is a minute's walk in the opposite direction. Fishing and pleasure boats bob in the moorings here, and there's a pretty waterside promenade that's colonnaded with red-roofed houses and Roman-style villas. Porec's a great place for wedding breakfasts, too. There are lots of special places on the waterfront. Some offer a white table and candlelight experience, others serve hearty home-cooked food in rustic surroundings.

Pula Town Hall

- 9th-century venue
- Historical photo backdrops
- Pretty beach nearby

Choose Pula Town Hall as your wedding venue, and you'll make your promises in the centre of Forum Square, the historical heart of the area. The building itself began life as an ancient Roman temple, and only started being used as the city hall from the 9th century. Since then, it's undergone several reconstructions, and now showcases Gothic, Renaissance and Baroque architectural styles. Once you've made your promises, you'll head outside for photographs. Choose to have the cobbled square as your backdrop, or wander down to the beach where the azure Adriatic Sea sets the scene. Afterwards, you'll make your way to a local restaurant to clink glasses and toast to the future. For an authentic touch to your wedding breakfast, opt for a Croatian musician playing the traditional sopila.

CRETE

Crete is the biggest Greek island, with a variety of settings for your big day and loads of things to do when the ceremony's done and dusted. Photographs on cotton-white sand and a wedding breakfast that serves up an A to Z of traditional Greek dishes are part and parcel of a wedding here.

CORFU

Wedding photographers can work some serious magic here. Corfu's known as the Emerald Isle due to its olive groves and flowers, so expect your photo album to be splashed with vibrant shades of lime, avocado and jade. Plus, Corfu Town has winding streets, interlaced with pretty churches and art museums.

HALKIDIKI

Halkidiki offers up all the Greek stereotypes – picturesque fishing villages, crumbling ruins and monasteries set high in the hills. A go-slow atmosphere means a wedding here is a laid-back one, too, from saying your vows to cutting the cake, all to the soft sound of the ocean waves.

RHODES

Rhodes' old town is a UNESCO World Heritage Site, and one of the finest still-standing Medieval citadels. Rhodes also has the best sunshine record of all the islands – great if you want to marry al fresco. Weddings here are made of photographs against historic monuments and dinners in rustic restaurants.

ZANTE

From pristine beaches to plunging valleys – with its head-turning scenery, Zante is the perfect territory for a wedding. Some of the venues here come with outside terraces, while others are nestled between olive groves and the Ionian Sea. The good looks are only added to by infinity swimming pools, garden-view balconies and vivid backdrops of Greek pine forests.

Kalitheia Springs

- Clifftop location
- Venue shrouded in legend
- Aegean Sea backdrop

Save a seat for Apollo, the Greek god of healing, when you tie the knot at the Kalitheia Spa. The clifftop where you'll say your vows is infused with spring waters which have been known for their healing properties since ancient times. Your ceremony will usually take place in the Spa Dome, with the Mediterranean sun flooding in through the open port holes and traditional arches of the whitewashed walls. After you've made your promises, you can head outside to have your photographs taken with the sea in the background. Kalitheia has a reputation for being one of the best-looking places in Rhodes, so chances are you won't want to stray far from the town for your reception. And, because the majority of local tavernas are well-practised when it comes to wedding breakfasts, you won't have to. Some eateries even offer Champagne cruises from the spa to their venues. Have a word with your Weddings Advisor and they'll help you arrange everything.

Kavourakia

- Wedding cake for 20 people
- Sparkling wine for couple

The ceremony here takes place by the beach, overlooking the Mediterranean Sea. Chairs and tables come as the standard set-up, but if you want an arch to exchange your vows under, just let us know when you book. After the ceremony, you'll make your way to the restaurant for the evening reception. Everything's laid out on a grassy area under a pergola, so you can enjoy your event in private. As the sun goes down and the music starts, you can hit the dancefloor – it can be placed at the front or by the side of the pergola and can host entertainment like Greek performers. There's an outdoor bar on hand for drinks, and little ones have a playground to let loose in.

FLYING TIME

4 hrs 30 mins

It's thought the immortal temptress enjoyed secret forest trysts here with a string of ancient gods, like Ares and Adonis. Fast forward a bit, and the Roman general, Mark Antony, is said to have skipped the jewellery and presented the island to Cleopatra as a token of his love and affection. And with all that romance, it's no wonder Cyprus is a popular choice for a destination wedding.

PAPHOS

The Paphos region lines up loads of wedding-worthy scenery, from Blue Flag beaches to forest-cloaked hills. You can tie the knot in venues like town halls, quaint churches and seafront hotels. And once the ceremony's over, there's loads to explore here, like the temples and forts in the history-drenched old town.

LARNACA

The Larnaca region is home to the neon-lit town of Ayia Napa, so people really know how to throw parties around here. That's not all Larnaca has to offer, though. Peaceful beaches and sprawling countryside are in plentiful supply. As for wedding venues, you can pick from beachfront hotels and historic chapels.

St Paul's Pillar (Ayia Kyriaki Church)

- Beautiful Church
- Historic and religious traditional location
- Organ music for ceremony

You'll have history at your fingertips if you get married in this pretty church. Dating back to the 12th-century, it stands among the ruins of St. Paul's Pillar, close to Paphos harbour. All crumbled columns, the ruins were once a Roman forum and contain a pillar where it's believed St. Paul was lashed for preaching Christianity. The church itself is really magical. Built in pale stone, it's hung with icons and shining chandeliers, so the inside feels very sacred. And, like with a church in England, you can choose to have organ music playing, with the notes echoing around the walls. What's more, there's room for 180 people inside and the stonework keeps the interior refreshingly cool on hot days. After the ceremony, you'll walk out through the wooden doorway into the sunshine. The views from here are magnificent, with the Roman relics and colonnades stretching before you. With the church in the background, it all makes a really atmospheric setting for photographs.

Vasilias Nikoklis venue

- 100-year-old Cypriot inn
- Courtyard or garden ceremonies
- Dine under a vine-draped pergola

Vasilias Nikoklis fits the bill for an intimate and romantic wedding day. It's a traditional, family-owned inn close to the village of Nikoklia, just outside Paphos. The 100-year-old property is set on the banks of the Dhiarizos River, with views towards the sea in one direction, and the Troodos Mountains in the other. Ceremonies take place in a courtyard filled with flowering jasmine and bougainvillea, or in a eucalyptus garden for bigger parties. Guests will perch on decorated wooden chairs as you enter through a beautiful old arch and walk up a red-carpet aisle to your other half. Post-ceremony drinks are served in the rustic winter tavern, which features beamed ceilings, exposed stone walls and an old fireplace. You'll then move out to the terrace, where tables dressed in crisp white linen are set up beneath a grapevine-draped pergola. After a home-cooked Cypriot meal, the evening is spent on the poolside terrace, which will be decorated with twinkling lanterns.

Peyia Town Hall

- Take your vows in a rustic courtyard setting surrounded by trees and bougainvillea
- Lots of photo opportunities in the grounds of the town hall
- Head to the Town Hall in a decorated car on the wedding day

If you like the idea of an open-air ceremony, Peyia Town Hall is perfect. Set in the rustic village of Peyia, close to Coral Bay, it stages its weddings in a sunken, paved courtyard set in the middle of lush gardens. The whole place is dotted with old trees and enclosed by stone walls draped in greenery and bougainvillea. You'll find the old village spring here, too, which gives the grounds a really timeless feel. The bride will enter down a grand stone stairway, with either 'Here Comes the Bride' or your favourite piece of music playing. Then, you'll exchange your vows under a decorated wooden gazebo in the courtyard. As you're outdoors, there's plenty of room for large groups of guests. Plus, the courtyard provides a really romantic backdrop for your photos. Pose in the sunshine on the steps, in the shade of the trees or in front of the picturesque spring.

Paphos Town Hall

- Beautiful Neoclassical building
- Tucked away in gardens
- Set in the heart of the old town

This place is all about traditional elegance. Cue a neoclassical building flanked by a beautiful porch. It's set back from the road, with a wide pathway leading through tall pines and manicured gardens, giving it a real air of seclusion. That said, it's actually in a really convenient spot in the heart of the old town, so it's great if you've got guests coming along. You've got two rooms to choose from for the ceremony itself – a large one with statement double doors and a smaller, more intimate venue that fits up to 20 people. Both are kitted out with dark wooden chairs, elegant chandeliers and leather-topped tables, giving them a really smart feel. Outside, meanwhile, grand columns provide the backdrop for your first photographs. And you'll find plenty more snap-worthy spots in the gardens.

When you choose to tie the knot here you'll say your vows in a freshly-renovated room, decorated with pretty floral displays. And you can turn down the lights and say 'I do' under the flattering flickers of candle light. After the ceremony, you can enjoy your wedding reception in one of Paralimni's restaurants or tavernas. Your wedding coordinator will know the best ones, and they'll be happy to help you make your choice when you arrive in resort. Turkey

With a stretch of more than 8,000 kilometres and shores on the edge of four different seas, Turkey counts its coastline as one of its best features.

GIVE OUR WEDDINGS TEAM A CALL ON 0203 451 2688*, VISIT US ONLINE AT TUI.CO.UK OR POP INTO YOUR LOCAL TUI STORE.

Our wedding venues spread themselves out along the country's photo-ready shores from Izmir on the west to the areas of Dalaman and Antalya on its southwest stretch.

DALAMAN

Dalaman delivers on world-class beaches in spade loads – the town of Fethiye's famous for its silk-soft sands and its buzzing old town. Meanwhile, over in slowed-down Sarigerme a seven-kilometre stretch of shallow-and-sandy beaches are a big hit for wedding parties with mini wedding guests in toe.

ANTALYA

Antalya forms part of Turkey's southwest coastal stretch known as the Turkish Riviera. It gets its name thanks to the turquoise waters that sit on its shores and the pretty villages and towns that pepper the land close by. The coast stretches for more than 400 miles, giving you plenty of room to take some time for two after the big day.

IZMIR

Turkey's third-largest city cosies up to the Aegean Sea on Turkey's west coast. The town of Kusadasi's the big name when it comes to holidays here – it's got more beaches than days of the week and an old town that's struck a perfect blend between old and new. Ephesus' well worth a visit, too – the ancient city's only a 30-minute drive away.

Cleopatra and Mark Anthony – one of Egypt's greatest love stories – is one that even Shakespeare couldn't resist writing about. Why not write your own love story by exchanging vows along the sand-smothered shoreline. Just so you know, all ceremonies here are symbolic, so the legal part will need to be done in the UK before you travel.

SHARM EL SHEIKH CEREMONIES

Feel like an Egyptian god or goddess as you walk barefoot along the sand with the Red Sea right in front of you. And, with a 35-kilometre-long shoreline, Sharm El Sheikh gives you plenty of sandy aisles to choose from. If a beach backdrop isn't for you, you can swap it out for the rolling dunes of the desert.

HURGHADA HONEYMOONS

Have a laidback ceremony in a private garden or on a terrace with panoramic views of the Red Sea setting the scene. Then, dial the tempo right up with an action-packed honeymoon full of snorkelling, desert quad biking and sandboarding.

In Mexico, the wedding party is exactly that. It's a big celebration. This is the country where you can smash a piñata at the wedding breakfast, make toasts with tequila, and have your first dance to a live Mariachi band.

CANCUN CELEBRATIONS

Mexico's Caribbean Coast is the perfect pick for your big day. It's home to Cancun, where you'll find a beach that's as shiny as your engagement ring – the sand's made up from fossil fragments that sparkle when they catch the sun. In fact, there are 22 kilometres of beach here in total, so you're not short of scenic spots to say "I do".

ROMANCE ALONG THE RIVIERA MAYA

Further south, there's the Riviera Maya, where five-star hotels nuzzle up to silky beaches. These are the places where you can walk down an aisle of tiki torches before saying your vows on the sand. You've got adventure on your doorstep, too, thanks to a landscape of jungles, cenotes and underwater caves.

NOTEWORTHY POST-NUPTIALS

Honeymoons in Mexico are filled with red letter moments. You can take speedboats out to desert islands, snorkel together in coral reefs, and hike rainforest trails. Plus, reminders of Mexico's past are never more than a daytrip away. Stand in the shadow of the colossal temples at Chichen Itza or navigate the ruins at seafront Tulum.

Jamaica

Wedding days are full-colour on this no-worries island.

GIVE OUR WEDDINGS TEAM A CALL ON 0203 451 2688*, VISIT US ONLINE AT TUI.CO.UK OR POP INTO YOUR LOCAL TUI STORE.

Jamaica has the biggest personality of all the Caribbean islands and, as a result, even white weddings are colourful here. After all, this is the country where you can get married on horseback in the grounds of a plantation, or in the space between the stories at an antiques museum. Most wedding ceremonies, though, take place on the beach. You can have a matter of metres between the hem of your wedding dress and the Caribbean Sea when you say your vows.

SPICED-UP RECEPTIONS

Wedding breakfasts are anything but pale in Jamaica. The 5-star hotels in this part of the world spin traditional dishes into nouvelle cuisine. Think along the lines of akee and salt fish fillets for appetisers and Jamaican steak for entrees. When it comes to the wedding cake, you can have tiers of sticky, boozy, fruit cake. Celebrations run through Jamaica's veins. Toast, re-toast, and nightcap your way through your post-nuptial party with the local rum.

HONEYMOONS TO REMEMBER

Jamaican honeymoons play out in high definition rather than soft cell. In Montego Bay, cliff jumpers divert your attention from the sunset at dusk. And Dunn's River Falls takes the 'im' from the front of 'possible', as you find out together how to climb a waterfall.

Tropical shores are ten-a-penny in the Dominican Republic. In fact, this is the country that practically put Caribbean beach weddings on the map. Ceremonies are simple in this part of the world, and usually play out under a pergola on porcelain sands, with coconut palms for shade and just the sound of the waves in the background.

BEAUTIFUL RECEPTIONS

Newlyweds can retreat to 5-star luxury once they've promised to have and to hold. Lots of weddings in the Dominican Republic take place on private beaches belonging to lavish seafront hotels. This makes for elegant receptions, with gourmet dining and flowing bottles of fizz.

TROPICAL SURROUNDINGS

The Dominican Republic is perfect for exploring as a twosome. The heart of the country is defined by vast jungle, which cocoons waterfalls, tropical blooms, and exotic wildlife – there are around 290 different species of bird alone here. Away from the rainforest interiors, you'll find villages painted in every colour of the rainbow. Make time to wander hand-in-hand through Santa Domingo, the nation's Colonial capital. It's 16th-century old quarter hasn't been touched by time.

FLYING TIME

Think Barbados, think beach wedding. This Caribbean island's got 92 kilometres of silky sand to shout about, and it's all accompanied by coconut-studded palm trees and glass-clear waters.

A YEAR-ROUND WEDDING DESTINATION

Barbados has got your wedding covered no matter what time of year you want to get married. You can have legal or symbolic ceremonies here, as well as vow renewals. It's a popular spot for a beachfront ceremony, plus the hotels here can cater for small weddings as well as big-scale affairs.

BEACHSIDE ROMANCE

You're certainly not short of a shore to say your vows on if you fancy tying the knot in Barbados. Hotels in St Lawrence and St James serve up weddings on ice-white sandy shores, complete with all the Caribbean trimmings. We're talking

island-produced rum, jaunty calypso music and fresh-from-the-net seafood.

HELLO HONEYMOON

One of the best things about getting married in Barbados is that your Caribbean honeymoon starts the very next day. The island's packed with things to see and do, with everything from watersports and scuba diving to tours of UNESCO-listed towns up for grabs. Or, if kicking back on the sand with a cocktail is more your vibe, take your pick from the island's best beaches – peaceful Maxwell, and swan-white Holetown Beach in St James, a few standouts.

The Maldives is known for its romantic scenes, so where better to tie the knot? Symbolic ceremonies here take away all the legal hassle, so all you have to do is pick the best hotel for your picture-perfect wedding.

WHITE WEDDINGS

The beaches are coated in sands as white as your wedding dress, and the Indian Ocean's turquoise waters shine a vibrant blue that you'll only find in the Maldives. Plus, lots of the hotels have their own private island, so you don't need to worry about crowds on your special day.

HONEYMOON-READY HOTELS

Honeymooners pick the Maldives year after year, and it's no wonder why. The archipelago's trademark stilted water villas mean you can spot sharks, rays and turtles from your room, and king-size beds usually come as standard. The dining scene consists of romantic candlelit dinners and exotic fruit-filled buffet spreads.

A-Z guide

We understand the small print is the last thing anyone wants to read. But we believe it's really important to be clear in the information we give you. This A-Z outlines to what extent we would be liable, if at all. If any part of this guide isn't valid or can't be enforced, the rest will still apply. Not everything here will apply to you but a lot of it will so you'll need to read this guide before you book. You'll also need to read Our Agreement With You and Your Agreement With Us. Together, they explain every aspect of your holiday. If you need information in another format, do contact our Assisted Travel team on 0800 145 6920.

In line with EU regulations, we need to let you know who you'll be flying with, as your holiday package flights may not be with TUI. You'll see which airline is included in your package as part of your booking journey, and we'll also let you know who the airline is when we send your tickets. If there are changes after that point, we'll tell you before you check in or at the boarding gate. When you come across anything to do with flights in this guide, we'll usually be talking about flights with TUI. So if you're flying with another airline, you'll need to check their conditions, too. From time to time, we need to change airlines or plane types but this isn't classed as a 'Major Change' to your holiday.

A

A La Carte The Select Your Seat benefit that comes with A La Carte holidays is only available if you're flying with TUI and you book at least 3 days in advance. Please note, A La Carte benefits will not be available if you're combining your stay in an A La Carte hotel with a tour, or a stay in another hotel. See **Transfers** for more information.

Accessibility Here at TUI, we want to make travelling as easy as possible. That's whether you or someone you're travelling with has access needs, reduced mobility or a disability, including non-visible ones, and neurodiversity. We know holiday planning can be stressful if you're relying on the hotel's accessibility details being available before booking. So, we've partnered with AccessAble to bring you Detailed Access Guides for our most popular hotels, so you can check if they meet your individual needs. You can view these at accessible.co.uk/tui.

Whether you book your holiday in one of our TUI Stores, or make your booking online, our friendly and knowledgeable Assisted Travel Team are on hand to make sure your holiday's right for you. Give the team a call for free on 0800 145 6920. If you're a British Sign Language (BSL) user, you can also contact us via SignLive. Or, for more on accessible holidays, head over to our assisted travel page at tui.co.uk.

Accuracy We published our latest brochures in October 2024. Our prices and information in those brochures were accurate on that date but they may have changed since then. We always check our properties regularly to make sure we're giving you accurate information and we'll tell you of any changes we know about when you book. If you've already booked, we'll tell you about any major changes we're aware of as soon as we can. Bear in mind public holidays and religious festivals affect whether or not facilities are available. Also, it may be the case some facilities aren't managed directly by the hotel and they could close without notice.

Adjacent Rooms These are two rooms next to each other and usually share some facilities, such as an entrance or a bathroom. They're available at selected accommodation and for a small supplement. The facilities can vary so check the individual hotel description. When you're booking, the room description will have ADJ next to it. Depending on where you're staying, you may need to book two rooms to get this room type. Please ask when you book.

Adult Properties These are hotels that cater really well for adults in terms of facilities and destination. They include our adults only TUI BLUE hotels, where the minimum age is 16, and our Exclusively for Adults ranges, where the minimum age is 16 or 18. You must not book children to stay at any of these hotels under any circumstances as bookings for children will not be accepted. If you see a Scene logo, it means the hotel is recommended for adults only. At least one member of your group needs to be 18 or over. Any members of your party who are under 18 will need to give us a letter of consent from their parent or legal guardian when booking. They'll need to take this letter with them when they travel, too.

For adults-only hotels in Mexico and the Dominican Republic, the minimum age accepted for all travelling on the booking is 18 years.

Advanced Passenger Information So that you can travel, it may be mandatory (as required by government authorities before or at the point(s) of departure and/or destination) to disclose and process your personal data for immigration, border control, security and anti-terrorism purposes, or any other purposes which they determine appropriate. Some countries will only permit travel if you provide your Advance Passenger Information or API (for example Caricom API Data and US Secure Flight Data) to the airline before your departure.

Some or all of the Caricom states have entered into an agreement with the USA whereby advance passenger data, required by and provided to Caricom states for border security purposes, will be passed to the USA Department for Homeland Security for processing on behalf of those Caricom states. Please see the Caricom website for more details.

The Transportation Security Administration (TSA) requires you to provide your full name, date of birth and gender for the purpose of watch list screening. You may also provide your Redress Number (as well as a Known Traveler Number), if available. Failure to provide details may result in denial of transport or denial of authority to enter the boarding area. TSA may share information you provide with law enforcement or intelligence agencies or others under its published system of records notice. Please see the TSA website for more details.

These requirements may differ depending on your destination and you are advised to check. Even if not mandatory, we may assist where appropriate.

You'll need your booking reference number, the lead passenger's surname and your date of departure to access the site.

Age Ranges No under-18s can travel on their own. For our hotels, 2 to 12-year-olds are classed as children unless we say otherwise. For self-catering properties and any type of property in Florida, it's 2 to 16 inclusive.

Air-conditioning This may depend on the time of year and be subject to hotelier discretion. Also, you may have to pay for it when you get there.

Airline Rules Charter airlines aren't allowed to carry certain nationals to and from their country of origin. This is due to licensing law restrictions with overseas aviation authorities. The current licensing laws, as of 15th November 2010, do not allow TUI Group airlines to carry nationals of the following countries on their operating routes – Brazil, Kenya, and Morocco. Some other restrictions also apply...

- Cuban nationals may travel to any international Cuban airport, except Cayo Largo and Cayo Coco, and must be travelling as part of an inclusive tour package.

- Indian and Turkish passport holders can only travel on inclusive tour package arrangements. Please check with your embassy or consulate before you book.

- If you're going to Goa, Kerala and Sri Lanka, on an Indian, Pakistani, Sri Lankan, Nepalese or Bangladeshi passport you can't fly on British charter flights. This travel restriction doesn't apply if you have a Pakistani, Sri Lankan, Nepalese or Bangladeshi passport but your spouse has a foreign – non-Indian – passport.

Airport Assistance See **Assisted Travel**.

Airport Hotels and Parking – UK The companies that provide the hotels and car parks will have their own terms of use which will also apply to you. We can get you a copy of these if you need one, just ask.

If you don't follow the instructions we give you, we may not be able to refund you any additional costs you're charged as a result. Any parking is at your own risk, so we ask that you don't keep any valuables in your car. You should be prepared to leave your keys with car park staff as this may be necessary. If you have a larger-than-average vehicle or a motorbike, please contact us to check that the car park can accommodate it without an additional charge. When you travel, take your booking confirmation with you as it contains instructions on what you need to do. If you have any problems on the day, please let the hotel or car park know so they can help you. If you don't let them know, we may not be able to help you later on. If you're parking and you arrive before the day and time shown on your confirmation, or stay later than planned, you may be charged for the extra parking at the car park's normal price. If you leave earlier than planned, we won't refund any of the charges you've paid.

You can amend or cancel any time up until a minute to midnight, the day before you arrive at the airport, free of charge. So, if you fly on the 2nd, you'd need to cancel by 23:59 on the 1st. If you cancel in time, you will be refunded what you've paid for the hotel and parking. If you don't cancel in time you will not be refunded any amounts paid for the hotel and parking and we will retain this as a cancellation charge.

Airport Lounges You can pay for UK airport lounge access after you've booked, subject to availability. You can do this via a TUI Holiday Store, Manage My Booking or by logging into your Customer Account.

Airport Service In most airports overseas, our Travel Experts aren't allowed past check-in or into the arrivals hall but we will have staff waiting to greet you outside the airport.

Alcohol During your flight with us, you can only drink the alcohol that our staff serve you.

All Inclusive Hotels You may need to wear a wristband or carry some ID to get the benefits of your package. For a full description of what's included, check the hotel description. Times for inclusive drinks, meals and snacks vary. Your All Inclusive package may not include bottled water, imported drinks, à la carte meals, or some speciality dishes. Some restaurants expect you to reserve a table and will be subject to availability. Not all bars and restaurants operate on an All Inclusive basis. Also, there may be cash bars once All Inclusive bars close. Bear in mind, under-18s won't be served alcohol.

You should also be aware that we, and the hotels, may confiscate wristbands and IDs from guests who abuse the All Inclusive benefits.

You may be charged for motorised sports, and there are time limits or age and experience restrictions on some of these activities. You may have to pay a deposit to hire equipment. Things like classes and beauty treatments may be included in the price but there'll be a limit on how many sessions you can take. Safety deposit boxes may not be included and you'll need to pay for things like telephone calls and excursions.

All Inclusive packages end when you check out of your room. In some cases you can pay to keep using the facilities. If there's a delay to your flight home and you have to spend extra time in the resort, any refreshments will be in line with the airline's instructions – not the board basis of your hotel.

One last thing, you may find timings will change for things like happy hours in bars and dining times.

Amenities Lots of things you come across in resort will be quite different to what you've come to expect at home, like roads, power and water, for instance. If there's a prolonged drought, it might interrupt water supplies. In summer, there's often more demand on water, which means the pressure can drop, disrupting water heaters. You may also find in some destinations you won't be able to flush toilet paper down the toilet.

Artist Impressions These, together with any computer-generated images, are there to give you an idea of how the property will look – they're not replicas of the finished building.

Assisted Travel If you or anyone you're travelling with has a disability, is less mobile, has a vision or hearing impairment, or is undergoing medical treatment and needs support, contact our Assisted Travel Team – their number is at the end of this guide. Our colleagues can advise you which holidays are more suitable and meet your requirements. Also, if you've got any medical or dietary needs, they will do their best to help.

Assisted Travel at the Airport Assistance teams will be on hand at the airport, once notified of the request for assistance.

Assistance is given at the designated points inside and outside terminal buildings. Assistance can include moving across various areas within the airport (e.g. check-in, toilet facilities and luggage hall). And you can be assisted to the aircraft as well as boarding it. You can highlight to the Assisted Travel Team what type of assistance, and in which part of the airport experience, is needed.

Assisted Travel on Your Flight If you or a member of your party has a disability, uses a mobility aid, can't walk, or has difficulty climbing stairs, you should notify us of your assistance needs before travel. You can do this by contacting our Assisted Travel Team. You are strongly advised to contact us at least 48 hours before your departure.

Assisted Travel on Transfers If you aren't able to use our coach transfers, we can arrange an adapted transfer, if you tell us in advance by contacting our Assisted Travel Team. See **Medical Conditions & Wheelchairs**.

B

BabyClub These are available at selected TUI BLUE and Sensori by TUI BLUE hotels, and selected properties with TUI Kids' Clubs. There is always a minimum of one NNEB, CACHE or equivalent qualified staff member present. Trained staff look after under-threes for two-hour sessions throughout the day. Sessions in BabyClub are at an additional charge and can be booked in advance. Bear in mind, wherever the BabyClub, if your child's ill, they won't be accepted in the club. Also, you'll need to supply your own nappies and prepared feeds.

We can't guarantee standards at BabyClubs that aren't run by us.

Baby Equipment If you're travelling to one of our selected TUI BLUE or Sensori by TUI BLUE hotels, or a Holiday Village resort, you can book a baby equipment pack, including highchair, changing mat, bottle warmer, steriliser, food blender, baby bath, stroller, playpen and UV sun tent. They are available to book before travel, or you can when in resort, subject to availability.

Balconies If the description refers to a French or Juliette balcony, this means that your room will have glass doors but you may not be able to go out onto the balcony as it'll be shallow in depth. If you're on the ground floor, you'll get a terrace instead of a balcony, even if it says 'BL' or 'balcony' on your booking confirmation. Health and safety restrictions mean some hotels or apartments may not put you on a high floor if you have small children. Even if you're on a low floor, make sure you never leave your children unattended on your balcony.

Banned Airlines To improve safety, the European Commission has banned some airlines from operating in European airspace. In line with EU directive (EC) no. 2111/2005, Article 9, we need to make you aware of the list of banned airlines. To view the list of airlines that are subject to an operating ban within the European Community, visit http://ec.europa.eu/transport/modes/air/safety/air-ban/search_en

Bars If a hotel has a bar, you may well hear some noise – even outside normal licensing hours.

Beaches Many of the beaches in our resorts have been awarded the Foundation for Environmental Education's Blue Flag. The programme awards beaches and marinas that meet its high standards of hygiene, cleanliness, safety and environmental management. For details, visit www.blueflag.org.

When you're on the beach, make sure you check any flag warning systems and take local conditions into account, particularly things like undercurrents and tides. You'll also need to supervise children at all times as most beaches won't have a lifeguard.

Some beaches in Mexico and the Caribbean may experience an increased level of seaweed from time to time. This is known as sargassum, and is a natural occurrence which can change on a daily basis influenced by weather patterns and sea currents. Hotels which are affected work hard to clear the seaweed so you can continue to enjoy the beach during your holiday. The situation can change day to day due to nature, wildlife and local laws.

You may find that public beaches are closed at certain times, particularly in low season. Beach closures are carried out by local authorities so are beyond our control. One more thing, you may need to pay to use some beaches, especially in Italy.

Building Work From time to time, building work is unavoidable, particularly where hotels are open all year round, and it can be noisy. If we're aware of any work, we'll let you know as soon as possible if we think it'll affect your holiday. This can be difficult as we don't control the work and we're not always told when it'll happen and how long it will last. But if we think it'll have a significant effect, you'll have the option of a refund or an alternative holiday, as outlined under 'Major changes to your holiday' in Our Agreement With You.

Bungalows If the description of your accommodation refers to a bungalow, this means that you may be located in an accommodation block within an annex building separate from the main building which may not necessarily be single storey or detached.

C

Car Hire

Some of our holidays offer the option to upgrade to car hire. You can upgrade to include car hire by selecting car hire as your transfer option at the point of booking your package holiday. If you choose to book car hire, this will be with Enterprise for the majority of Greek islands, Alfa Car Hire for Paxos, Reflections Travel for Meganisi, and Europcar for the rest of Europe. Your contract will be with them rather than us, so please make sure you check their terms and conditions. These vary by country - for more information, see www.europcar.co.uk, www.enterprise.co.uk, www.reflections-travel.com or www.alfacarhirepaxos.com. In some destinations, we may use an alternative hire car supplier. If this is the case, we'll tell you about it and any new terms and conditions. For an additional charge you may request an upgrade to a larger or more luxury vehicle prior to departure, subject to availability. Your hire car includes unlimited mileage, Collision Damage Waiver (CDW), Theft Waiver (THW), 3rd-party liability cover, airport and local surcharges, local government tax, 24/7 breakdown service and airport pick-up.

Europcar offer a pre-registration service on their website <http://touroops.europcar.co.uk/>. We recommend you complete this form to minimise the waiting time for your car upon arrival at your destination. This should be completed at least 48 hours prior to your departure from the UK. You'll need your drivers licence details, passport details, holiday reference number and driver's credit card details – for reference only – to pre-register.

General Conditions All rentals follow the hire car supplier's rental terms and conditions and these follow local laws. If you don't meet all the terms of the rental agreement or break any of the terms e.g. through negligence or driving under the influence of alcohol or drugs, you'll not be covered by the insurance. This means that you may be responsible for any costs of repairing or replacing the car and any other costs the hire car supplier incurs if the car is lost, damaged or stolen. Driving on unpaved roads is not allowed unless these roads are the access tracks to your holiday accommodation. Costs such as petrol, parking charges, toll fees, traffic fines and garage costs are not included in your hire cost. If you return the car late, you'll have to pay extra rental charges, charged at the local daily rate. The hire car supplier does not take responsibility for the fitting of child or baby seats to any car. All taxes are subject to government policy changes. If you cancel your car rental at any time up to 7 days before your departure you'll have to pay a cancellation fee of £15. If you cancel your car rental within 7 days of your departure, the full amount of the rental will be charged. Bookable car rental is only available if you book more than 7 days before your departure date.

Deposits You will be asked to leave an imprint of the named driver's valid major credit card – not debit card – to cover security based on the basic hire cost, plus CDW and THW excess charges, petrol, toll fees and extra days you book locally. This will vary depending on the type of rental car and by destination. This amount will be held on your credit card and released on the safe return of the fully-fuelled car. If you rent 2 cars, a separate credit card in the name of the driver is required. For larger cars a second credit card imprint may be required.

Insurance CDW and THW cover your responsibility for loss of, damage, theft, attempted theft or vandalism to the car. The cover will only apply if you meet all the terms of the rental agreement. You may have to pay insurance excess charges towards any claim. This amount may vary by country or car group. Insurance to reduce the excess charges can be taken out where available for an extra fee, this is called an 'excess waiver'. Insurance does not cover tyres, windscreens, the roof, the underside or interior of the car and towing charges. You may, therefore, be liable for damage to these items. Insurance does not cover loss or theft of personal belongings left in the car. Personal Effects Insurance covering contents of the car can be taken out for an extra fee where available. Personal Accident Insurance can be taken out for an extra fee, but is usually covered by your travel insurance policy.

Out Of Hour Charges These will apply if you are collecting or returning a car, requesting delivery or collection of a car outside of the hire car supplier's locations opening hours. This will vary by destination.

Drivers Documentation And Age Restrictions A full and valid original driver's licence in English that has been held for at least one year is required. In Malta, Gozo and Turkey, it's at least two years, and Cyprus and Croatia at least three. Photo card licences must be supported with a counterpart licence if applicable. A photocopy or fax copy of the licence won't be accepted. At the time of booking any endorsements to a driver's licence such as driving under the influence of drugs or alcohol and negligence should be advised to us. Your holiday documentation and passport are required when you pick up the car. All intended drivers must produce the appropriate documentation and sign the rental agreement. A car rental voucher will be issued along with your holiday documentation. The minimum rental age for the majority of destinations is 21 years, except in Turkey where it's 22. The maximum age for all countries is 70. There's usually an extra charge for drivers under 25.

Additional Drivers Additional driver charges apply for 2 or more drivers. You must make any additional driver arrangements when you pick up the car. All drivers must meet the age and driving licence conditions explained in the documentation section. Only named drivers may drive the rental car.

Extras You can hire infant seats and roof racks when you get there but numbers are limited.

Car Hire With Alamo

If you book car hire for your holiday to Florida, your car hire will be provided by Alamo. Please make sure that you take into account the space needed for luggage, any baby seats, equipment (e.g. golf clubs), as well as the distance you plan to drive. It may be worth you renting a larger vehicle, such as a mini-van, if there are more than 5 people in your party, to ensure that you all get to travel in the same vehicle.

When you pick your car up, anyone driving the car will need to sign the conditions of rental.

To drive in the United States, you need a full UK driving licence and must be 21 or over. It's worth bearing in mind, laws may be different to ours – especially ones like drink driving.

Check-in

For Your Flight We recommend you arrive at the airport at least two hours before your scheduled departure time. For flights over seven hours, it's three hours before. Regardless of the length of your flight, you need to have completed check-in at least an hour before departure.

UK airlines need to carry out enhanced security screening from certain destinations for return flights to the United Kingdom. If this applies to your flight, you'll be told whilst you're on holiday as it may mean that you need to check in a bit earlier. You might need to be at the boarding gate earlier, too.

If we think you may be under the influence of alcohol or pose a threat to passengers or crew, you won't be able to fly. The same applies if you smoke, use insulting or abusive words before or after you board. If that happens, we won't be responsible for your holiday arrangements and we won't give you a refund, pay compensation, or cover any other costs. We may even seek compensation from you for any loss caused by your behaviour. This includes having to divert the plane.

It's also a criminal offence to cause disruption on board, so you may be prosecuted. Airlines may also share details about your behaviour with other airlines, which could affect your future trips.

Online Check-in You'll be allocated your seats when you check in online. If you don't like the seats allocated, you can pay to select your seat. Sometimes we may need to change the seat allocated to you for operational or safety reasons or for persons with reduced mobility. Boarding cards must be printed on A4 paper and be clearly legible with no rips or tears. You must drop your bags off before bag drop closes, 45 minutes before your flight time. Just so you know, if you choose not to use our online check-in service, we reserve the right to charge a fee for airport check-in. Please also see Section 14 of Our Agreement with You and Yours with Us.

For Your Accommodation Check-in time is usually 3pm to 4pm for hotels, unless you're on a Villa Collection holiday when it's usually 2pm. Depending on when your flight arrives, you may miss a meal if you've booked All Inclusive, Half or Full Board. If your flight arrives late at night, this is classed as the first night of your holiday and your room will be ready when you arrive. If you arrive in the early hours of the morning the day after your flight departed, your room may not be available until the hotel's normal check-in time. You'll be able to use the hotel's facilities while you wait. And because you're checking in later on your first day you'll get to keep your room on the last day of your stay. If you're staying in a villa and expecting to arrive after 7pm, you need to call the key holder with the rough time you expect to arrive so you can arrange to collect the key. If you don't, you may not be able to get into the villa until the following day.

Check-out

For Your Accommodation On the last day of your holiday, you'll usually have to leave your room by mid-morning or noon. If you're in a villa, you may need to leave earlier. You'll be told the exact time when you get there. You may be able to keep your accommodation for longer, but there could be a charge. Depending on the time of your flight, you may miss a meal at your hotel. Also, you might not be able to use some of the facilities or take advantage of the full All Inclusive package.

If your flight leaves on or after midnight, you'll have to check out of your hotel room by midday the previous day. There'll usually be a courtesy room or apartment available for you where you can change and leave your bags until it's time to leave. You can pay for a late check-out room. They're normally available until 6pm that

evening, but this varies from hotel to hotel. We recommend you book in advance as the hotel will allocate them on a first-come, first-served basis. You may be able to stay in the room you've had during your holiday, but you may have to move to another. The rooms will only be for you and your group to use, and will have beds and a private bathroom. Late check-out only covers the use of your room.

Child Prices Child prices are based on selected departures within the season dates, and will only apply to the cheapest room type that occupies children. Child prices are only available for the first and second child sharing a room with two full-fare-paying adults. Any more than two children on one booking pay the adult price, count towards room occupancy, and will pick up any applicable third or fourth adult reductions or occupancy discounts. You'll still pay full deposits, insurance, flight, room and board supplements, and any extras for all children travelling at a child price. Children qualifying for free or reduced child prices don't count towards group offers. Child prices only count towards room occupancy for self-catering and villa holidays.

You'll also need to pay a fee for an infant under the age of 2 on the date of return travel. Please note, infant fees vary dependent on holiday type. If any children in your group turn 13 after you've booked but before – or during – your holiday, they'll need to pay the adult price, plus the amendment fee.

Child Protection We believe we have an important role to play in protecting children's rights everywhere. Our child protection policy applies both in the UK and abroad. We train our resort staff to identify situations where children may need protection and report them to the relevant organisations. We're signed up to the Child Protection Code www.thecode.org. This independent organisation monitors and supports our child protection activities. If you suspect any child is at risk on your holiday, please tell your Holiday Advisor or call Crimestoppers, anonymously, on 0800 555 111. For more information, visit <https://www.tui.co.uk/editorial/child-protection.html>.

Conditions Of Carriage When you travel by air or river, your journey may be subject to certain international conventions including, but not limited to, the Warsaw and Strasbourg Conventions, and the Montreal Convention for air. By law we need to give you these in 'legal speak' to avoid any misinterpretation. We can supply a full copy of these if you ask us.

Montreal Convention This is a notice required by European Community Regulation (EC) No. 889/2002.

Air carrier liability for passengers and their baggage This information notice summarises the liability rules applied by Community air carriers as required by Community legislation and the Montreal Convention.

Compensation In The Case Of Death Or Injury There are no financial limits to the liability for passenger injury or death. For damages up to 100,000 SDRs (approximately £96,000), the air carrier can't contest claims for compensation. Above that amount, the air carrier can defend itself against a claim by proving that it wasn't negligent or otherwise at fault.

Advance Payments If a passenger is killed or injured, the air carrier must make an advance payment, to cover immediate economic needs, within 15 days from the identification of the person entitled to compensation. In the event of death, this advance payment shall not be less than 16,000 SDRs (approximately £15,360).

Passenger Delays In case of passenger delay, the air carrier is liable for damage unless it took all reasonable measures to avoid the damage or it was impossible to take such measures. The liability for passenger delay is limited to 4,150 SDRs (approximately £3,980).

Baggage Delays In case of baggage delay, the air carrier is liable for damage unless it took all reasonable measures to avoid the damage or it was impossible to take such measures. The liability for baggage delay is limited to 1,000 SDRs (approximately £960).

Destruction, Loss Or Damage To Baggage The air carrier is liable for destruction, loss or damage to baggage up to 1,000 SDRs (approximately £960). In the case of checked baggage, it's liable even if not at fault, unless the baggage was defective. In the case of unchecked baggage, the carrier is liable only if at fault.

Higher Limits For Baggage A passenger can benefit from a higher liability limit by making a special declaration at the latest at check-in and by paying a supplementary fee.

Complaints On Baggage If the baggage is damaged, delayed, lost or destroyed, the passenger must write and complain to the air carrier as soon as possible. In the case of damage to checked baggage, the passenger must write and complain within 7 days, and in the case of delay within 21 days, in both cases from the date on which the baggage was placed at the passenger's disposal.

Liability Of Contracting And Actual Carriers If the air carrier performing the flight is not the same as the contracting air carrier, the passenger has the right to address a complaint or to make a claim for damages against either. If the name or code of an air carrier is indicated on the ticket, that air carrier is the contracting air carrier.

Time Limit For Action Any action in court to claim damages must be brought within 2 years from the date of arrival of the aircraft, or from the date on which the aircraft ought to have arrived.

Basis For The Information The basis for the rules described above is the Montreal Convention of 28 May 1999, which is implemented in the Community by Regulation (EC) No. 2027/97 (as amended by Regulation (EC) No. 889/2002) and national legislation of the Member States.

Cots There's usually room for one cot in all our hotel rooms, apartments or villas, but you'll need to check with us before you travel to make sure there will definitely be one available when you arrive. In some countries, such as Italy, you'll need to pay a daily charge to hire a cot. If you're staying in a villa in Florida, you'll need to pay to hire a cot by credit card, before you travel. If you decide to bring your own travel cot, bear in mind there's no extra luggage allowance for these and the airline will charge extra if you go over your limit.

Data Protection All details provided by you will be held by us and used in accordance with our Privacy Notice. We will process personal data about you and members of your party so that we can manage your account or booking, provide you with our products, services and/or any other travel arrangements booked with us. By providing other people's personal data, you must be sure that they agree to share their data with us and, where appropriate, they understand how their personal data may be used by us. For more information, please refer to our Privacy Notice available on our website or upon request in our stores.

Delays Depending on airport facilities, we provide light refreshments for a delay of 2 to 4 hours, a meal – or vouchers for a meal – for 4 to 8 hours, overnight accommodation for delays of 8 to 12 hours if it's necessary and possible.

If a delay is longer than 5 hours, you can cancel your flight and we'll refund the flight part of your holiday. We'll only refund the whole cost of your holiday if we change or cancel your holiday. We set out exactly what this means in Our Agreement With You.

Deposits As well as the deposit you pay when you book, if you're staying in an apartment or villa, you may also be asked to pay a deposit in local currency when you arrive. If you're on a Scene holiday, you may be asked to pay a deposit – in cash – even if you're in a hotel. Some hotels require a credit card swipe or cash deposit when you check in. Deposits cover all, or part of, the replacement costs for things being lost, broken or damaged. It's also to take care of any unusual cleaning charges. You'll get it back when you leave, or with an amount deducted if necessary. The property needs to be inspected before you leave. In some cases, your deposit will be returned to you by post. Unfortunately we can't accept responsibility for any disputes which may arise, although we'll try to help you to resolve them. You'll find details of the amount and type of deposit for each property on our website, or you can call us.

See **Low Deposit Offer** for more details on the deposit you pay when you book.

Disability Assistance See **Assisted Travel**.

Dress Code Men may need to wear full-length trousers, shirts with sleeves, and shoes for dinner in most hotels and apartments. See **Gala Meals** for more details.

ESTA See **Visas**.

Extra Charges The key aspects of your holiday will be included in the price when you book – see **Prices** for details. But it's important to point out you may have to pay extra for some things when you get there. For example, you might want to book an excursion, use the safety deposit box in your room or enjoy something from the minibar. You may also need to pay extra for things like sports, beauty treatments and classes. If we're aware you'll need to pay extra for a particular activity or facility, we'll show you by adding an asterisk after the item. You may also need to pay extras locally if you choose to hire a car, for example: upgraded insurance cover, young driver's insurance, local taxes etc. Please refer to the car rental terms and conditions for details when booking your holiday. See **Meals** and **All Inclusive Hotels**.

F

Family Rooms These are generally for two adults and two children. These are only available for selected holidays in selected accommodation, and only where the child is sharing a room, apartment or villa with a minimum of two full-fare-paying adults. When hotels are fully occupied, family rooms may be limited. Bear in mind, family- and 4-bedded rooms might not be larger than standard rooms.

Finishing Touches You'll need to book them at least seven days before departure and pay for them in full when you settle your invoice.

Flight Times Actual flight times are on your tickets. They are local times based on the 24-hour system. We can't guarantee the flight times in our brochure, on our website or on your booking confirmation won't change, so please always check your tickets.

Flying With Children Infants less than 14 days old are not allowed to travel. Any child over 14 days and under two years old on the date of their return travel is classed as an infant. Infants must sit on an adult's lap and wear an extension seatbelt. If your child reaches their 2nd birthday while you're away you'll need to allow for this when you book. All children aged two and above must have their own seats on the plane. If you've paid for an additional seat for your infant, you can use your own car seat as long as it has a single release harness. It needs to be facing forward on the aircraft seat, designed to be secured by lap belt alone, and must conform to EU safety standards. You'll also need the instruction leaflet to show the cabin crew if they need it. The seat mustn't be more than 16 inches or 40cm wide. You can't use carrycots and deluxe child car seats, as they won't fit. The use of car seats will be at your airline's discretion. Airlines registered outside the UK may have their own rules. Call TUI for information on approved car seats.

Football Academy Our Football Academy is available at selected Holiday Village resorts. We offer 2, 3 or 4 football training sessions of two hours each. Approximate prices are 2 sessions £35, 3 sessions £48 and 4 sessions £61. Please note that prices can vary depending on exchange rates.

Free Child Places These are only available for holidays departing between 1st May and 31st October in selected accommodation, and only where the child is sharing a room, apartment or villa with two full-fare-paying adults. They are available for children up to 12 years inclusive for hotels and up to 16 years inclusive for self-catering - unless we say otherwise in the property details. You'll need to pay a deposit but we deduct this from your final balance and will refund this when you pay for your holiday in full. Our free places don't include flexible dining, meal supplements, insurance, in-flight meals or any other extras. Plus, you need to pay the 'Select Your Seat' option for the child if you need this. If you change your booking, free child places on your new booking will depend on availability. If your first child goes free, your second child still pays the second child price. Not combinable with other selected discounts or special offers. See **Special Offers**.

G

Gala Meals Many hotels and apartments host gala meals over the Christmas and New Year period. Bear in mind that men will probably have to wear a jacket, shirt, tie and full-length trousers. You'll see if the meal's included by checking the individual property descriptions.

Group Offers You may qualify for discounts if there are 10 or more in your party. Group discounts apply only at the time of booking. When you're about to book, ask your Travel Expert to contact our Groups Department. Or call our Groups booking line yourself – you'll find the number at the end of this guide. Groups of more than 20 can have a special service from a representative at the accommodation, a private get-together and greeting on the first day, and discounts on resort excursions. Of course, group discounts are subject to availability and we may withdraw them at any time. We base discounts on how many are travelling and everyone needs to travel on the same date. Their holidays must be for the same length and to the same accommodation. If it's more convenient for them, we can sometimes make arrangements for large groups to leave from different airports. They may not be available in conjunction with any other offers. Cancellations within your group may mean a drop or a removal of your discount, and the people who cancel will need to pay our standard cancellation charges.

H

Henna Tattoos Some resorts or hotels in which we operate may offer henna tattoos. We don't recommend or endorse these. If you decide to get a tattoo, please make sure that the henna being used is brown and not black. Black henna may contain chemicals that are known to cause skin irritation and burns.

Holiday Villages Our full Holiday Village programme will end on 31st October each year. Some of the hotels will stay open after this date but will be run as standard hotels, without the Holiday Village programme. Check the hotel descriptions for details.

I

In-flight Entertainment We have in-flight entertainment on all of our TUI long haul flights. For more details, contact TUI – you'll find their details at the end of this guide.

Infants See **Child Prices, Cots and Luggage**

Insurance You'll need to take out a suitable insurance policy for you and anyone travelling with you. This includes infants and children. We'll tell you about our insurance policy when you book. If you choose not to take out our insurance, you'll need to tell us who you're insured with. We'll need the company details and your policy number before you travel. We can't accept responsibility for any loss that you or anyone travelling on your booking suffers if the individual isn't adequately insured. As with all insurance policies, terms and conditions apply, so you need to make sure you've got the right policy for you. See **Delays** for more details. If you're travelling to the European Economic Area you'll also need a European Health Insurance Card. You'll get a new UK Global Health Insurance Card (GHIC) instead of an EHIC. You can apply at www.gov.uk/global-health-insurance-card. Visit www.nhs.uk/ehic for full details on what it covers. You do not need to apply for a GHIC if you already have an EHIC. Your EHIC remains valid in the EU until it expires. An EHIC or GHIC is free of charge. You'll need to have both this card and adequate travel insurance.

Interconnecting Rooms These are two rooms with a lockable connecting door between them. They're available at selected accommodation for a small supplement. If you want to book, interconnecting rooms, you'll need to book and pay for two of these rooms.

J

Junior Suites When we advertise a Junior Suite, it means you'll get a bedroom with a sitting area and a bath or shower room.

K

Kids' Clubs No matter which kids' club you're looking at, there are certain things to bear in mind:

- Children who are unwell won't be accepted
- If your child has a disability, we will do our best to look after them but please check with us before you book that the club can accommodate your child's particular needs
- Sometimes, even when you have checked in advance, there may be reasons why the club can no longer accommodate your child's particular needs. When this happens we will do our best to include them in as many activities as possible but you may need to stay with your child to provide the care and attention that they require.
- If your child has an allergy or any other special requirements, please let us know when you sign them into the kids' club for the first time
- Staff aren't authorised to give medication or change nappies, so you'll need to return to the club to do this if necessary
- Staff may provide snacks and drinks during the day.
- You must register your child for all activities, sign them in at the start of the session, and out at the end
- You must stay within the complex while your child is in the club and leave details of your whereabouts in case you're needed
- Activities may have to be cancelled, numbers limited and a rota introduced. This may be for health and safety reasons or at particularly busy times.
- If a kids' club is an important part of your time away, it's worth checking club availability before you book your holiday
- Even if you've booked a package holiday with us, you may still need to pay extra for some activities and sessions when you get there. If you haven't booked a package holiday with us, you'll also need to pay for your child to join the club itself.

Hotel-run Kids' Clubs Only clubs run by us meet our specification, which include strict staff to child ratios. Standards and facilities at hotel-run clubs vary. You should make sure you're satisfied with the facilities and staff providing the service before enrolling your child. Unfortunately, we're unable to take responsibility or guarantee that standards at hotel-run clubs meet UK standards.

TUI Kids' Club We offer TUI Kids' Club for different age groups, with bespoke sessions designed for age ranges 3-6 and 7-12. There is a minimum of two 2-hour supervised sessions per day (morning and afternoon) six days a week. These can be booked in resort. Sometimes we'll combine ages for activities, but it won't affect our strict staff-to-child ratios. We'll have two staff on hand at all times. Kids' club activities run from 1st May to 31st October, unless stated otherwise. We may need to finish before the end of October if there isn't enough demand.

Kids' Clubs at selected TUI BLUE hotels and Sensori by TUI BLUE hotels (except at The Residence at TUI BLUE Sensori Akra Fethiye). We offer up to two, two-hour sessions a day, six days per week for kids aged 3-12 with a variety of themed activities. For our TUI BLUE hotels with the Family Fun highlight, we split out the sessions by age group 3-6 and 7-12. Nearly all of our Kids' Clubs are free, with parties available at a small charge. All of our Kids' Club team are trained to TUI standards and have undergone relevant checks.

At our TUI BLUE hotels with a Family Fun highlight, and Sensori by TUI BLUE resorts (except The Residence at TUI BLUE Sensori Akra Fethiye) we've created The Hangout - an area exclusively for teenagers aged 12-15 where they can meet new friends and have a place to chill. Our Hangout Hosts arrange a variety of daily activities and a few nights a week they provide fun or chill evening events. Bespoke teen activities are also available in some of our TUI BLUE hotels without the Family Fun highlight in the Teens Lounge, in high season only.

Kids' Clubs at Holiday Village There are four age groups in HV Kids' Clubs, each with their own club, numbers permitting: HV Creche is for 0-35 months, HV Club for 3-8 years and HV Crew for 9-12 and 13-17. Evening clubs may be available but you'll need to pay a little extra when you get there. Sometimes we'll combine ages for activities but it won't affect our strict staff-to-child ratios. Our HV Kids' Clubs run all season while it operates as a Holiday Village - please see **Holiday Villages** for details. We're constantly reviewing our clubs, so things like activities or the names of clubs might be different to what we describe.

L

Late Check-out Rooms See **Check Out**.

Lifts Some of our hotels don't have a lift. If stairs are a problem for you, please ask us for more details before you book so we can suggest a suitable property. See **Assisted Travel** for more details.

Local Laws Sometimes local laws, religious customs or events mean facilities aren't available. For example, in all Muslim countries during the month of Ramadan, bars and restaurants – including hotel restaurants – change their opening hours. You may not be allowed to eat, drink or smoke in public areas during daylight hours either. Drinking and gambling ages vary by destination. It's a good idea to find out more before you travel. For the most up-to-date information, we recommend you check www.gov.uk/foreign-travel-advice.

Lost Property If you leave something behind on the plane during your flight out, you'll need to contact the overseas airport and ask them to check their lost property. If it's on your flight home, let us know and we'll do our best to track down the item for you. If you leave what we class as a 'valuable item' at your hotel, like a camera, a laptop or a wallet, we'll do our best to find it for you. If your item is found, you'll need to contact the hotel to arrange for it to be returned, and there may be a charge for this. If we can't find your item, we'll send you a statement to support your travel insurance claim. For help with lost property, contact After Travel Customer Support – you'll find their details in the Getting In Touch section.

Low Deposit Offer This offer is per passenger. We can change or withdraw this offer at any time. The rest of the deposit will be due within eight weeks of you booking your holiday. If you cancel your holiday you still have to pay the full deposit.

Low Season You may find that if you're travelling outside of peak holiday periods, some facilities, both in your hotel and resort, may not be available and entertainment may be more low-key. Hoteliers may remove facilities at certain times due to low demand. These can include restaurants or bars and can be sudden, implemented by hotels on the spot without prior notice. Low season is usually May and October for short and mid-haul destinations like Spain and North Africa. For long haul destinations such as in the Caribbean and Mexico, low season tends to impact other months including January, May, September, October and November. However, unforeseen circumstances or lower-than-expected hotel occupancies can happen at any time, so facility closures are not limited to these specific months

Luggage When travelling both ways with TUI Airways, your checked-in allowance will be at least 20kg, depending on your holiday, so make sure you check when you book, and check your booking confirmation to confirm your allowance, as it may vary if you are not flying with TUI Airways.

You can buy extra checked-in luggage allowance if you need to – you'll need to do this at least 3 days before departure. If you're booking a tour or twin centre, remember to check your allowance, as your amount during the tour or twin centre may be less than for your international flights.

On package holidays with TUI, under twos get 10kg hold luggage allowance – hand luggage is not included. If you've booked a flight only, there is 0kg hold or hand luggage for infants. Folding pushchairs can be brought onboard, but will count towards your own adult hand luggage allowance and must fit within the size and weight limits – please see **Hand luggage**. You also have the option to check this in with your luggage, or take it to the aircraft door where we'll pop it in the hold for free. Please let the check in staff know on the day.

You can share your hold luggage allowance with others on your booking, but no single bag can be more than 25kg. If you have booked extra luggage allowance, you still need to make sure each bag is under 25kg, otherwise check-in staff won't accept it.

If you've booked one of our wedding packages as a couple, you'll qualify for an extra 5kg of luggage allowance each for your wedding attire. This will be added to your booking when you book your wedding package. Bear in mind, if your flights change to another airline we won't be able to offer this allowance.

Hand luggage The maximum dimensions are 55x40x20cm, and your weight allowance is 10kg. You can't buy extra hand luggage allowance. In addition to this, passengers can bring one small personal item, ie a handbag, laptop bag, briefcase or camera bag. This must be small enough to be stored under the seat. There are restrictions on what you can carry in your hand luggage so please read the information that comes with your tickets. Your airline won't be liable for loss or damage to valuable or fragile items packed in hold luggage, no matter how it's caused.

On Other Airlines If you're not flying with TUI, you'll need to find out what your allowance is for checked-in luggage and hand luggage. Some airlines do not give infants their own allowance.

Excess Luggage And Sports Equipment There may be a charge for excess luggage and sports equipment. Whether or not we can carry it will depend on capacity on the day. You can arrange to take golf clubs, windsurf boards, diving equipment and other sports equipment on your flight. If you don't book, you may still be able to check your own equipment in. But we can't guarantee this and there'll be a charge. Bear in mind, any problems with excess luggage charges need to be sorted out at the airport. We can't guarantee you'll be able to take bulky sports equipment with you on the coach to your holiday accommodation, and there may be an extra charge.

Lost And Damaged Luggage Please report any lost luggage or damage to us within seven days. If not, under the terms of the Montreal Convention, we won't be liable. See Montreal Convention for details. If your luggage is damaged on your way back to the UK, you need to complete a Property Irregularity Form (PIF) at the airport and keep a copy of it for insurance purposes.

M

Meals

On Your Flight TUI includes meals on long haul flights. Please let us know when you book if you require any children's meals. Just so you know, we don't provide meals for under-twos so you'll need to bring something with you. Remember to tell us if you have any special dietary requirements. We can't guarantee we'll be able to meet them, but we'll do our best. For group bookings, everyone in your party will need to either book in advance or decline the meal. For all other flights, we offer a range of snacks and drinks to buy onboard.

At Your Hotel Meals are usually served in the hotel's main restaurant. The set-up here may change from buffet to waiter service, or vice versa. For à la carte restaurants you may be limited to a certain number of visits per stay and you may need to make a reservation. You may need to pay extra for these, too. Not all of the hotel's restaurants will necessarily be open at the same time. Meals for infants are not included in the price of your holiday so you'll need to make your own arrangements. **Full Board Plus** includes a Continental breakfast, lunch and dinner with drinks included during mealtimes. **Full Board** includes a Continental breakfast, lunch and dinner. **Half Board** includes a Continental breakfast and dinner – or lunch, if you wish – at some hotels. **Bed & Breakfast** usually means Continental breakfast.

Medical Conditions

On Your Flight If you have a medical condition, a serious illness, or you've recently had surgery or an accident, you'll need to be cleared for travel by the airline. You may also need a 'Fitness to Fly' certificate from your GP. Conditions that need medical clearance include respiratory, coronary or infectious illness. You'll need to give your request for medical clearance to the airline at least four working days before you're due to fly. If you're unsure what conditions require medical clearance, or if you have any concerns about your health, we recommend that you contact your doctor before you book.

The risk of deep vein thrombosis (DVT) while flying is extremely low but is still a serious medical condition. DVT is when a blood clot forms, usually in the lower leg, sometimes because of sitting still for a long time. It needs treatment with blood-thinning drugs to prevent clots breaking off and travelling to the lungs. You can take precautions to reduce the risk. People most at risk include those with a history of bronchial or circulatory problems, thrombosis, those recently hospitalised, smokers, the obese, those with congestive heart failure, a malignant disease, pregnant women or women taking the contraceptive pill. To reduce the risk, exercise your legs from time to time, or walk around if possible. Elastic stockings may be helpful. Drink plenty of non-alcoholic liquids to prevent dehydration. See your doctor if you think you may be particularly prone to DVT.

At Your Destination If you have specific medical needs, think about whether the healthcare system in the destination you're looking at is likely to be able to meet those needs, if you have any problems while you're away. Consider things like the country's state of development and its size. You may find it helpful to look at www.gov.uk/browse/abroad/travel-abroad.

Official Ratings Each country has its own system for rating properties, but at TUI we use our own ratings to make it easier to compare hotels. See **Tour Operator Ratings** for details.

P

Passports The name in your passport must match the name on your ticket otherwise you may not be able to travel and your insurance could be invalid. If someone in your group changes their name after you have booked, tell us and we'll issue the ticket in the new name. If you've already received the ticket, return it and we'll send one with the correct name. There may be a fee for this change. British Citizens must hold a valid 10-year passport. British passport holders travelling to any EU country require at least six months validity on their passport on the day of travel. Some countries outside of the EU require a British passport to have a certain period of validity left on it, or blank pages. Please visit gov.uk/foreign-travel-advice for advice by country. Other nationalities

should check with their own governments. It is also your responsibility to check whether you need a visa to enter your destination country.

British Citizens under 16 years old, including newborn babies, are required to have a child passport. The child's passport will initially be valid for 5 years, but can be renewed for a further 5 years at the end of this period. You can visit the gov.uk website for further information and how to apply.

If your passport has an Israeli stamp, you may be refused entry to some countries. For more information, visit HM Passport Office website at gov.uk/government/organisations/hm-passport-office. If you don't have a UK passport, you should always check with your own embassy, high commission or consulate before you book. Please also see **Visas**.

Playgrounds You need to supervise your children on all play equipment.

Pool Views If you book a room with a pool view, you'll look directly onto or have a side view of the pool.

Pregnancy You can travel with us up to the 28th week. If you're more than 28 weeks at the time of your flight home, you'll need a medical certificate from your GP. It must state there are no complications and give the dates of your pregnancy. If you're more than 36 weeks at the time of your flight home, they'll refuse to take you. If you're expecting twins or more, you must return by the 32nd week. Please check your insurance policy for any restrictions that apply, as many only cover to the 28th week.

Premium Collection Benefits You'll get the advertised benefits as long as you're flying with TUI.

Premium Seating Premium seating is available to book on long haul TUI flights. If you book to fly Premium, your luggage allowance will be 25kg in the hold and 10kg as hand luggage. Lounge access and fast-track security are only available on departure from UK airports. You can access the lounge from 3 hours before and up to your original scheduled departure time. We advise you wear smart casual clothing. Fancy dress, vests, football shirts, tracksuits, baseball caps and other sports clothing are not allowed to be worn in the lounge. Shorts aren't permitted either, unless they are tailored and knee-length. Entry to lounges is subject to the individual lounge operator who may impose their own conditions and who reserves the right to refuse admission to anyone wearing clothing which their staff believe may cause offence to others. If the lounge is unavailable then alternative facilities may be offered. The location of fast-track security and airport lounges in the UK will be provided by TUI staff at the TUI bag drop.

Our Select Your Seat service is included, in accordance with our Select Your Seat terms and conditions - see **Select Your Seat**. To get the best choice of seats, we recommend you book and select your seats as early as possible before departure. If you experience any difficulties using our online service, please contact your travel agent or, if you've booked your holiday online, please contact TUI on 0203 636 1790. Calls from UK landlines cost the standard rate, but calls from mobiles may be higher. Check with your network provider. Just so you know, we'll always do our best to seat your group together but we can't guarantee this.

Prices Our brochure prices are accurate at the time of publication, but you should only use them as a guide. The prices we give are selected from a range of prices available within the high season or outside the high season. The price you pay will depend on when you're travelling and prices may go up and down throughout the season. The brochure price is based on the standard occupancy for the room type included in the package so the price will change if the room is occupied by a different number of guests. See **Occupancy Supplements/Discounts**.

S

Safety Overseas' safety standards are generally lower than ours in the UK. We take reasonable care to make sure only reputable businesses provide the services that make up our holidays, and we expect them to provide those services in line with local standards.

Children's Safety For our own Kids' Clubs, we take advice from leading UK child safety organisations and accident prevention agencies. You should always check you're happy with hotel clubs and children's facilities.

Health And Hygiene Hygiene standards are generally lower than in the UK - particularly in developing countries. Having said that, you can help to improve hygiene levels by taking a few basic steps...

- Wash your hands after going to the toilet
 - Shower before you get into the pool
 - Encourage children to go to the toilet before getting in the pool
 - Make sure babies and infants wear swim nappies in the pool
- Scuba Diving** We recommend you check with your doctor before you go, and have a full medical examination in resort if you're planning scuba training. You may need to pay extra for this. It's also dangerous to fly within 24 hours of scuba diving. This is because pressure changes might cause 'the bends' or even in severe cases, paralysis. Of course, you also need to make sure you have adequate insurance cover.

Sea Views If you book a room with a sea view, it may be partly blocked by trees or smaller buildings, or across a road, but you'll still be able to see the sea. If we describe a room as a Limited Sea View, this will generally mean that your view of the sea will be to the side rather than directly in front of you. There may also be more obstructions like trees between your room and the sea than with a Sea View room.

Seating If you're flying with TUI the minimum seat pitch of our aircraft is 29 inches. The minimum seat width is 16 inches. If you think you'll have difficulty fitting into this seat size, please call our Assisted Travel Team before booking - you can find their details at the end of this guide. You might need to pay an additional charge depending on what options are available.

Seat Upgrades If you buy any seat upgrade, including Select your Seat, seats can be selected via Manage My Booking as soon as your booking is confirmed. If you've paid extra for Select Your Seat or if you've reserved Premium Seats, Extra Legroom Seats or Extra Space Seats, on some holidays you will be able to choose your seats at the time of booking, otherwise you'll be able to access the seat map immediately after you book your holiday. You can also choose your seats by logging in to your Customer Account or the Flight Extras website.

Seats With Extra Legroom These are available to book on selected short and mid haul flights and are suitable for adults and children. Our Select Your Seat service is included, in accordance with our Select Your Seat terms and conditions - see Select Your Seat. To get the best choice of seats, we recommend you book and select your seats as early as possible before departure. If you experience any difficulties using our online service, please contact your travel agent or, if you've booked your holiday online, please contact TUI on 0203 636 1790. Calls from UK landlines cost the standard rate, but calls from mobiles may be higher. Check with your network provider. We'll always do our best to seat your group together but we can't guarantee this.

Seats With Extra Space These include seats that are close to or next to emergency exit doors, behind a bulkhead or behind a dividing wall. Seats with extra space are only available to pre-book for adults and children 12 years and over with TUI and 16 years and over on other carriers, but we may allocate these seats to families with children if the seats are not located in an emergency exit row. Emergency exit row seats are only available to passengers who are able to move quickly and operate the emergency exit without difficulty in the unlikely event of an emergency - in line with European Aviation Safety Authority (EASA) regulations. So, you won't be able to book these seats if you find it hard to move due to physical or mental disability, age, sickness or physical size. Just so you know, you also can't sit in these seats if you are:

- Under the age of 12, when travelling with TUI
- Under the influence of alcohol
- Travelling with an assistance animal
- Require an extension seatbelt.

These regulations have been put in place by the EASA and are for the safety of our passengers. The cabin crew have the final say and we kindly ask that their decisions are respected.

Select Your Seat If you pay to take advantage of our Select Your Seat service, you'll be able to log in to your booking and choose where you sit on the plane. If you're flying with TUI, online check-in opens 14 days before your flight takes off. You'll need to check in for your outbound and return flights separately.

Once you've checked in and confirmed your chosen seat, you won't be able to change it. That said, in some circumstances, we may have to change your seat. This would only be for operational, safety or security reasons. In accordance with the Civil Aviation Authority's guidelines, certain requirements must be satisfied before we can allocate seats near the exit. If we do have to change your seat, we'll try to keep it as close to what you booked as possible. A refund will only be offered if we can't seat you in a similar position to your original request. A similar position means the same type of seat - window, aisle etc - as your original selected seats. In such cases, we ask that you keep a copy of your confirmation documents and boarding cards. If you choose the Select Your Seat option but then don't go on to choose your seat numbers, we'll still try and seat your group together. If you're not flying with TUI, we'll do our best to keep your party together but we can't guarantee it.

To maximise seating options for all our customers, it may not be possible to book just a middle & aisle seat. If you have a specific seating requirement due to mobility restrictions, please contact our Assisted Travel Team.

A-Z guide

Select Your Room You can select your room after you've booked your TUI BLUE, TUI MAGIC LIFE or ROBINSON holiday via the link on your booking confirmation email or via the TUI app, subject to availability. Select your room is only available in select TUI BLUE, TUI MAGIC LIFE or ROBINSON properties, and you can only select a room within your booked room type. Room allocation takes place on arrival and in rare cases, the hotel may not be able to provide the selected room due to operational reasons e.g. repairs. In this case, an equivalent replacement room will be allocated without charge. Full Terms & Conditions can be found at www.tui-blue.com/en/en/select-your-room, www.magiclife.com/en/en/all-about-booking/select-your-room-booking, and www.robinson.com/en/en/select-your-room

Single Rooms Single rooms and rooms for sole occupancy are available in most hotels, but demand always exceeds availability. Sometimes when we refer to single rooms it may mean a room suitable for sole occupancy. Single rooms are generally smaller, may not have the best locations or the same amenities. If you're booking a double room just for yourself, you'll usually be asked to pay a supplement. This also applies to self-catering accommodation, where, for example, three people choose a property for four. Our prices reflect the costs of the rooms contracted to us.

Smoking All our flights are non-smoking. In our hotels, there are usually designated areas.

Spa Spas in our hotels aren't included in the price of your holiday unless we say otherwise. Just so you know, in Spain and the Canary Islands, by law only over-16s can use the facilities.

Special Offers Our offers are only available on the holidays and dates we advertise, are per booking, and subject to availability.

Special Requests We'll always do our best to help however we can, but we can't guarantee we'll be able to meet your needs every time. These special requests aren't covered by Our Agreement With You so from a legal point of view, they're not part of your holiday contract.

Supplements

On Your Flight Depending on the airport you choose to fly from, on certain days or at certain times, you may have to pay a 'flight supplement'. Flight supplements may go up or down throughout the season. Some holidays are only available on flights with extra charges, either because the accommodation is available only on certain days of flying, or because onward travel arrangements are only available at certain times.

Occupancy Supplements/Discounts Depending on the number of people sharing a room, you may have to pay an 'occupancy supplement' for under-occupancy or single occupancy, or there may be a discount if more people share a room. Occupancy supplements/discounts may go up or down throughout the season.

Room Supplements Depending on the type of room you choose to stay in, you may have to pay a 'room supplement'. Room supplements may go up or down throughout the season. All rooms are subject to availability and any applicable occupancy and age restrictions.

Sustainability We're members of Sustainable Aviation, a UK initiative that sets out the collective, long-term strategy of UK aviation to tackle the challenge of ensuring a cleaner, quieter, smarter future for our industry. You can find more information at www.sustainableaviation.co.uk

Swim Academy These courses are available at our Holiday Villages between 1st May - 31st October. They cost between £15 and £30 depending on whether you book group or one-to-one sessions. You'll need to register your children at the start of each session. We may have to cancel courses if there isn't enough demand. You can book them before you go, or when you get there if places are still available.

Swimming Pools It's unlikely your pool will have a lifeguard. An adult must always accompany children in the pool. This includes children's pools and surrounding areas. Pools may be closed in early or late season, so April, early May and October, or in particularly bad weather. Also, pools won't be heated unless we say otherwise in the property description. If your pool has a waterslide, there may be height or age restrictions.

Taxes You may need to pay a tourist tax either at the airport or at your hotel. Taxes change regularly so check before you go. See **Prices** for more details.

Tour Operator Ratings We rate our holidays on our annual reviews and also the feedback we get from our end-of-holiday Customer Satisfaction Questionnaires. We rate hotels and apartments from '2' for no-frills, good value accommodation, to '5' for more comfort and a wider range of facilities. There may be some differences between accommodation that shares the same rating. That's where our 'plus' rating comes in.

Tours Most of our tours have age restrictions, so check before you book.

Towels You'll see from the individual property descriptions whether or not there's a pool towel service. You may find you'll need to pay a small charge.

Transfers The transfer times we give you are a rough guide. They don't allow for delays to incoming flights or local traffic conditions. In terms of the type of transfer you'll get, it depends on the holiday you've booked. Just so you know, if your holiday includes a coach transfer, we may occasionally need to change this to a minibus or taxi. Where coach access is limited, we may need to transport your luggage separately to and from your accommodation. If this is the case, it may also be necessary for your luggage to be collected earlier than your return transfer time to ensure it arrives at the airport in time for you to collect it before checking in.

If you've booked an A La Carte holiday, you get a private taxi transfer included for most destinations - see A La Carte for important information. Occasionally we may have to provide alternative transport, and in some cases you may have to share your taxi with other A La Carte guests. If you're not on an A La Carte holiday, you've still got the option of booking a private transfer, which will either be by minibus or taxi. In some destinations we feel that it's more suitable to book private transfers. Our prices are competitive against similar transfer services. Taxis take a maximum of three adults. Prices shown are per person, per return trip, based on three adults sharing. Luggage space may be limited and baby seats aren't provided.

Twin Rooms Some twin rooms can take a 3rd or 4th bed but they're usually camp or folding beds. Rooms that take extra beds or a cot aren't necessarily bigger than standard rooms so space may be limited.

V

Vaccinations Speak to your doctor at least two months before you're due to go away. Some treatments, for malaria for example, should begin well before you go. If you're booking within three weeks of your departure, speak to your doctor before you book. There's more information available in the Department of Health's free leaflet - Health Advice for Travellers. Call 0800 555 777 for a copy.

Visas The best place for up-to-date information on visa and travel advice is the Foreign, Commonwealth & Development Office. Visit www.gov.uk/foreign-travel-advice or call 0845 850 2829. There may be specific entry requirements for under-18s, depending on your destination. For example, if a young person is travelling without both parents, there may be extra costs and they may need extra legal documents such as an affidavit, from a notary public. Always check with the consulate or embassy of the country you're travelling to before you book.

W

Waterparks SplashWorld waterparks may be located onsite at your hotel or may be independent and located away from your hotel. They may also be open to non-hotel residents. Your All Inclusive board basis won't be available in the waterpark unless stated in the hotel description. Height or age restrictions may apply for some attractions. Some rides and facilities may need to be closed for maintenance. See **Swimming Pools**.

Weather There are sometimes tropical storms and hurricanes in Florida, the Caribbean and Mexico between June and November. It's impossible to predict their path or how long they will last more than three of four days in advance, and often it's much less.

good condition - you may be refused travel if they are damaged. If you are not self-reliant or have reduced mobility (like finding it hard to walk 500 metres) you must tell us before you book and if this changes tell us at least 48 hours before your holiday.

The Price You Pay

When you book your holiday, you must pay a deposit unless this is within 12 weeks of your holiday when you must pay in full. We'll tell you the price of your holiday and the deposit before you book. At least 12 weeks before you go you must pay the full balance. If you don't, we can cancel your holiday and charge you a termination fee.

When you book your holiday, we'll send your booking confirmation within 14 days. Mistakes can happen, so if any price on your booking confirmation, our website or our booking systems is obviously wrong, a booking made based on that price won't be valid, we can cancel it and refund you unless you want to pay the correct price.

If your holiday price changes because of movement in the relevant exchange rates, taxes or fees charged by someone else including tourist or landing taxes, port or airport fees or the cost of transport fuel or other power sources we can charge you that increase or refund to you a decrease (less our administrative expenses) providing it doesn't happen within 20 days before the start of your holiday. If we need to do this, we'll forward an amended invoice to you showing the changes made along with a detailed explanation.

We'll absorb any increase of 2% or less of your holiday price, so we won't pass on any increase below that level.

South-east Asia may be affected by its monsoon season, typically May to September. If a storm is forecast for one of our destinations, your safety is always our first priority. If there are hurricanes during your holiday we follow the advice of the Foreign, Commonwealth & Development Office and work with the Federation of Tour Operators.

Please also bear in mind that some hotel facilities - like outdoor bars and some sports - may not be available in adverse weather. Where we display weather information, this is supplied by the Met Office, © Crown copyright, the Met Office.

Weddings And Renewals Of Vows Please contact us for more details - the number you need is in the Getting In Touch section at the end of this guide.

Wheelchairs

On Your Flight When you fly with TUI, we'll take your wheelchair and one other mobility item in addition to your normal luggage allowance. However, you'll need to let us know at least 48 hours before you travel. We recommend your wheelchair and other mobility aids are fully insured.

If you've got an electric wheelchair, you'll need to let our Assisted Travel Team know so that the necessary arrangements can be made. Please let us know the wheelchair's make and model when you call. There's a limit on how many electric mobility aids we can take on each flight. If you don't let us know before you book and we can't carry your wheelchair, you might need to pay an extra charge to change your booking.

You can bring a battery-powered wheelchair if it meets the conditions given in the ICAO Technical Instructions for the Safe Transport of Dangerous Goods, plus any other related CAA rules. Visit www.caa.co.uk for more information. Please contact us as soon as possible if you're travelling with a battery-powered wheelchair or mobility aid and let us know the device's make and model, dimensions and battery type. We can then confirm whether there's space onboard.

Electric wheelchairs need to be loaded in an upright position for the flight. Batteries must be securely attached to the mobility aid and terminals protected from short circuits. Electrical circuits must be isolated to prevent the device being operated accidentally. If the wheelchair can't be loaded in an upright position, the battery terminals need to be protected against short-circuiting, and the battery removed and stored in strong packaging. Lithium batteries that are designed to be removed must travel in the cabin.

You need to bring the operating instructions for your mobility aid with you. If you don't have these details, see <https://www.bhta.com/air-transport-advice> where your make and model should be shown. If not, you'll need to contact the manufacturer, or shop where it was purchased or hired.

If you want to check whether your wheelchair will fit onboard our aircraft, please contact our Assisted Travel Team - the number can be found at the end of this guide.

If you're flying with another airline, you'll need to contact them directly to see if your wheelchair will fit onboard. Our Assisted Travel Team can help you with this, too.

On Resort Transfers If you're taking an electric wheelchair or scooter, you'll need to book a taxi transfer to your hotel. You can't take them on the coach. There's an extra charge for this.

Wi-Fi Bandwidths may vary. Some hotels may offer an upgrade to a higher bandwidth which you may need to pay for. The upgraded service may also cover a different location to the free Wi-Fi zones. Some hotels may have a data cap on usage, or the free Wi-Fi may be restricted to a daily time limit per device or room. Once this usage or time limit is reached, there may be a charge to continue using the service. Factors that may reduce signal strength include high usage - particularly if lots of devices are using Wi-Fi at the same time, obstructions like thick walls and electronic machinery and adverse weather conditions. The device used to connect to the Wi-Fi - e.g. mobile phone, tablet or laptop - may result in a differing quality of service received. Wi-Fi zones may not be in the same location at every hotel. If your device isn't connected to Wi-Fi, remember to turn off data roaming to avoid possible data charges.

Due to factors outside of our control we can't guarantee the availability, performance or security of the Wi-Fi provided.

Our agreement with you, and yours with us

We are TUI UK Limited, Company Number 02830117, our Registered Office is Wigmore House, Luton, LU2 9TN and Our Agreement sets out what we can expect from each other when you buy a holiday from us.

Booking Your Holiday

When you book your holiday you are accepting Our Agreement on behalf of everyone travelling with you. We will only deal with you, the lead name, and you must be an adult when you book. Anyone aged under 18 on your holiday must be accompanied by an adult. When we say "you" and "your" we mean you, as the lead name, or you and everyone travelling, depending on the context.

Our Agreement, includes our A-Z Guide, the conditions of carriage of the airline or cruise operator and the provisions of international conventions (including the Warsaw, Montreal, Strasbourg and Athens conventions) that apply to travel by air, land, sea or river. Please ask for a copy of any conditions applicable. Our Agreement along with the relevant details in the booking confirmation is the entire agreement between us for your holiday.

Our Agreement is made under the laws of England and Wales. You submit to the exclusive jurisdiction of those courts. You can choose the law and jurisdiction of Scotland or Northern Ireland but only if you live there.

Providing Information

You must ensure all information you give is correct. We'll use the personal data you give us in line with our Privacy Notice. You must pass on any information we give you to everyone travelling. You must comply with all passport, visa and other immigration requirements. Your passport and travel documents must be in

If the increase is more than 8% of the holiday price, you may cancel your holiday within 14 days of us telling you about the increase and we'll refund your holiday price except any amendment charges; and the increase will be considered a major change, see below.

Before Your Holiday

If You Change Your Holiday

Airlines or other transport providers can charge a fee for a change and sometimes treat a change as a cancellation. Fees can be up to 100% of the price for that part of your holiday. You must pay those fees as well as the amendment fee shown below.

When making changes, the price of your new travel arrangements will be based on the price that applies on the day you make the change. If your change means fewer adults travel, and your holiday price is based upon the number of adults, we'll recalculate the total price and the price per person may go up. This extra price isn't a termination fee. You will also need to pay the appropriate proportion of the termination fee for the adult who has cancelled. See "If you Cancel Your Holiday".

Some elements of your holiday, such as excursions, transfers, children's activities, flight or accommodation options, room/board upgrades, late check-out rooms theme park tickets and airport parking, may be non-refundable.

You may transfer your holiday to someone else if you give us at least 7 days' notice in writing or by email and the new lead name accepts the transfer and the terms of Our Agreement - insurance can't be transferred. You will be responsible, together with the new lead name, for our amendment fees and any costs as a result of the change.

Our agreement with you, and yours with us

To change to a new package holiday from a TUI accommodation-only or TUI Airways flight-only booking travelling on the same dates as original booking. Does not apply to third party accommodation or flights. <i>Note: if your change request includes travelling on different dates to your original booking, the cancellation/amendment fees set out in the T&Cs applicable to your original booking will apply.</i>	No fee (But you will need to pay the difference in price if your new TUI package booking is more expensive.)

To change accommodation, departure or destination airport, or change a flight not operated by TUI Airways.	£50 per person	Treated as a cancellation		
To travel on a later date than planned.	£50 PP	Treated as a cancellation		

If You Cancel Your Holiday

To cancel your holiday you must tell us as soon as possible. If you booked using a travel agency, that agency must tell us. When your holiday has been cancelled you will receive a cancellation invoice. You must pay a termination fee which covers our administration costs and compensates us for the risk that we do not resell your holiday. The fee is based upon how long before your holiday you tell us you want to cancel and is a percentage of the total price of your holiday.

How long before your holiday you cancel	Percentage of your holiday price
70 days or more	Loss of deposit
69-63 days	30%
62-49 days	50%
48-29 days	70%
28-15 days	90%
14-0 days	100%

Even if the termination fee is lower than the deposit, your deposit will not be refunded. We may not be able to refund elements of your holiday if they are added extras. If you are cancelling because of an unavoidable and extraordinary circumstance happening at your destination that will significantly impact the performance of your holiday or your flight to get there, you will not have to pay a termination fee and your deposit will be refunded.

If We Cancel Your Holiday

If we cancel your holiday, except where it's because you haven't paid or you have been disruptive, you can have a refund or accept a replacement holiday from us of a similar standard and price if we can offer you one. We'll also pay the compensation shown below (unless we have cancelled because of one of the reasons listed in 'Events Beyond Our Control' or where you haven't paid) and we'll refund the difference if the replacement holiday is of a lower price.

If We Change Your Holiday

We aim to give you what we promise but, as we plan our holidays a long time in advance, sometimes things can change. We can make a change at any time but will let you know before your holiday if there's time.

Flight times given are for guidance only – your actual times will be shown on your e-ticket. Check that carefully when you receive it. Aircraft type can change and some facilities such as entertainment or advertised seat pitch may not be available. If we can't provide a seat option, we'll refund the price you paid for that option. Occasionally, we may have to make a major change to your holiday such as a change of destination, a downgrade of your accommodation by one full star rating, a change in flight time by more than 12 hours or a change of UK departure airport. A change in flight time that we need to make within 24 hours before you are due to fly is not a major change unless the time changes by more than 24 hours.

If we tell you about a major change after you book your holiday, you can accept the new arrangements offered by us; or accept a replacement holiday from us of the same or similar standard and price at the date of the change (we'll always refund the difference in price if the replacement holiday is a lower price at the date of the change), if we are able to offer you one; or cancel your holiday with us and receive a full refund.

If we make a major change, and you choose to cancel your holiday and receive a full refund, we'll pay the compensation shown below, unless the change is because of an event beyond our control. Any compensation payable is based upon how many days before your holiday departure we tell you about a major change. We'll pay 50% of the compensation for each person who paid a child price. No compensation will be paid for free child places.

How long before your holiday we tell you about a major change	Compensation per person
84 days or more	0
83-29 days	£25
28-15 days	£35
14-8 days	£50
7-0 days	£100

Events Beyond Our Control

Examples of events beyond our control are: war, threat of war, riots, civil disturbances, terrorist activity or its consequences, industrial disputes, any failure to secure relevant flying rights, natural or nuclear disasters, fire, health risks, unavoidable and unforeseeable technical problems with transport, closed or congested airports or ports, actual or potential severe weather conditions, the imposition of sanctions or other Governmental action and any other similar events.

On Your Holiday

Behaviour

Only you can use your accommodation. You must not let anyone else stay there. You are responsible for any damage to your accommodation or its contents during your holiday.

We can refuse to accept you on your holiday or continue dealing with you if we, or someone in authority, believe your behaviour (by any form of communication or in person) is disruptive. The Captain of your aircraft or ship can restrict your movements on board or remove you.

If you are disruptive and stopped from boarding your flight from the UK, or disruptive during your flight, we'll treat your booking as cancelled by you at that moment. If you are disruptive on your holiday we can remove you from your accommodation and you will be responsible for your own return home and for any other members of your group who cannot or will not travel without you. You will not be entitled to a refund in either case and we will not provide compensation or meet any costs or expenses.

If you are disruptive you will be responsible for any damages, costs and expenses (including legal expenses) incurred as a result. This can include cleaning, repairing or replacing property lost, damaged or destroyed by you, compensating any passenger, crew, staff or agent affected by your actions and diverting the aircraft or ship for the purpose of removing you.

Disruptive behaviour includes being threatening or abusive, damaging property, upsetting, annoying or disturbing any other traveller, our staff or agents or putting any of them in danger.

Excursions

We may introduce you to suppliers of excursions or other services. If you buy one of these, you'll be contracting with the supplier directly, we act only as an agent and have no liability for the performance of that contract. Our Agreement doesn't apply to any contract for excursions or other services.

If Things Go Wrong on Your Holiday

You benefit from the rights applying to packages under The Package Travel and Linked Travel Arrangements Regulations 2018. We are responsible for all the travel services included in your holiday. If any of them isn't provided as we agreed, we'll pay you compensation, if appropriate, unless it's due to an event beyond our control (see 'Events Beyond Our Control'), is your fault or is caused by a third-party.

If you are in difficulty on your holiday we'll help by providing information on health services, local authorities and consular assistance. We'll help you make phone calls, send emails or make alternative travel arrangements. You must pay any costs we incur if the difficulty is your fault.

If You Have A Complaint

It is very rare for things to go wrong. If they do, you must tell the supplier in question (e.g. the hotel) and our representative straight away so they can solve the issue. If our representative isn't available, you should contact our TUI Guest Experience Centre which is open 24/7. If you're still not satisfied, contact After-Travel Customer Support within 28 days of coming home so we can investigate properly. Contact details are in the A-Z Guide. We usually solve any issues but you can use ABTA's scheme for resolving disputes at www.abta.com.

Personal Injury

Your holiday is made up from services provided by suppliers who follow local standards. Overseas safety standards are generally lower than in the UK.

If anyone travelling suffers injury, illness or death because of the services provided as part of your holiday, you must tell us and the supplier involved about it and complete a report at the time. After your holiday you can contact After-Travel Customer Support. It must be no more than 3 months after you come home so we can investigate properly. Contact details are at the end of this guide.

Protecting Your Money

We provide security for the money you pay for your holiday and to bring you home in the event we become insolvent. When you buy a holiday from us that includes a flight, we do this by way of an ATOL (number 2524) managed by the Civil Aviation Authority, Gatwick Airport South, RH6 0YR. We also place a bond held by ABTA (V5126), 30 Park Street, London, SE1 9EQ, for holidays that do not include flights.

We've tried to write Our Agreement clearly. Unfortunately, the ATOL rules make us to include the next three paragraphs exactly as they're written.

Your Financial Protection.

When you buy an ATOL protected flight or flight inclusive package from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong.

We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable).

If we, or the suppliers identified on your ATOL certificate, are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

Where your holiday is protected under the ABTA scheme, you agree to accept that in the event of our insolvency ABTA may arrange for the services you have bought to continue, or for a suitable alternative to be provided at the same cost as your original holiday. You also agree to accept that in circumstances where the travel service provider provides the services you have bought, you agree to pay any outstanding sum under your contract with us to that alternative travel service provider. However, you also agree that in some cases the services will not be provided, in which case you will be entitled to make a claim under ABTA's Scheme of Protection (or your payment card issuer where applicable) for a refund of the monies you have paid. All money you pay to a travel agent for your holiday is held by that agent on behalf of and for the benefit of the Trustees of the Air Travel Trust at all times but subject to the agent's obligation to pay it to us for so long as we do not fail. If we do fail, any money held at that time by the agent, or subsequently accepted from you by the agent, is and continues to be held by that agent on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation to pay that money to us.

Keep your information safe

An eSim makes it easy to stay in touch with friends and family back home while you're away. You can add low-cost data to your current plan, which means you'll save money, and your number won't change. There's no need to get a new sim card, either.
